MESSAGE OF DISTRICT GOVERNOR, 3291

MESSAGE OF RI PRESIDENT

RTN. AMITABH MOHAN
PRESIDENT
RC BELUR

Dear Amitabh,

Mitali joins me in congratulating you as you don the mantle of leadership of your Club. Taking up any responsibility is always a challenge and I am confident that you will rise to the occasion!

I would thank your outgoing President and all your Club members for the dedicated service rendered by your Club during Rotary year 2021-22 as we Served to Change Lives.

Rotary year 2022-23 is very significant for all of us! For the first time in the history of Rotary, we will be having a Lady President of Rotary International in Madam Jennifer Jones from Canada, who has given us a uniquely innovative theme "IMAGINE ROTARY".

I consider myself extremely fortunate to have the opportunity of working with her! Continuing with the initiatives taken by her predecessor - our very own Rtn. Shekhar Mehta, Diversity, Equity & Inclusion (DEI), Empowerment of Girl Child and Membership Growth will remain as her focus areas also.

Rotary, my friend is a journey! Once you embark upon this journey, you cannot give up in between! Rotary gives us enormous opportunities to make new friends, strengthen bonding with existing friends and together - we get the opportunity to serve mankind to the best of our abilities! Please keep in mind that 2022-23 is not my year alone! It is our year together!

The call to "Imagine Rotary" is there for you my friend! Go ahead and share your service, strengthen your Club and the community - with your imagination!

Best regards,

Yours in Rotary Service

Club Presidents –Rotary Year 2022-23- of District 3291

I congratulate you on your installation to the office of 2022-23 Club Presidents of District 3291, West Bengal, India.

The upcoming year promises to be one of the most joyful and rewarding years of your life.

As club and district leaders, you have such an important role to play. You can do so much to help create club experiences that are welcoming, inclusive and enjoyable for each and every member – and you can extend that same warmth and belonging to every participant who wishes to engage with our clubs.

If we serve our members, we serve our communities. And if we provide comfort and care for our members, they will truly come to understand the power of Rotary.

We all feel the impact that Rotary service and Rotary values have on us ... now it's our opportunity to share that feeling with others. This is a year to Imagine Rotary by envisioning a world that deserves our best, where we get up each day knowing we can make a difference. We don't imagine yesterday, we imagine tomorrow.

We imagine a world without polio, with clean water for everyone. We imagine a world free of disease and where every child learns to read. We imagine kindness, hope, love, and peace.

It is honor to work beside you as we guide our fellow Rotary members to another successful year. I am relying on you as we commit ourselves to *Imagine Rotary*.

About DG Ajoy Law

As I take a journey back in time and reach the year 1999 - I find that I am planning the training program for the incoming Club leaders along with the District Trainer PDG Anjan Kumar and District Secretary Debasish Mitra (now a PDG) - little did we know then that among the incoming President's of the new Millennium a few were being set as the future leaders of our District and the country. With RI Director-Elect Anirudha Roy Chowdhury, PDG Nayantara Palchoudhury, the company has now been added by our current Governor Ajoy Law.

Ajoy - as I remember - was a shy, soft-spoken, sensitive President who spoke less but translated his understanding and learning into action. Very unassuming by nature but always ready to help, I recall the several meetings that we had at the Laha bari - a palatial building in North Calcutta which is a symbol of the tradition and art of Bengal.

The Poila Baisakh get-together in the most traditional way in Rotary started at Laha Bari for me and Ajoy & Mitali boudi must be credited to continue that tradition and enrich us Rotarians with the rich cultural traditions and values of Bengal. DG Ajoy is also associated with Sutanati Parishad and helps promote the Art of Bengal including the dance & drama forms of Rabindranath Tagore.

His love for Nature is divine - he has a penchant for gardening - he himself tends to the plants very delicately and has a large variety of plants and flowers in his garden - a luxury for someone residing in Kolkata. He is tall but loves Bonsai plants - opposites attract

I suppose ! Besides the plant and vegetation - his love for the animals is equally intense.

An avid dog-lover, he is a key member of the Canine Clubs and societies in Kolkata. I was not aware that there were three large bodies that look after the members of Canine in Calcutta - Kennel Club of India, Calcutta Canine Club and Calcutta Kennel Club and he is not only associated with all of them but is part of the managing team there.

His profession involves pharmaceutical products marketing and got him into Rotary. In 2000-01 he was President of the Rotary Club of Calcutta River bank and Mitali boudi was also a member there and the Bulletin Editor that year - what a wonderful combination you can imagine - project action and reporting were simultaneous. Silent working and Effective reporting - a true symbol of Rotary in Action. From River Bank he settled in Dalhousie and has held all important positions in the District - District Secretary, District Treasurer, 5 times Assistant Governor covering both Administration and Service - that means a lot to build a good Governor.

