ROTARY CLUB OF DELHI SOUTHEAST NEXT

july
NEXT NEWS

Message from the President

It's been a July filled with joie de vivre. The year started on a high note with members raring to get out and reconnect in person after the tumultuous two years we have had. July was also the month we planned and set the ball in motion for some great some club events and high impact community service initiatives for the year. We had our first Board Meeting of the year to discuss the way forward. Hope you have signed up for atleast one of the special interest forums we have formed. I also represented our club at a special meeting with Rotary International President Rtn. Jennifer Jones who encouraged us to imagine, take action and make an impact in our communities. It's going to be a great year with your support and participation. Speaking of which, over 65 Rotarians and partners attended the July events collectively. Let's keep this momentum going into August and beyond!

- Rtn. Taruna Seth

A visit to Bahai Temple | 9 July 2022

The year started on an auspicious note with the tour of the Bahai house of worship where the members were told about the Baha'i faith and history. We then moved on to an insightful discussion and talk with Mr. Kazeem Samndari, Member of Baha'i faith and Co-founder La Opera French bakery.

"The private event curated by President Rtn.Taruna and the team yesterday to learn about the Baha'i faith at the Lotus temple was a very unique experience. To admire the beautiful white monument in its full glory before and after dark was spectacular. The talk by Mr Kazeem Samndari was so effortlessly thought provoking on matters of religion, peace, climate change and how it all comes down to one thing - Unity, which is the core value of the Baha'i faith. It was truly an evening of great takeaways and enlightenment. " - Esha Bahl

Virtual Meeting | 17 July 2022

We arranged an online session on how to have work life balance arranged by Rtn Aditya Nath on Sunday, July 17th. People actively attended and knowledge about how to use the Vedic vision in daily life, the key pointers in the journey when someone practice that. This amazing session lasted for 1 hour followed by questions by the audience.

Distribution Drive | 30 July 2022

First Community Service Event 2022 - Samparan School, Vasant Kunj.

“Imagine a world that deserves our best where we get up each day knowing that we can make a difference “ - Jennifer Jones, President, Rotary International.

In collaboration with the Rotary Club of Delhi Rajdhani, we conducted our first community service drive at Samparan School. Braving the rain, we got a great turnout of members to support the drive, a part of “SAPNO KI UDAAN”. This includes the distribution of Sanitary Napkins, branded facewash, branded cream, branded moisturizers, branded deodorants, immunity booster coronil kits etc, throughout the areas of Delhi and NCR . Sponsored by the Sankalp Foundation, this drive is part of the 250 campaigns the Rotary clubs have pledged under the “sapno ki udaan “ initiative. Special mention and vote of thanks to our member Dhruv Gupta for donating and transferring over 650 Kgs of rice and flour to this drive.
