*And it was a September to remember..*

## Hunar Haat | 5 September 2022

Thank you for your support at Hunar Haat, a collaborative annual exhibition with Rotary Southend and Southend Next, showcasing the women entrepreneurs amongst us. We had a great turnout all day long to the marvellous array of exhibitors, retailing clothes, ice cream, house ware, health food, linen, skin care and more. We saw the great hidden talents of fellow rotarians and annes and the bond gets stronger when women support women! All proceeds go to the Samparan Foundation that supports women empowerment.

## Zumba Dance Party | 10 September 2022

The fitness forum of Rotary Southend Next held a Zumba dance party for members to bust a move and let loose. In collaboration with our member Ramnika Goyal who brought in her tremendous energy as our superb Zumba instructor, the evening was full of music, movement and forming rotary bonds amongst the members. Each one completely let loose dancing to the tunes of Ramnika and her music. We can't wait for the next fitness party!

## Rotary Movie Night| 30 September 2022

Little late to the Astra verse party. Finally watched Brahmastra film really well made! The VFX effects were fantastic. Ayan Mukerji was highly inspired by everything he grew up watching - Harry Potter, Game of Thrones, The Avengers, Twilight series, The Matrix.. Felt good to see a hindi movie of this caliber!