DG Ajoy's love for vintage is well-known - be it art or architecture but more important than that is the Vintage Car that he possesses. Anupa & Anwasha are the fortunate daughters of Ajoy & Mitali and pursuing their professional pursuits - a wonderful family who shall be at forefront for the year. A creative District Governor following the Imagine Rotary call of the first Lady President of RI - Jennifer Jones.

My best wishes to my President and Mitali boudi !!

PDG Ravi Sehgal

I am glad that Rotary Belur is going to install Amitabh as 56th President of the club for 22-23 Engaging members through meaningful responsibility To better engage members, Rotary needs to "adapt and retool," Jones RI President said, using her hometown as an example. Windsor was once the automotive hub of Canada. But after plant closings left thousands without work, the city needed to retool, in the same way an auto plant would, preparing for new parts or a new model. Now, Jones said, Windsor is a leader in agribusiness and medical and aerospace technology.

For Rotary, "finding the right 'part' to engage each member should be our core function," Jones said. "It comes down to the comfort and care of our members."

Engaging members is crucial to retaining members, she said, adding that we need to ask members what they want to get from Rotary and give them meaningful responsibilities----

Imagine, a world that deserves our best where we get up each day knowing that we can knowing that we can make a difference Amitabh and especially Belur has a bigger role to play to strengthen our organization in the year 22-23 by Imaging Rotary to change Lives in our RCC , through our strong Rotaract and Interact Clubs and within ourselves too by adding more members.

With best wishes and assuring my Services at all times to come

Dear President **Amitabh**,

Ballari joins me in congratulating you as you take up the responsibility of leading your Club in following the theme for the year, 'Imagine Rotary'.

District looks up to your club for some meaningful service to the mankind. I'm sure under your able leadership **Rotary Belur** would gift a memorable year to the district.

It is more so, Jennifer E. Jones makes history, becomes first woman Rotary International President; a groundbreaking selection in the organization's 115-year history, a proud moment for Rotary.

As we have stepped into the second century of Rotary Service, strengthening our Clubs, our very roots, has become the order of the day! To retain members and strengthen our clubs, we must keep in mind, every Rotarian joined Rotary to contribute something for a cause and has some expectations from the Rotary Club; to retain members, make sure that every member of the club is involved and satisfied. General Secretary of Rotary International & The Rotary Foundation, John Hewko, urged Rotarians to think out of box, embrace flexibility, focus on engagement rather than attendance! We need to change!

You would have to devise an innovative way to run and manage the club; a new thought, how to take up Service Projects!

I wish you and your team a great happening year ahead.

Club Officers Training Seminar

The training was conducted in 2 sessions. 1st session was done by club trainer PP Rtn Navin Khandelwal who started the proceedings with his welcome address. Thereafter he invited President elect Amitabh Mohan to share his vision and goals for the forthcoming year with the club officers. Rotarian Mohan acknowledged the commendable effort taken by President Indra Goenka 21-22 as well as her team's incredible work, acknowledging the challenges that all of us have faced due to the pandemic in yester years. He emphasized that we had lost quite a few physical meetings which may have affected that personal touch. Rtn Amitabh felt since the physical connect was limited because of the pandemic, he stressed that during the current year one of the major focus area would be to get The Family of Rotary Club of Belur to bond together in each other's physical company through fellowships. The purpose being to combine this togetherness by means of fellowship with sharing of ideas in order to help our club conceptualize new projects as well as execute ongoing projects. This is going to be the vision during the ensuing year. He also informed members that we are going to provide continuity to work such as wash project and plan to take it to the next level. Even the project of avoidable blindness needs to be revisited and reviewed in essence and future plan in respect to Drishti project to be worked upon. Rotary Belur has been doing excellent global Grant projects in community service and we would like to continue with the same in future. Education and environment being other very important needs of the hour, President elect Amitabh emphasized in doing some Mega projects in these areas. He opinionated upon all the board of directors and club officers to come forward and suggest the blueprints that they would like to lead in the coming Rotary Year 2022- 23. After

sharing his Visions and Goals he handed over the proceedings back to club trainer Rotarian Navin Khandelwal.

Rotarian Navin further deliberated on the pros and cons and urged club officers to plan goals in their area of work and share their roadmaps for translating Presidents imagination into project reality. A productive brainstorming generated good number Of plans for execution. After a short Tea/ coffee break the Second session involved all Members and Spouses and it started with formal RCM conducted by by President Indira & Secretary Sharad followed by Address from AG Sunny Kollanoor and ZS Dilip Chowdhury. EDITOR MESSAGE

Dear Friends,

Warm greetings!

