***Happiness is when what you think,
what you say, and what you do,
are in harmony.***

- Mahatma Gandhi

Dear SOBOites,

It is a privilege to be at the helm of a Club that's diverse, has unbounded energy, is enthusiastic about creating lifelong bonds and has a razor-sharp focus on social upliftment and welfare. The unstinted support of our members has given me a fillip to collectively create large scale impact and align our forces for what SOBO stands for, viz **Service Outreach Beyond (the) Ordinary**.

Like to share a short story that I recently read...

One day a man was walking along the beach when he noticed a boy picking up and gently throwing things into the ocean.

Approaching the boy, he asked "Young man, what are you doing?"

The boy replied "Throwing starfish back into the ocean. I'm saving these starfish that are stranded, if I don't throw them back, they will die."

The old man was silent for a few seconds, and he laughed and said, "Do you realize there are miles and miles of beach and hundreds of starfish. You can't make any difference."

After listening politely, the boy bent down, picked up another starfish and threw it into the ocean, then smiling at the man, he said, "I made a difference to that one."

How Often Do You Make a Difference?

The next time you get a chance to make a small difference, don't think of the big picture, just do it, after all, it might not make a difference to you, but to somebody else, it might.

I see the heart of this little boy in everyone here... a ray of hope, the will to make a difference, to inspire... this is what Rotary SOBO stands for.

Continue being the torch bearers for the betterment of society.

Thank you and good wishes.

Rajiv

Book Club

The Rotary SOBO Book Club met to for an absolutely stellar session to discuss *Shoe Dog*, by Phil Knight, the founder of Nike. Rtn. Dewang moderated the session ably.

Some ideas explored included what it takes to make a successful disruptive company; and whether breakout entrepreneurs have similar personality traits.

The sheer happenstance that led to the creation of the iconic Swoosh logo and errors in usage and translation of Japanese were noted as well!

The Book Club meets next on Friday, September 17, 2021; 9.00 pm at the Club House, Chaitanya Towers. We deep dive into *The Music Room* by Namita Devidayal.
