Paul P. Harris

Paul P. Harris, a lawyer, was the founder of Rotary, the world's first and most international service club.

Born in Racine, Wisconsin, U.S.A. on 19 April 1868, Paul was the second of six children to George N. Harris and Cornelia Bryan Harris. At age 3 he moved to Wallingford, Vermont where he grew up in the care of his paternal grandparents. Married to Jean Thompson Harris (1881 – 1963), they had no children. He received an L.L.B. from the University of Iowa and received an honorary L.L.D. from the University of Vermont.

Paul Harris worked as a newspaper reporter, a business teacher, stock company actor, cowboy, and travelled extensively in the U.S.A. and Europe selling marble and granite. In 1896, he went to Chicago to practice law. One evening Paul visited the suburban home of a professional friend. After dinner, as they strolled through the neighbourhood, Paul's friend introduced him to various tradesmen in their stores. It was here Paul conceived the idea of a club that could recapture some of the friendly spirit among businessmen in small communities.

On 23 February 1905, Paul Harris formed the first club with three other businessmen: Silvester Schiele, a coal merchant; Gustavus Loehr, a mining engineer; and Hiram Shorey, a merchant tailor. Paul Harris named the new club "Rotary" because members met in rotation at their various places of business. Club membership grew rapidly. Soon Paul became convinced that the Rotary club could be developed into an important service movement and strove to extend Rotary to other cities.

Paul was also prominent in other civic and professional work. He served as the first chairman of the board of the national Easter Seal Society of Crippled Children and Adults in the U.S.A. and of the International Society for Crippled Children. He was a member of the board of managers of the Chicago Bar Association and its representative at the International Congress of Law at the Hague, and a committee member of the American Bar Association. He received the Silver Buffalo Award from the Boy Scouts of America for distinguished service to youth, and was decorated by the governments of Brazil, Chile, Dominican Republic, Ecuador, France and Peru.

Paul maintained his law office for most of his life. He spent much time travelling and was invited to speak to Rotarians at annual conventions, district and regional meetings, and other functions. When President emeritus Paul Harris passed away on 27 January 1947, his dream had grown from an informal meeting of four men to some 6,000 clubs. In the past five decades, the organization has grown to more than 27,500 clubs with 1.2 million members brought together through Paul Harris' vision of service and fellowship.

FROM THE EDITOR'S DESK

Dear Reader

Greetings!

It's a Pleasure and privilege to present to you the official mouth piece of Rotary Club Of Purulia – "VOICE" 2021-22 was a year full of activities and we certainly 'served to change lives'. This year let us 'IMAGINE ROTARY', imagine a world in peace , a world free from poverty & starvation, a world enlightened and educated. My endeavour is not only to bring out an interesting and informative e-Version of the annual bulletin but also the monthly bulletins to keep us all updated and informed about the course of actions. Monthly bulletins would keep us connected all round the year.

We as Rotarians reach the masses in the smallest and the biggest ways possible. As a Rotarian each one of us is a star and each one has some story to share. I would like you all to come forward with your contributions and make this bulletin release a grand occasion. Your feedback and suggestions are most welcome.

Know Our R.I. PRESIDENT 2022-23

Jennifer E. Jones

President 2022-23
Rotary Club of Windsor-Roseland
Ontario, Canada

Jones is founder and president of Media Street Productions Inc., an award-winning media company in Windsor. She was chair of the board of governors of the University of Windsor and chair of the Windsor-Essex Regional Chamber of Commerce. She has been recognized for her service with the YMCA Peace Medallion, the Queen's Diamond Jubilee Medal, and Wayne State University's Peacemaker of the year award, a first for a Canadian. Jones holds a Doctor of Laws (LL.D.).

As the first woman to be elected president, Jones understands how important it is to follow through on Rotary's Diversity, Equity, and Inclusion (DEI) Statement. "I believe that diversity, equity, and inclusion... begins at the top and for us to realize growth in female membership and members under the age of forty — these demographics need to see their own reflection in leadership," Jones Said. "I will champion double-digit growth in both categories while never losing sight of our entire family."

