Serving Together

President's Message

My Dear Friends,

As I cross the half way mark to my term, I would first like to express my sincere gratitude to you all for unconditionally lending your support. I strongly hold firm to the hope that all of us have come on board to render selfless service to humanity, support, learn to encourage & ultimately change lives (or better still, change the world!)

We are members of this club since we want to be & have an avenue to be able to assist the community. There is strength in numbers for a team approach & there is the banner of Rotary under which we get a pathway to achieve our aims.

RI President Jennifer Jones wanted us as members to IMAGINE the possibilities in the change we can make to transform the World.

IMAGINATION IS THE VOICE OF THE DARING.

To IMAGINE, To DREAM, is a call for ACTION. A call for ACTION to make things happen.

But! We have to take ACTION, take the responsibility to make it happen. TODAY!

I look forward to your participation

Gratitude & Regards
