Best Practices from NASA - 3rd May

We learned the best practices from NASA with Dr. Edward Rogers in an interactive workshop organised in collaboration with YFLO, New Delhi. Learnings from the event by Rtn. Aditya Nath

1. Leadership - leader's commitment builds trust fosters debate leads to better commitment.
2. Decision making framework - draw your agenda and connect the dots. Helps sorts issues, saves extra discussions and leads to conclusions.
3. How to learn from failures - self improvement. Way within is the way out.

The Last Hurrah - 20th May

We gathered at Marriot, Aravali on May 20th for a Thanksgiving weekend full of family activities and fun. President Taruna Seth was thanked for her leadership in 2022-23. The event served as a brainstorming session for the upcoming year. It was a family getaway, fostering fellowship and connections. Attendees shared innovative ideas to enhance Rotary's impact. Motivated and inspired, Rotarians left ready to make a difference.

A 3 year scholarship to Naman Sharma

Our club will be supporting Naman in his medical requirements for the next 3 years till he turns 18 years old. Naman is rope skipping champion and a Type 1 Diabetic child with the Yog Dhyan Foundation.

Community Event at Harmony House

Feedback from our Community Service Partner - Harmony House
We are extremely grateful to Rotary club of Delhi Southend Next for putting up an IT Lab in the primary centre. Our children are always happy and excited and look forward to computer class. Our children are learning parts of a computer, MS Paint & practicing typing. It brings us great pleasure that we have introduced computers to our support staff. Our aim is to provide them with education & training on technology and IT, helping them to develop new skills & improve their computer literacy. They appear to be proud of themselves. Thank you for your incredible support and for making a lasting difference in the lives of our children.
