

July, 2022: Vol. 1

Rotary Club of Navi Mumbai

Monthly Bulletin

President's Message:

Rtn Yuvaraj Mahajan
FAB President 2022-23

I thank all fellow Rotarians of RCNM for their belief in me to lead, as the 46th President of our Club for Rotary Year 2022-23

Congratulations to IPP Rtn. Prithvi Pal Singh and the members of his board on successful completion of Rotary Year 2021-22 and taking the club to greater heights. I would also like to congratulate all the new board members. Our fellow Rotarians have shown their confidence in our capabilities by electing us to our respective positions. I am grateful for your support and look forward to an exciting year of service with all of you.

The dedicated and passionate team of Directors & the members are our pillars of strength. We will continue to be members of a club where "service comes before self" always supporting each other, our local communities and the world.

Friendship, bonding within members & fellowship will be the top most priority for me to make the club one big family, where each member has the sense of involvement & togetherness.

I plan to start a monthly news bulletin. This bulletin will be circulated within first week of each month. It shall have the important dates of the projects planned for the month so that all can mark their calendars and be available for the same. Also it shall highlight the last months completed projects.

I start this journey seeking blessings, support & co-operation from all of you.

Thanking you,

Rtn. Yuvaraj Vilas Mahajan
FAB President, RCNM

Rtn. Prithivi Pal Singh
IPP

Message to my fellow Rotarians of RCNM

Having just completed my tenure as 45th President of the Rotary Club of Navi Mumbai, I can confidently express that it has been a humbling, fulfilling and rewarding learning experience for me and my wife – Indu Singh.

The path and goals defined by our brilliant SMILE District Governor Rtn. Dr. Mayuresh Warke ji were very clear and we tried to focus, implement and deliver in all areas defined.

Nothing would have been possible without the unflinching support of the core team, BOD and all the members of the club throughout the year.

The job of any President becomes very easy if he or she has an able support from Secretary and Core team members. I was very fortunate to get a good team to shoulder the responsibilities equally well. I will always be very thankful to them.

I will like to put on record that every member of our club has played a role in making 2021-2022 a successful one. Our club truly embodies the motto of Rotary - a selfless service to society. I am proud to say that we have made our best attempt to serve the society in whatever small way we can and this we shall continue to do so, as a club, forever.

I take this opportunity to wish incoming President of FAB year -Rtn. Yuvaraj Mahajan and First Lady Mrs. Jayashree, all the best for the year ahead. I am sure that they will take the great legacy of our club to higher echelons of service and fame.

With thanks to members once again and wishing the best to all my colleagues,

Sincerely Yours,

Rtn. Prithvi Pal Singh

SMILE year President, RCNM

Rtn Shailendra Apte
Vice-President & Director- WinS

Water, Sanitation, Hygiene in Schools (WASH in Schools) popularly known is **WinS** is a Rotary International program and is a thrust area for Rotary India as well.

This program addresses three of the six focus areas of Rotary i.e. water and sanitation, literacy and basic education and disease prevention.

In the past we have provided hand wash stations and drinking water purifiers/ filters to the targeted schools. We have identified that most schools had functioning hand wash stations, however the water filters were non-functional.

Hence we have planned to provide ten drinking water filters along with water storage tanks to the targeted schools during RY 2022-23. Five by December 2022 and the balance between January to June 2023. These are commercial grade filters normally with a capacity of 200 liters per hour.

The projects involve identifying the schools which need this, connecting with the management, deciding on the installation site, water supply and drainage arrangements and electric point etc. Thereafter the filter is installed. The package will include a committed AMC for 2 years. **Last but not the least--- making sure the required funds are available for the project.**

I invite all interested members to come forward and connect with me.

The budget will be shared in due course and we aim to have the list of first 5 schools ready by end of August.

Rtn. Sujata Agarwal
FAB Secretary 2022-23

As FAB secretary 2022-23, I thank all my fellow club members for electing and supporting me for this elite role. I shall see to it that all the work of the president is carried out smoothly for the FAB year. I shall support him in all his endeavors. I am sure all of us together will have a great FAB year ahead, our motto being Service above Self.

As discussed with the president we are planning to start a fitness program for we believe that to do great work one must have energy, enthusiasm and above all be physically, mentally and emotionally fit.

There will be training sessions on yoga and marathon. We are planning to keep a triathlon- which will have 3 events- yoga, cycling and running/ walking. The details will follow soon. But training of both will be starting from July onwards. I request everyone to please come forward and participate in this event by enrolling yourselves for training sessions.

We shall also be having happy streets this year in which we want 100% participation of our club. All these events will be exclusively for rotary clubs of Navi Mumbai.

Once again, let's all rock the FAB year and create some noise. I am looking forward for everyone's whole hearted support and participation.
