Report on Vriddhi - Membership Seminar

The membership seminar - "Vriddhi" was organised at Rotary Sadan on 27/08/2022 by RID. It was an unique opportunity to network with the District Chairs and rotarian members of other clubs. RID 3291 organised the seminar with key speakers like - PRIP Shekhar Mehta, DMC Ravi Sehgal, DG Ajoy Law and ARC Rajiv Pokhrel. PRIP Shekhar Mehta gave emphasis on various efforts to increase the number of members in the rotary clubs. Both DMC Ravi Sehgal and ARC Rajiv Pokhrel laid stress on retaining the existing members by the transparent acts of club officials apart from other issues like increasing the numbers by fixing targets. In their deliberation - engaging the members in various activities of the club and analysing members ability and inclinations towards various activities to be undertaken by the clubs were also stressed for utilising the available manpowers of the clubs. Our DG Ajoy Law also expressed his views on various ways to induct new members holding the flag of services on top.

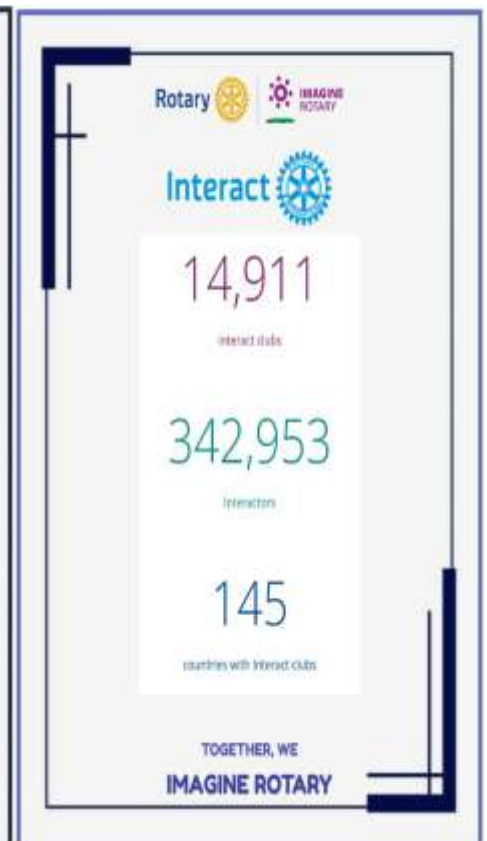

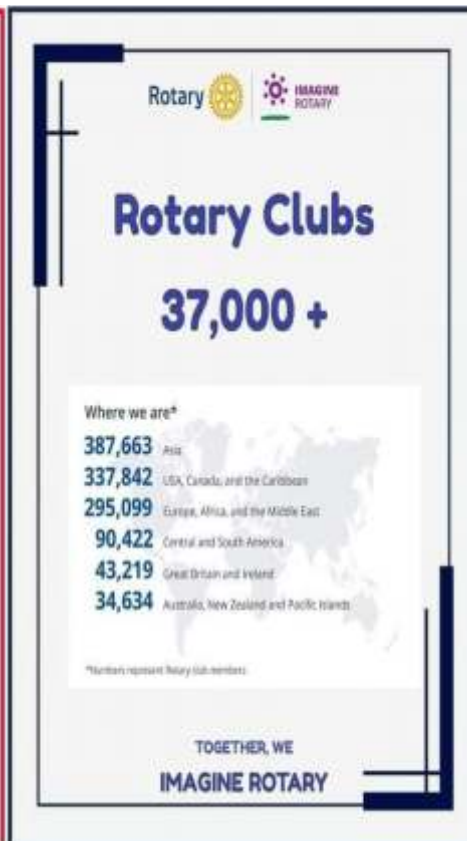

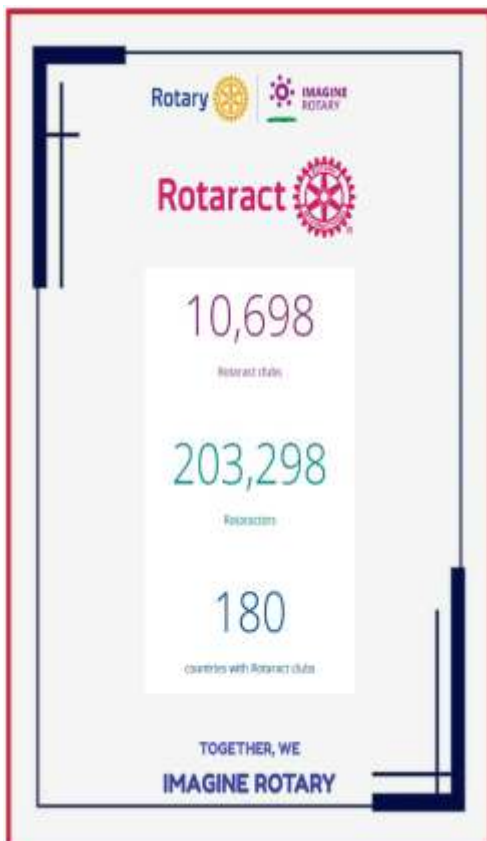

The seminar was attended by PP Amitava Chakraborty, PP Ashif Shah, Rtn. Anindita Chatterjee Sinha and Rtn. Subrata Kumar De alongwith President Sanjoy Dey from RCB.

Rotarians from RCB Rtn. Anindita Chatterjee Sinha and Rtn. Subrata Kumar De attended the RLI - Part I in the month of August 2022 and they were recognised for their achievement.
