Samarpan Foundation Project | 12 January 2023

We spent a beautiful morning interacting with the women and children of Samparan Foundation. Had raised funds for the materials that are used in in one of their workshops to make these women self-reliant many from the local community and some who are refugees from Afghanistan. It was heartwarming to see how far they have come. The Funds were raised via Hunar Haat that was organized in September last year with the help of many of our members and friends .

Picnic at Sunder Nursery| 22 January 2023

The sun came out to play and so did we with our gen next for a picnic breakfast and a visit to the farmers market at Sundar Nursery. We enjoyed a healthy breakfast and played a few games with the kids!!