Jones has been a Rotary member since 1997 and has served Rotary as RI vic president, director, training leader, committee chair, moderator, and district governor. She played a lead role in Rotary's rebranding effort by serving as chair of the strengthening Rotary Advisory Group. She is the co-chair of the End Polio Now Countdown to History Campaign Committee, which aims to raise \$150 million for polio eradication efforts. She also led the successful #Rotary Responds telethon in 2020, which raised critical funds for COVID-19 relief and was viewed by more than 65,000 people.

Jones has also received Rotary International's Service Above Self Award and The Rotary Foundation Citation for Meritorious Service. She and her husband, Nick Krayacich, are members of the Rotary Foundation's Arch Klumph Society, Paul Harris Society, and the Bequest Society.

Rtn. Anand Agarwal,
Rotary Club of Purulia

I congratulate you on your installation to the office of club President at Rotary Club of Purulia, West Bengal, India.

The upcoming year promises to be one of the most joyful and rewarding years of your life.

As club and district leaders, you have such an important role to play. You can do so much to help create club experiences that are welcoming, inclusive and enjoyable for each and every member – and you can extend that same warmth and belonging to every participant who wishes to engage with our clubs.

If we serve our members, we serve our communities. And if we provide comfort and care for our members, they will truly come to understand the power of Rotary.

We all feel the impact that Rotary service and Rotary values have on us ... now it's our opportunity to share that feeling with others. This is a year to Imagine Rotary by envisioning a world that deserves our best, where we get up each day knowing we can make a difference. We don't imagine yesterday, we imagine tomorrow.

We imagine a world without polio, with clean water for everyone. We imagine a world free of disease and where every child learns to read. We imagine kindness, hope, love, and peace.

It is honor to work beside you as we guide our fellow Rotary members to another successful year. I am relying on you as we commit ourselves to *Imagine Rotary*.

Warmest regards,

IMAGINE ROTARY

Rotary International Theme for 2022-2023

Have you heard? Rotary International President-elect Jennifer Jones (who is also our first female president) has announced the 2022-23 theme Imagine Rotary. “Imagine, a world that deserves our best, where we get up each day knowing that we can make a difference.”

The theme is a special one: the theme graphic was designed by an Australian Indigenous artist to link with the Melbourne Convention in 2023.

Some of the symbolism includes:

Circle connections to one another

Dots around it - our people

There are 7 Dots for Rotary's 7 areas of focus

Circle + dots around it - a navigation star, our guiding light

Green solid line - digging stick (used when doing hard work); for us it's people of Action, represents the tools for getting things done

The colours purple, green & white - celebrate diversity, equity and inclusion

Freedom to express ourselves differently but still with a special connection Purple is also the colour of Rotary's Polio campaign

Green represents the Environment

White stands for peace; it also represents Empowerment and Newness and also the colours were utilised for the women's movement, highlighting the opportunity to grow our female membership.

Dist. Governor's Message

Dear President,

Mitali joins me in congratulating you as you don the mantle of leadership of your Club. Taking up any responsibility is always a challenge and I am confident that you will rise to the occasion!

I would thank your outgoing President and all your Club members for the dedicated service rendered by your Club during Rotary year 2021-22 as we Served to Change Lives.

Rotary year 2022-23 is very significant for all of us! For the first time in the history of Rotary, we will be having a Lady President of Rotary International in Madam Jennifer Jones from Canada, who has given us a uniquely innovative theme “IMAGINE ROTARY”.

I consider myself extremely fortunate to have the opportunity of working with her! Continuing with the initiatives taken by her predecessor - our very own Rtn. Shekhar Mehta, Diversity, Equity & Inclusion (DEI), Empowerment of Girl Child and Membership Growth will remain as her focus areas also.

Rotary, my friend is a journey! Once you embark upon this journey, you cannot give up in between! Rotary gives us enormous opportunities to make new friends, strengthen bonding with existing friends and together - we get the opportunity to serve mankind to the best of our abilities! Please keep in mind that 2022-23 is not my year alone! It is our year together!

The call to “Imagine Rotary” is there for you my friend! Go ahead and share your service, strengthen your Club and the community - with your imagination!

Best regards,

Yours in Rotary Service
