And it was an October to cherish..

Diwali Party | 8 October 2022

"Diwali party rocks in the rain" Rain and lightening couldn't damper our Rotary Diwali spirit...If anything our get together thundered more with the Rain Gods dancing to our tunes! Hosted in a warm tented area amidst the wet chaos by Madame President, Taruna Seth, at her residence, fellow Rotarians dressed in colourful festive wear, mingled and bonded over dinner drinks and cards. How can we forget fellow Rotarian, Nakul Seth's dance with "balancing the glass on the heads" act ... Let's just say someone of us are hoping for another wet Diwali next year!

Community Service Project | 14 October 2022

Rotary Club of Delhi Southend Next has collaborated with 'Harmony House' in Gurugram and adopted the set up and upkeep of their new IT lab impacting over 500 underprivileged children from the surrounding community. This is going to be one of our long term projects. Rotary Southend Next has supported Harmony House with 10 brand new intel desktops, Furniture, tables and chairs for students as well as blinds for the room. The lab will support around 500 students from around the area. This was Harmony House first IT centre and a long-standing dream.
