Message from DG Ashok Kantoor

Dear President Arti Agarwal

Rotary Greetings!

Congratulations to you for accepting the leadership position as a Club President in the RY 2022-23. This little step has opened up your wings to fly to soaring heights and take society to a more meaningful, humble, accomplished, and peaceful stratum through the magical world of Rotary. Believe me, your positive thinking, hardworking attitude, and determination of doing something unique for the community will create history for yourself as well as give you inner satisfaction. This is what I have experienced in the last 25 years of my Rotary Journey.

Rotary's motto is service above self and we will have to continue our fight against illiteracy, hunger, poverty, water scarcity, disease, pollution & so on.

Rotary will stay relevant as long as we are sensitive to the needs of our communities and give our time, talent and resources to make a difference in the lives of the less privileged.

My compliments to you and your team for launching the monthly newsletter of your Club, Rotary Club Gurgaon Qutab Enclave.

Alka & myself wish that may you all raise the glory of Rotary even better. Wishing you all a **successful and blissful Rotary journey.**

All the best & let's **IMAGINE ROTARY** together for achieving significant Rotary objectives.

Rotary Regards

Ashok Kantoor

District Governor 2022-23

President's Message

Dear Fellow Rotarians and R'Anns

Rotary Greetings!

As we begin the new Rotary Year there is much to look forward to. The team is full of renewed vigor and energy. They have been working hard for the last few months to start the year with fervor.

This Rotary year becomes more special with Jennifer Jones taking oath of office as first woman president of Rotary International. It motivates us to increase our women membership and support them into leadership positions. Our club is unique in a way where we have always supported women and encouraged active participation among our women members, especially in leadership positions.

This year's theme 'Imagine Rotary' - pushes each one of us to imagine Rotary in our own ways, to dig deep in our hearts and see where each one of us can make a difference and how we can best contribute to our communities.

When I dig deep, I visualize three E's which define my actions - **Environment, Empathy, and Engagement**. Focusing on causes that impact our environment, helping underserved communities, and having a great fellowship are all close to my heart.

I am truly humbled and honored to be chosen as the President of our elite club for the current Rotary Year. I look forward to working with each one of you as we move forward through the year Imagining Rotary in our own ways.

My special thanks to IPP Meeta Ghosh and H. Secretary Rajeev Goel and the team supporting them who worked hard through the year to bring so many laurels to the club.

Rotary Regards

From the Editor's Desk

I am Sangeeta Kumar. It gives me great pride to be given this opportunity to bring to you the first issue of Horizon for the year 2022-23.

Firstly please note the theme for 22-23 is "Imagine Rotary". RI President-Jennifer Jones imagines a Rotary where members act to make their dreams become reality and they make the most of their club experiences. She urges members to engage more with each other and use these connections to build partnerships that change the world.

Rotary is defined by its mission to create impact and promote sustainable solutions to the community. Through this magazine my endeavor would be to bring to you through articles and news from National as well as International Rotary Clubs.

It is my humble request to all of you to support me in helping you and our club to receive news and important updates to be shared on this magazine. Pour in your ideas to make reading the magazine fun.

Happy Reading!

Warm Rotary Regards,

Sangeeta Kumar
