### From President's Desk

“ Sometimes being a brother is better than being a superhero. ”

It gives me immense pleasure to get an opportunity to lead the Vibrant Club. It's time to implement & execute the meticulous plans. Thanks to the Core Committee members and all my enthusiastic Board Members.

We had our DOP on 29th May wherein 40 Members from the club has attended the Workshop which itself is a record in the history of RCMKW. We had fantastic installation function at GSC on 19th June 2022 wherein 160 Members were present. 1st July Started with 4 Inauguration and continue doing that for the first half of July. It was quite hectic but a new experience altogether.

We have started Several New initiatives.

We have planned one day picnic exclusively for R Ann's. We have also started in each Club meeting Sharing by Past President about Rotary Information / Rotary Protocols. Projects and Programmes executed during the past week as well as Projects and Programmes for the forthcoming week is shared with members each weekend Under Educational Projects we are not only adding more Schools but also increasing New projects like Vyakti Vikas and Entrepreneur Mindset Project.

Our School Development Team Lead by Rtn. Sandeep Shah, is outperforming and looking forward to create record projects in the current year. Youth Team Lead by Rtn. Archana Patel has been proactive and we have completed Installation of 6 Interact Clubs and 2 Rotaract Clubs. We are not only Targeting New Interact /Rotaract Club but doing some Impactful projects under each arm. Apart from projects we also had 4 Fellowship events in first 2 Months Movie Rocketry was organised for members Sanjay Gandhi National park Walk was participated by 40 Rotarians and Aarey Trail By 23 Rotarians

Its always been the Vision Statement of The Alpha Team, "Think Big and Dream Big". \* In line with our Vision Statement we have planned the \*Medical Van Project and Team is confident to raise the required fund before our Fund-Raising Event i.e. 8th October. Team is working hard and in right direction. Plan B is to target HNI Donors and after that Crowdfunding Platform. We are targeting to touch the lives of 1Lac Citizen in Slums of Kandivali and Tribal Villages over a period of 5 Years.

Lastly, I on behalf of Team Alpha would thank all of you who have supported the Bulletin with their advertisement.

Jai Hind

Rtn. Rakesh Shah  
(President)

### Appreciating small things is a great achievement.

### From Editor's Desk

Being pledged as a Rotarian in the Year 2013-14 from a completely raw .....from being just a member to now a hard core Rotarian.... it's been a long journey of observing and learning. I thank President Rtn. Rakesh, my dear friend, for recognising my potential and giving me opportunity to take up this prestigious position of Editor. This is surely going to bring out the creative side of me and I am so very enthusiastic

In our 20 years of Leadership, Membership and Fellowship, at RCMKW, there's one thing that has not changed, that is, GROWTH. Our club has given us leaders with vision and compassion and yet another very important ingredient, STYLE, which has made each President very unique. We take pleasure in welcoming our Club's 21st President, Meticulous, Perfectionist and Unique Rtn. Rakesh Shah

Witnessing the tremendous hard work put in by every Rotarian, I have realised that Rotary is a way of living one's life, a lifestyle. Through this bulletin brings forth all the major projects executed in the past two month, it can in no way, exhibit the directors/chairpersons' emotions attached to their projects. I hope this bulletin brings a smile to your face just like you, my fellow rotarian, have brought to hundreds!!

**The road to success is not easy to navigate, but with hard work, drive and passion, it's possible to achieve your dreams -Tommy Hilfiger**

This quote holds true for one of our most soft spoken and big-hearted Rtn. Prakash Shah, who with his hard work and determination, got the best success in his life

Rtn. Prakash Shah is one of the most active member of our club and introduced by club Rtn. Bharat Shah in year 2017. He has come up in his life with lot of hard work and with years of experience in exports field, he started his own firm SK Exports and did very well.

**Early Stage of life:** Prakashbhai was born in mid 1940s in South Mumbai near Chowpatty. He was the 5th child amongst the 6 siblings (3 elder sisters & 2 brothers). He lost his father when he was just 2-3 years old,

He has done his Schooling from Nutan Kelavni Mandal school, Chowpatty, as he was residing in his family Building in the same vicinity. He did his college education at Vallabh Vidyanagar College, in Gujarat for 1 year & later studied science at Somaiya college, Mumbai. He got married to Renukabhabhi in 1967

In 1964 he worked as a filing clerk at Bombay University under Shri Madhukar Randheria for 6 months

