Message from Rotary International President

Dear Indra,

I congratulate you on your installation to the office of President, Rotary Club of Belur.

I hope the upcoming year will be challenging, yet fulfilling. This year, we note all the ways that we Serve to Change Lives. Service is the rent we pay for our time on earth and we will expand Rotary service as we "grow more and do more." We will grow through "Each One, Bring One." If every Rotary member could bring just one more person to Rotary, there is no limit to how much we can grow. We will do more by putting a special emphasis on empowering girls, so young women can have improved opportunities worldwide. We will also feature Rotary Days of Service, so that all members share in our good works around the globe and look for new ways to serve beyond their backyards.

In Rotary, we are empowered to confront some of the world's most critical and widespread humanitarian issues. When we vaccinate an infant against polio, teach a young adult how to read, or bring water to a village by building a well, we are creating a better world for future generations. We serve the global community, and we're just getting started.

It is honor to work beside you as we guide our fellow Rotarians to another successful year. I am relying on you as we commit ourselves to Serve to Change Lives in 2021-22.

Sincerely,

Shekhar Mehta

President, Rotary International 2021-22

Dear President Rtn. Indra ji,

I am very glad to know that you have been selected to lead Rotary Club of Belur as President in the year 2021-2022. Your commitment and dedications have helped you to rise to this position. Rotary Club of Belur is known for its innovative and sustainable service projects. The club has also produced so many leaders, who have contributed immensely in the District administration and beyond.

As the leader of your club in the year 2021-2022, you have got an opportunity to plan and undertake sustainable need based projects to bring hope & happiness in the lives of underprivileged people. It will not only bring changes in the life of beneficiaries, but it will also give you a great sense of satisfaction.

Rtn. Hira Lal Yadav

District Governor Nominee 2023-24, RID 3291

FROM THE DESK OF THE PRESIDENT

Dear Rotarian,

Firstly, from the bottom of my heart I wish all my club members & myself a wonderful Rotary Year & I take this opportunity to say THANK YOU to all the past presidents & The Rotarians who; through their leadership, took the Rotary club of Belur to newer heights.

Men all over the world talk of women empowerment but how many are really ready to accept a female leadership? Our International President Shekhar Mehta wants us to empower women and my dear members you have already shown the Rotary fraternity the path. I am honoured to be acknowledged by you all without any biases.

You my club members have shown the support, the enthusiasm and have brought the change in our club. I am honoured to be your 55th Club President and the 1st lady president of RC BELUR. We can do much more.

Now, I like to emphasise that whatever is the situation, we have to find inspiration; irrespective of the criticism thrown openly or from behind doors, because at the end of the day satisfaction comes from within. The one who has not seen the intent will see it one day & the one who doesn't want to see will not. With these thoughts I will keep on walking on the path & we all will try & evolve ourselves.

These trying times of pandemic are giving us more opportunities to serve. Limitations are forcing us to look beyond. Learning is the key & determination is the password & we will find both. I am lucky to have Rtn Sharad Dugar to act as Club Secretary for this year. Truth is I am looking forward to working with my entire team; they are already showing the much required support.

Each of us will bring new members and increase our strength as they say 'The more The merrier' and I would like to add; 'The merrier we are the more we serve'. When we are in love with our community, we want to do better for them, for us and that is what Belur is.

Together we will "Serve to change lives" on the line of year's Theme.

Indra Goenka, *President, 2021-22*

MESSAGE FROM OUTGOING PRESIDENT

It's with great pleasure I am penning these words as the immediate past president of the Rotary Club of Belur.

It was not an easy task to maintain the legacy of such a descent club during the worst pandemic situation. As a team we have managed to pull off a 'wonderful year' with a lot of joy, hard work and most importantly believing in our self.

I would like to thank my wonderful, dedicated Board and members along with spouses of the Club, who helped me to carry this club forward and making many projects successful.

I also take this opportunity to appreciate the efforts of our dedicated secretary Rtn. Amar Malhotra treasurer Rtn. Rakesh Almal who have cheerfully worked behind the scenes and facilitated the smooth running of the club.

As the mantle has now passed on to Rtn. Indra Goenka, the new President, and a new team, I wish them all the best and at the end of the day, I hope they experience as much joy and gratification from carrying out this work.

Warm Regards

Yours in Rotary

REPORT ON 1st JULY

Thursday, 1st July, The Onset of The New Rotary Year, always coincides with Doctor's day in India and this day was celebrated by Rotary Club of Belur with the felicitation of doctors & Nurses from different hospitals:- The few heroes we got a privilege to honour are:-

Gynecologist Dr Rajrani Agarwal, who still volunteers her services at age 70.

Eye Surgeon of Susrut Hospital Dr Ratish Chandra Paul & 5 other doctors from that hospital.

Covid warriors Dr Sarbari Swaika & Dr Abhijeet who work at Shambhunath Hospital full-time with full dedication.

Dental World Dr Ustav Butta & 10 other doctors, who abide by all COVID protocols for the safety of their patients.

As COVID protocols had to be followed, thus we restricted the participation to only a few members for felicitation of doctors..... our way of saluting our Brave Hearts. And as the Environment is one of the focus areas of Rotary, we chose to gift plants to all these doctors. This was our way of creating awareness for the environment.

Again we took the opportunity to give only those plants which can be used in the kitchen for tea etc. We tried to campaign & made them aware of the medicinal quality of plants.

Our Interactors from MCKV also joined in by making posters & preparing a video. They played a skit to Thank doctors & create awareness on health.
