“active participation would lead to the great success”

I would like to convey my best wishes for the New Rotary Year 2022-23.

RI President 2022-23 Jennifer E. Jones has presented us a beautiful theme “**IMAGINE ROTARY**”.

In line to the District Training Assembly, let us all follow the seven areas of focus as suggested by our International President Jennifer E Jones to work as a team to achieve the goal together.

Along with our own club projects, keep working on District Projects as well.

Your active participation would lead to the great success of our club at the end of the year
