SUPPORTING EDUCATION

More than 775 million people over the age of 15 are illiterate. That's 17 percent of the world's adult population.

Our goal is to strengthen the capacity of communities to support basic education and literacy, reduce gender disparity in education, and increase adult literacy. We support education for all children and literacy for children and adults.

HOW ROTARY MAKES HELP HAPPEN?

We take action to empower educators to inspire learning at all ages.

OUR IMPACT ON EDUCATION

The Rotary Foundation supports education through scholarships, donations, and service projects around the world.

When you teach somebody how to read, they have that for a lifetime. It ripples through the community, one by one.
