A visit to Melbourne always fascinates me for its beautiful beaches, mountains, different types of animal species, birds, flora n fauna ,MCG the Melbourne Cricket Ground, the Rod Laver Arena where Australian Open is being played.

In 2018 I had the opportunity to attend the International Inner Wheel Convention held in Melbourne. In 2022 I attended a Rotary meeting with Rotary Club of Oakleigh Clayton Huntingdale of Dist-9810. Exchanged bulletins. The warm welcome I received as a member of this global family was truly admirable.

My weekend trip to Torquay a place one and a half hour drive from Melbourne was truly a breather for me. It is called the Surfer's paradise. While reaching there at the time of dawn suddenly heard the screeching noise of some birds. I looked here and there to find out where the noise was coming from. To my utter surprise saw that in front of me, just the opposite side of

where we were staying was surrounded by trees. I was curious and saw a bunch of white cockatoos perching on the tree top. On the horizon was the Tasmanian sea with its white waves rolling.

The surroundings were absolutely beautiful and breathtaking.

Though it is winter but could experience lots of wild cockatoos, magpies. The flora and fauna were beautiful as well. Experienced various cuisines to complete a wonderful journey.

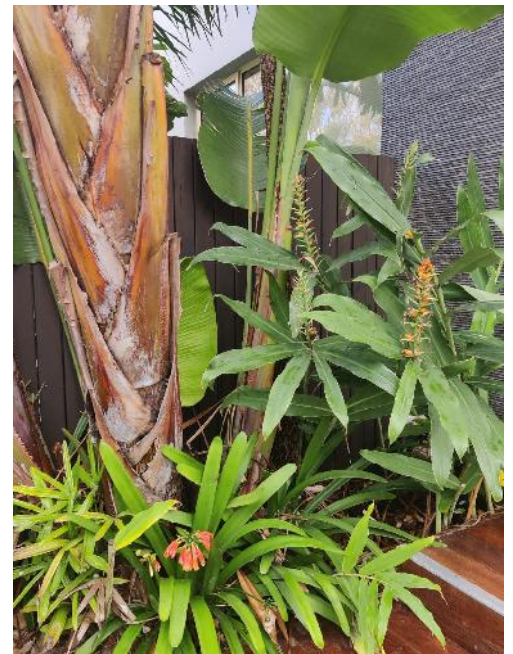

Torquay is a seaside town Great Ocean Road, coastal Melbourne, Australia. It is beaches like Bell's Beach The surf coastal walk Impossible Beach n Point Danger Marine limestone reef and sea Australian National memorabilia. Information

The entire coastal drive Ocean Road keeps me breathtaking view, no I visit, it never gets old Would love to visit again

at the east end of the drive, South West of known for its surf and Jan Juc Beach. trail starts at Point heads south west via sanctuary, with its slugs. In town, the Museum displays surf courtesy-Google.

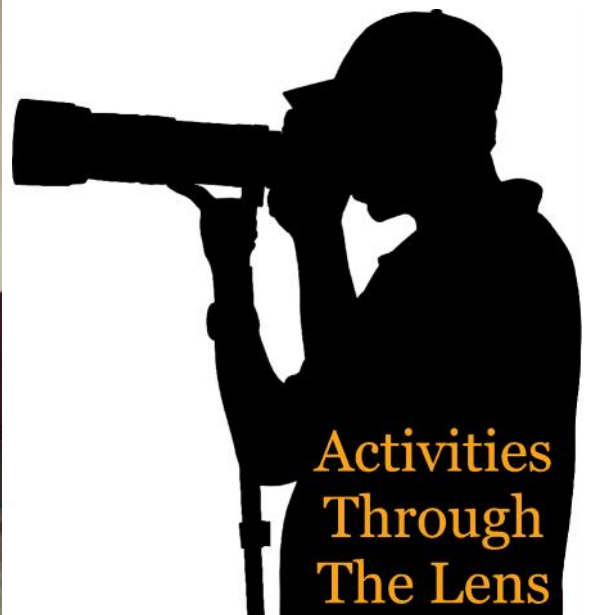

through the Great mesmerized with it's matter how many time and a great energizers. and again.
