Charter Presentation
Ceremony of
Rotary Club of Belur
5th August 1967
President Late Mohanlal
Agarwal and Secretary
Binoy Bose is in the
picture.

Our club received the Charter certificate from Rotary International Head Quarters at Evanston, USA on 5th August 1967. Thus we celebrate our Club Charter Day in the early part of August on a convenient day. The point that needs to be noted is that in those days matters would not move as fast as it is nowadays. It would take days for a letter to reach from USA to India or vice versa. Hence the whole procedure of formation of Rotary Club of Belur till the receiving of our club Charter certificate took over 2 years. The two photographs printed in this edition also present a contrast of the bygone era of Black and White pictures and coloured picture of recent times.

Best Wishes to all Belurians on our Charter Day

Water project

JAL SAMRIDDHI: Rotary Club of Belur has started another project related to community development. We want people to receive basic things in life & for that we have started putting Tube wells in different areas. Today we have inaugurated two tube wells in Azimganj Murshidabad .

Azimganj is located on the other side of the Bhagirathi river and to reach Murshidabad the people used to take a boat ride. Station is also there. Bari Kothi has an unique experience to offer & our Rtn Sharad Dugar belongs to the Choti Kothi. He himself sponsored both the tube wells & we have plan to add more tube wells at the same place.

The water is available there within 70 -80 ft & that helped us to install the Tube Wells without much complications.

RI President's Message - August 2021

As we focus on membership in Rotary this month, I ask you to help make history this year. For more than 20 years, our membership has stood at 1.2 million. Rotary is a vibrant organization with a 116-year history, members in more than 220 countries and geographic areas, and a rich legacy of work in polio eradication and other humanitarian programs. Rotary has changed so much in our own lives and the lives of others. As we Serve to Change Lives, don't you think Rotary could have an even greater impact on the world if more people were practicing Service Above Self?

My vision is to increase Rotary membership to 1.3 million by July 2022, and the call to action is simple: Each One, Bring One. This year, I want every Rotarian and Rotaractor to introduce a new person into their club.

We are a membership organization, and members are our greatest asset. You are the ones who contribute so generously to The Rotary Foundation. You are the ones who dream big to bring good into the world through meaningful projects. And of course, you are the ones who have put the world on the brink of eradicating polio.

As we make membership a priority this year, let us focus on diversity by reaching out to younger people and especially to women. Every club should celebrate its new members, and every Rotarian who sponsors a member will be personally recognized by me. And those who are successful in bringing in 25 or more members will be part of our new Membership Society.

Even as we share the gift of Rotary with others, let us be sure to engage these new members, because an engaged Rotarian is an asset forever. And remember that engaging our current members and keeping them in our clubs is just as important as bringing in newcomers. Let us also be ready to form new clubs, especially flexible ones. I am very bullish on clubs that hold virtual or hybrid meetings, and satellite clubs and cause-based clubs can also be very effective ways of growing Rotary.

As you grow more, you will be able to do more. Let us keep empowering girls through our work in each of the areas of focus. Scholarships for girls, toilets in schools, health and hygiene education — there is so much we can do. Projects focused on the environment are also attracting interest the world over. Do participate in these projects locally and internationally to make this world a better place for us and for all species.

Each of you is a Rotary brand ambassador, and all of the wonderful work done by Rotarians around the world needs to be shared outside the Rotary community. Use social media to tell your friends, colleagues, and relatives the stories of Service Above Self.

Finally, I'm challenging every club, during the coming year, to plan at least one Rotary Day of Service that will bring together volunteers from inside and outside Rotary and will celebrate and showcase the work of your club in your community. Visit rotary.org to find out more about all of these initiatives, along with other ways to Serve to Change Lives.

Shekhar Mehta, *President 2021-22*

BE RECOGNIZED FOR STRENGTHENING ROTARY'S MEMBERSHIP

To recognize those who have demonstrated extraordinary commitment and success in growing our membership, we have launched a new recognition program. The Membership Society for New Member Sponsors is a virtual gallery for those members who have sponsored 25 or more new members. Members can achieve different tiers of recognition as they continue to sponsor more members.

The recognition levels are:

- Bronze Level: Sponsored 25-29 members
- Silver Level: Sponsored 30-49 members

- Gold Level: Sponsored 50-74 members
- Platinum Level: Sponsored 75+ members

To be included in the Membership Society, an individual has to have sponsored 25 or more new members, and have reported those sponsorships to Rotary. New member sponsorship can only be between active members in the same club, and does not include charter members of a new club.

Contact us with any questions you may have about the new recognition program.
