Wishing all my friends a Happy Independence Day!

Independence from the long British rule was possible only because of the struggle and sacrifices by our freedom fighters. They gave their present for our happy future. India celebrated the 75th year of Independence as Amrit Mahotsav. It was a celebration of what we as a nation have achieved in the last 75 years. The period now is Amrit Kaal. The period from the 76th year till the 100th year, post independence is the Amrit Kaal, the most auspicious time, which in Vedic astrology terms, signifies the perfect time to start a new venture). This is the time when bigger success can be achieved with

proper efforts; and it is pertinent that all of us must work towards a 'Viksit Bharat' (developed India).

Prime Minister Narendra Modi in his Independence Day speech has asked all citizens to commit themselves to the development of the entire human race. He has asked, every Indian

to focus on a 100% freedom from slavery. We must take pride in our Indian heritage and ensure that equal importance is given to unity and integrity which is the responsibility of all Indians.

It is only then we can again make our country, the proverbial 'GOLDEN BIRD'.

जहाँ डाल डाल पर सोने की चड़िया करती है बसेरा, वो भारत देश है मेरा ।

जहाँ सत्य, अहसा और धर्म का पग पग लगता डेरा, वो भारत देश है मेरा ।

**Happy
INDEPENDENCE DAY**

On 20th August Rotary Calcutta Mayfair had our fellowship, an Antakshari based on the theme of 75th Independence day. Hosted by our own member and Antakshari king Rajat Baid, the Members who trooped in in traditional Indian attire were a colourful sight to behold. All present in the Antakshari very much appreciated the effort put in by President Neha and President Elect Mamta Mohnot for the decor and the very well conducted Antakshari by Rajat.

Although only one team took away the first prize, all the teams felt winners as they enjoyed themselves a lot. Aaditya and Sweta Jhunhunwala were declared the best dressed couple. The program was followed by drinks and dinner.
