BULLETIN OF ROTARY CLUB OF THANE CENTRAL

Lord Ganesh- God of Wisdom, Knowledge and Prosperity

With the advent of Bhadrapada month India celebrates Ganesh Chaturthi Festival While In Rotary, we celebrate September as Basic Education and Literacy Month.

ignificance Of Ganesh Chaturthi & Literacy:

One of the most Auspicious festivals "Ganesh Chaturthi" has its own significance that denotes the importance of Education in Hindu Mythology.

• Buddhi:

Buddhi is regarded as intelligence which can only be conveyed through knowledge. Knowledge acts as major source of the prescence of mind & executing your imaginative powers into reality. Ganesha says, acknowledging good education inculcates ethics & good habbits, that leads to the path of success, education, great knowledge and deeper understanding towards the society as a whole.

Siddhi:

Siddhi refers to the spiritual powers & enlightenment towards everone. The knowledge to think is the most optimist types of knowledge that one possess during their lifetime.

"siddhi" has been termed as a branch of brightness, which can only be possessed after gaining the highest ideal of intellect. Greater knowledge means power to control everything & shape or adjust according to the situation. Siddhi was the wife of Ganesha placed as one of the highest position in Hindu culture which is as important source of Kowledge, prosperity & intellect.

Vinayaka:

"Vinayaka is another name of Ganesha which means "know all, do all". In simple words like education & knowledge is solution to all problem, it means "Vinayaka" is the authority or sole power that provides a solution to all the problems.

Similarly in Rotary:

The Rotary Foundation enables Rotarians to ensure that all people have sustainable access to basic education and literacy by:

- Involving the community to support programs that strengthen the capacity of communities to provide basic education and literacy to all;
- Increasing adult literacy in communities;
- Working to reduce gender disparity in education;
- Supporting studies for career-minded professionals related to basic education and literacy.

 So as Rotarians lets all pledge to spread and support Literacy to build a strong community for our Present & Future Generations.

PRESIDENT SPEAKS

Dear Members,

Lord Ganesha is known as the patron of intellectuals and the source of all knowledge. He is the epitome of literacy and it is believed that wherever lord Ganesha is worshipped, there is knowledge in abundance. So, Friends,

What is Literacy?

The ability to read, write, speak, and listen in ways that encourage efficient communication is called as literacy. Our mission is to build community capacity to promote basic education and literacy, minimise gender disparities in education, and increase adult literacy. We support learning programs both adult along with education for all children.

Rotary thought about mentoring and teaching the instructors after realising that simply enrolling children in school would not be sufficient to address illiteracy. T-E-A-C-H is the name of a comprehensive programme created by RILM, or Rotary India Literacy Mission.

T - Teacher Assistance

The Teacher Support Program's objective is to enhance teachers' performance and professional abilities through training and recognition of exceptional educators.

Training and retraining boost teachers' skills and instil confidence, which lead to improved performance over time in regular classroom settings. Teachers' self-confidence is boosted when they are recognised for their great efforts in forming young brains.

E- E-Learning

Through the use of curriculum-based audio-visual modules in local languages in government- and government-aided schools, the e-learning programme "E-Shiksha" seeks to enhance the teaching-learning experience.

The "E-Shiksha" programme is a single classroom installation in government and aided schools that attempts to enhance the teaching-learning process with an integrated solution made up of an LCD projector, LED TV, and Smart LED TV loaded with educational audio-visual software matched with local language state curriculum.

A-Adult Education

The Adult Literacy Program seeks to teach functional literacy to illiterate adults in India (15 and older), after which literate young adults are subjected to skill development training via a number of helpful organisations.

C- Children's Development

Ashakiran is another name for the Child Development Program. Bringing or sending back out-of-school youngsters to school is a glimmer of optimism.

H-Happy Schools

In order to create state-funded schools safe, appealing, and joyful learning environments for both students and staff, the Happy School Program intends to provide/upgrade the infrastructural and co-curricular amenities. A good and upbeat learning environment in which the fundamental infrastructure is available can boost student enrolment, enhance attendance, and increase retention. These factors all contribute to better learning outcomes for students.

Therefore, friends, keeping in mind these five objectives of TEACH let's all take the lead on this programme and endeavour to literate our local community.

Best Wishes, Dr. Madhavi Dole

ॐकार प्रधान रूप गणेशाचे । हे तिन्ही देवांचे जन्मस्थान ॥१॥

अकार तो ब्रह्मा, उकार तो विष्णु । मकार महेश जाणियेला ॥२॥

ऐसे तिन्ही देव जेथोनी उत्पन्न । <u>तो हा गजान</u>न मायबाप ॥३॥

तुका स्मणे ऐसी आहे वेदवाणी । पहावी पुराणे व्यासाचिया ॥४॥

गणपती म्हणजे खऱ्या अर्थाने विघ्नहर्ता आहे, वर्षभर आपण कितीही ताणतणावात असलो तरी या गणेशोत्स्वाच्या काळात ताण विसरुन जातो. शिवाय गणपती म्हणजे कलेची देवता, गणरायाला वंदन करून कला सादर करण्याची आपली प्रथा आहे.

ओंकार हे श्रीगणेशाचे मूलरूप आहे. ज्या नादमय ओमकारातून विश्व साकरले आहे त्या ओंकार तत्वाचा उल्लेख तुकाराम महाराज, ' श्री गणेशाचे प्रधान रूप असे करतात .

देव वेगळे आहेत,असे आपण म्हणतो परंतु संताना हे वेगळेपण जाणवत नाही. कारण सगुण निर्गुण अश्या परमेश्वराशी ते एकरूप झालेले असतात,म्हणून तर संतश्रेष्ठ तुकाराम महाराजांना विट्ठल रूपात गणरायाचे दर्शन घडले . कसे ते बघा

ओमकार प्रधान रूप गणेशाचे हे तिन्ही देवांचे जन्मस्थान .अकार तो ब्रह्म ,उकार तो विष्णु आणि मकार महेश जाणियेला .

ब्रह्म शब्दाचा उच्चार केला की शेवटी अकार उरते। , विष्णू उच्चारातून उकार उरते। आणि मकारातून महेशाचा उगम होतो. असे हे त्रिदेव ओंकारस्वरुपात सामावले आहेत. आणि तेच स्वरुप पांडुरंगात, गणपतीत नव्हे तर आपल्या प्रत्येक उपास्य देवात सामावले आहेत . याचाच अर्थ ईश्वरशक्ती एकच आहे , फक्त आपण तिला वेगवेगळ्या स्वरुपात पाहतो.

आपणही मनातले द्वैत बाजूला ठेवून या ओंकारशक्तीत सामावलेल्या अद्वैत शक्तीचा आशीर्वाद घेऊया.

मंगलमूर्ती मोरया !