**Career and working in Export firms:** Then he joined Calico Mills (Ambalal Sarabhai Group Co, whose famous son was India's leading nuclear scientist Vikram Sarabhai) at their M J Market office as a clerk in their Export division. On 06.06.1966 - Indian rupee was devalued by 66% - which led to bumper profits, this event inspired him think & grow in exports field. In 1970 he got promoted and shifted to Calico's Corporate office on 13th Floor, Air India Building, Nariman Point. The office had a huge sea view. In 1976, he got a separate office at Calico at World Trade Centre, Cuffe Parade as independent charge of the export division. Later, since 1978 he started getting the opportunity to travel internationally with his first visit being to Baghdad, Iraq. In 1980 Prakashbhai got posted at Calico's New York Office in US and he worked there for 6 months. From 1982-1988 he worked at Calico's Head Office at Ahemdabad. Around 1989, Calico got declared as a sick unit, as was the trend of so many textile mills in the country, this too got closed. In 1989, he moved to Arvind Mafatlal Group as exports Manager; where he worked for next 5 years and then he resigned and joined hands with Venus Group of USA as partner incharge of Indian Operations. After the long stint with them in 2012 he started his own Export Unit SK Exports, starting from scratch - exports of Hospitality Products for hotels and hospitals. He is quite happy with the dream turned into reality for him.

**Family:** His elder daughter Ruchira is married and settled in Canada & Son Romal did his MBA from NMIMS and is with him in his business of exporting high end towels, blankets etc under the name of SK Exports. He has some of the most reputed Hotel chains as their clients, which also includes some leading names such as Disney Chain, Hilton, Marriott, Hyatt etc to a name a few. He says his life with God's grace, a happy journey of continuous growth & scaling up on all fronts.

**Rotary Journey:** He is super happy since he joined Rotary in 2017, referred by Rtn. Bharatbhai Shah - as he says at this age he has got some tremendous friends because of Rotary. His Son Romal today is the Treasurer at Upper Kandivali Club. Romal and his Son both are keen chess players.

**Life as on today:** At his age, he is super active and he goes for Morning walk daily at Poisar Gymkhana, is working actively in office, is a Trustee at Educational Institute running a school & a huge college at his Village In Pilwai Gujarat & is a trustee in a temple trust, which has recently redeveloped the temple there & is member of export promotion council. Prakashbhai is personified as a man of ethics, is simple but affectionate by nature, soft spoken, a good listener & above all - a big hearted giver & all these he does with ever present charismatic smile.

## Proud Moment: Rtr. Poojan Sanchala, Jt. International Service Director for the year 2022-23 Represented India and Rotaract District 3141 at the Rotary International Convention Houston!

Poojan Sanchala with the Indian national flag, along with international Rotaractors, at the Rotary Convention in Houston, USA.

### A Rotaractor's Convention experience

Poojan Sanchala

All of us have a dream to represent their country in an international platform, and I got this opportunity twice. The first time was when I went to Italy in 2019-20 under the Rotary Youth Exchange

(RYE) programme. Rotary provides an amazing chance to go and live a life abroad and experience it like a local in a span of 10 months. I lived with two Italian families, went to an Italian school and met people from 100 countries. Because

of the RYE programme now I can call Italy as my second home and I have friends in hundred cities of the world. Representing India among 100 countries at a flag march in an event in Tivoli literally gave me goosebumps. I felt like

and then I came to know about the Rotaract Pre-Convention and Rotary Convention happening in Houston; it was one of the biggest events happening post pandemic and I registered for the Rotaract pre-convention. In the opening session, when they called out 'India' at the country calls, I was the only one in the hall cheering out, and later when they announced that India leads the world in Rotaract membership with over one lakh Rotaractors, I was on cloud nine, and also felt a sense of responsibility representing one lakh Rotaractors at the convention.

At the breakout session I was happy to bond with Rotaractors from around the world. I learnt about the Rotary Action Groups and the MDIOs.

At the closing session, when RI President Shekar Mehta addressed the Rotaractors it filled me with great pride to see an Indian leading such a big organisation and addressing the delegates from across the world.

My favourite moment was the Indian music and dance performance at the opening ceremony of the Rotary convention after the address by Prime Minister Narendra Modi and RI President Shekar Mehta. I could not stop myself from dancing to the beats, and when I along with my friend from Nepal, started dancing, the other Rotaractors from around the world joined us even though they did not understand a single word. The energy and experience I felt dancing with other Rotaractors to Indian songs in a hall filled with

Sanchala exchanging his club flag with a Rotaractor.

11,000 Rotarians was an exhilarating experience. Events like the convention give you a great opportunity to become a global citizen, to socialise and make friends from all over the world like I did. Even as we learn new cultures and teach them ours, it makes one understand how people work for a better world beyond boundaries. I want more Rotaractors from India to attend the conventions and feel the energy of the Rotaract world.

I urge all Rotarians to encourage their children to join Rotaract that will groom them as young leaders of the future. I thank my parents who gave me wings to explore the world.
