D from the Indian Statistical Institute, Kolkata. She is also an active Rotarian of Rotary Calcutta Dalhousie.

## National Chartered Accountant Day

July 1, 2022, in India is being celebrated as the 74<sup>th</sup> Chartered Accountants' Day to commemorate the establishment of the Institute of Chartered Accountants of India (ICAI) by an Act of the Parliament in 1949.

Founded a year before the Constitution of the country was formalized, the ICAI counts itself among the oldest professional institutions in the country. It is the second largest professional accounting and finance body in the world in terms of members, with a current roster of about 2.5 lakhs members.

It is the only profession in India that is licensed for the purpose of financial audit of any organisation and across the globe. It is the second-largest body imparting education related to accounting and finance.

It is undoubtedly a matter of pride to be a member of such a big and esteemed body and so to honour these members and their existence, every year we celebrate CA day on 1<sup>st</sup> July.

We at RC Belur, celebrate the contribution and service CA members of our club on this day and will be facilitating them.

## National DOCTOR'S DAY

The Second Chief Minister of West Bengal, Dr. Bidhan Chandra Roy believed that only a healthy person who is strong in mind and body can ever dream of achieving India's freedom i.e. Swaraj. His relentless contribution to the welfare of women was exemplary and reflects his vision for social empowerment.

Dr. Roy encouraged women of all classes and communities to come forward and avail medical treatment in the Seva Sadan started by him and his team. His training center helped women learn about nursing and social work, and in turn, spread the knowledge forward. After his death, the house he lived in was turned into a nursing home as per his wish. It was named after his mother, Aghorkamani Devi.

In India, Doctor's day marks the birth and death anniversary of the legendary physician Dr. Roy the second Chief Minister of West Bengal in his honor by recognising each and every person related to the field of medicine for their tireless efforts and dedication towards the patients.

Our own Rotarian Doctor friend have been doing yeoman service to the nation through their own committed initiatives and various health and medical projects where they volunteer their services to help the needy.

Doctor's Day is celebrated on different dates in different countries. The US celebrates it on the 30<sup>th</sup> of March, Brazil on 18<sup>th</sup> of October, Canada on 1st May, in Cuba this day is a holiday observed on the 3<sup>rd</sup> of December and in Nepal on 4<sup>th</sup> of March, among other countries. In India, we celebrate it on the 1<sup>st</sup> of July ie Dr. Roy's death anniversary, every year.

We take this opportunity to Salute all the Doctors of the world for their amazing contribution to the community.

# What's UP doc!

**National doctor's day coincides with international joke day. So let's enjoy some of the best two liners :**

Man: my wife is pregnant and there is no time

**Doctor: is this her first child**

Man: no , you idiot ! This is her husband

Patient: doctor, what should I do if my temperature goes up

**Doctor: SELL**

What did one tonsil say to another tonsil

"Get dressed up"- the doctor is taking us out

Patient: I always see spots on my eyes

**Doctor: didn't new glasses help**

Patient: yes, now I can see spots more clearer

What you do not you want to hear from a doctor after surgery !  
" where is my watch"

Secretary: Doctor , there is a patient on line who says he has become invisible

**Doctor: Ok. Tell him I cannot see him right now**

I told my **Doctor** that I broke my arm in two places.

**She told me to stop going to those places.**

Patient: Doctor my son has swallowed a pen. What can I do?

**Doctor: Use pencil till I come**

What is the best place to hide from a **doctor... The Apple Orchard**

Patient: Doctor doctor I keep seeing into the future

**Doctor: when did this started**

Patient: next Tuesday

Patient to a friend: I inform the doctor today about my loss of memory

Friend: what did he prescribed !

**Patient: to pay him in advance**

Doctor: I accidentally left my gloves in your stomach and I have to open up again

**Patient: are you kidding! Here's 100/- note. Go and buy a new pair.**

Patient: doctor doctor I need glasses

**Teller: you certainly do. Instead of clinic you are in Bank**

Doctor: how is your headache ?

**Patient: she is out of town.**

July 1 begins the new Rotary Year, with new leadership and board to keep the wheel of service, goodwill and spirit to do well on the roll.

Today, becomes even more auspicious as we are also celebrating the Rath Yatra, also known as the Chariot Celebration of Lord Jagannath, Goddess Subhadra, and Lord Balabhadra, is marked with much enthusiasm and fervour according to Hindu calendar.. India, also celebrates National Chartered Accountant's Day and Doctor's Day today.

Rotary Club of Belur, amalgamates the spirit of celebration with four projects today.
