Club Presidents –Rotary Year 2022-23- of District 3291

I congratulate you on your installation to the office of 2022-23 Club Presidents of District 3291, West Bengal, India.

The upcoming year promises to be one of the most joyful and rewarding years of your life.

As club and district leaders, you have such an important role to play. You can do so much to help create club experiences that are welcoming, inclusive and enjoyable for each and every member – and you can extend that same warmth and belonging to every participant who wishes to engage with our clubs.

If we serve our members, we serve our communities. And if we provide comfort and care for our members, they will truly come to understand the power of Rotary.

We all feel the impact that Rotary service and Rotary values have on us ... now it's our opportunity to share that feeling with others. This is a year to Imagine Rotary by envisioning a world that deserves our best, where we get up each day knowing we can make a difference. We don't imagine yesterday, we imagine tomorrow.

We imagine a world without polio, with clean water for everyone. We imagine a world free of disease and where every child learns to read. We imagine kindness, hope, love, and peace.

It is honor to work beside you as we guide our fellow Rotary members to another successful year. I am relying on you as we commit ourselves to *Imagine Rotary*.

Warmest regards,

Jennifer Jones
President, Rotary International 2022-23

Dear Club President,

Many Congratulations on taking up leadership of your Club!

I am confident that you will rise to the occasion and face any challenge that comes with this new responsibility!

I take this opportunity to thank your outgoing President and all members of your Club for the sterling service rendered during Rotary year 2021-22 as we Served to Change Lives.

Rotary year 2022-23 is very significant for all of us as we have a lady leading Rotary International for the first time in Rotary history! Madam Jennifer Jones from Canada is the RI President during our year and has she exhorted us to "IMAGINE ROTARY" – a very novel theme!

I consider myself lucky to get the opportunity of working with Madam Jennifer! Diversity, Equity & Inclusion (DEI), Empowerment of Girl Child and Membership Growth – focus areas of her predecessor - our very own Rtn. Shekhar Mehta, will continue to remain as her focus areas also.

My friend, Rotary is a journey, a journey of togetherness! Once you start this journey, you should not stop in between! Together - we get the opportunity to serve mankind to the best of our abilities! As I always say, Rotary year 2022-23 is not my year alone! It is our year together!

The call to "Imagine Rotary" beckons you my friend! I urge you to go ahead to share your service; strengthen your Club and the community - with your imagination!

Mitali joins me in wishing you all the very best!

Kind regards,

Yours in Rotary Service

IMMEDIATE PAST PRESIDENT'S MESSAGE

Hello my fellow members, I have happily completed my term & for this I would like to thank all the members of our wonderful Rotary club of Calcutta Park Point in District 3291. It's an achievement in the present circumstances and the pressure of inside & outside. I was privileged and honored to be your President in 2021-2022. The past year was one of the very stressful & memorable years of my life but, yet it gave me the opportunity to grow as a person. I met a few very genius people & understood others in a better way. Most of our club members are so generous, dependable & true to their heart. It was only because of their support that I was able to perform & continue during my term. DG Prabir Chatterjee made this year the most active year of Rotary District 3291 & RI President Shekhar Mehta added fuel to the fire. They kept all the Presidents on their toes. My sincere thanks to the RI President for giving me his support through out the year. I tried to do as directed & have done many & projects learned a lot. Hopefully I was able to make new member aware about the Rotary. We have done fellowship starting with COTs, Installation (reached to all the individual members & other with snacks boxes / folders/ gifts) & finally the real fun with Diwali, New year, Holi and many more celebrations. In conclusion, I can only say to the incoming president Rtn. Ajay Kumar Bardia that don't stop at anything because obstacles can be many but doing what you started gives you greater satisfaction. Wishing the best to the current team.

Yours in Rotary,

Kamal Kumar Dugar
