## ROTARY AND THE BILL & MELINDA GATES FOUNDATION EXTENDING FUNDRAISING PARTNERSHIP TO ERADICATE POLIO

*Partnership will infuse an additional US\$450 million into global polio eradication effort*

**EVANSTON, Ill. (October 18, 2022)**

Rotary and the Bill & Melinda Gates Foundation are renewing their longstanding partnership to end polio, announcing a joint commitment of up to \$450 million to support the global polio eradication effort.

"We've made tremendous progress, but the world is facing multiple pandemics, and vaccine hesitancy is on the rise. Recent polio outbreaks in Malawi and Mozambique, plus detection of poliovirus in Israel, the UK, and the United States prove that if polio exists anywhere, it threatens children everywhere," said Ian Riseley, chair of the Rotary Foundation and Past President of Rotary International. "Partnering with the Bill & Melinda Gates Foundation helps us ensure that children in polio-affected countries get the lifesaving vaccines they need to be protected from polio for life."

This pledge comes on the heels of Rotary's announcement at the Global Citizen Festival pledging an additional US\$150 million towards polio eradication.

Rotary is committed to raising \$50 million per year over the next three years, with every dollar to be matched with two additional dollars from the Gates Foundation. This expanded agreement will translate into up to a total of \$450 million to support the Global Polio Eradication Initiative.