The sun never sets in Rotary. The cycle of service with fellowship only evolves for better every Rotary year with more dynamic leadership.

Heartiest congratulations to President Amitabh, the new board and his team on being at the helm of leadership of a very vibrant club of RI District 3291. Amitabh, be the leader who knows the way, goes the way and shows the way. This is your chance to stand up and be counted. Armed with positive thinking and a demeanour worthy of good Rotarian, you are well poised to make a mark this year.

Being the first lady Editor of RC Belur, I thank you all for the faith instilled in me. I would like to share how I feel Rotary.

I will use the quote by Tagore, "God sees in me not his servant but Himself who serves all."

As Life happened, and as I evolved, and as I became a seeker with my spiritual quest, this quote became a Verb in my life resonating with the Spirit of Rotary My spiritual practices is like inhalation and service through Rotary is like exhalation. The cycle- balanced and in harmony, is symbolic that I AM alive. I really look forward to learn, grow & contribute under the leadership of President Amitabh.

I would like to congratulate IPP Rtn Indra Goenka, for completing her tenure in grace and splendour. The charioteer of the RC Belur, IPS Rtn Sharad Dugar, thank you for your benevolent presence!

Together the journey begins! Let us etch memories to treasure for lifetime and create history as always.

Cheers!

OUTGOING PRESIDENT

Hello My Fellow Members ,Finally you have elected me,Indra Goenka in 55 years ,your 1st female President & I have completed my term also. It's an achievement given the circumstances & the pressure of inside/outside. Without doubt, I was privileged & honored to be there as your President in 2021-22. The past year was one of the very stressful years of my life but nevertheless it gave me the opportunity to grow as a person.

I met a few very genuine people & understood others in a better way. Most of our club members are so generous,dependable & true to their heart. It was only because of their support that I was able to continue during my term.

My special thanks goes to PDG Ravi Sehgal & PP Rtn Kishan Kejriwal who, being senior, gave their support to the club whenever possible.Special thanks to Rotarian's R.K Bubna,B.D Agarwal,Rajrani Agarwal,Subhas Agarwal & few others.Rtn Rashmi Patwari, Rtn Ammit Bhutoria , Rtn Santosh Mohta & Club Secretary Rtn.Sharad Dugar, were the pillars of strength throughout.

DG Prabir Chatterjee made this year the most active years of Rotary & RI President Shekhar Mehta added fuel to the fire. They kept all the president's on their toes. My special thanks to the RI President for giving support throughout & making this journey worthwhile by keeping the interaction high.

I was not able to do everything but have done many & learned a lot;hopefully able to make the members more aware of Rotary. During the start of my year I made some goals & was able to achieve even outside of those goals. Flexibility was the key & it was the passion which worked. We have done fellowship starting with COTS,Installation(reached to all the individual members & others with snack boxes/folders/gifts) &

finally the real fun with Holi,Diwali,Charter day picnic,Eden Garden picnic,Monsoon breakfast at SSK & much more.

Not all my visions became reality. Failure to do 4 Way Test Award, Water Kiosk Project,not able to convince 3 members for My Rotary Account,not starting a new Global Grant Project & a fund raising project . But the successful completion reports on all the ongoing Global Grants, finding ways for doing our Eye Project in a more visible & inclusive manner,involving our Rotaracts & Interacts;including formation of new Rotaract Club Ecospace Belur. Successful amendment of Club ByLaws,involving the most number of members for our projects & club activity by doing lots of local projects involving RCC,VrikshaRopan & DivyaDanam. We have reached with help to the far flung areas of Midnapore during the disaster. Our Wash project took the speed even when half the year schools were closed & now the due inauguration can be done by the President Amitabh Mohan.

Our club became the torchbearer for others because of the way we have started from the 1st month with Blood Donation etc.

In conclusion,I can only say to the Incoming President Amitabh Mohan that don't stop at anything because obstacles can be many but doing what you started gives you greater satisfaction. Since I am recovering from COVID regret for not being able to help for the Installation etc but wishing the best to the current team.

Yours in Rotary

President-Indra Goenka 2021-22, Rotary Club of Belur

INCOMING SECRETARY

MY FAMILY, BELUR FAMILY. Since the day I was inducted into the Rotary Club of Belur I felt that there is something about this group of individuals. My curiosity grew with every function and every event that I attended, whether it was fellowship or projects. I realized that this family had in it Guides, Mentors, Fatherly figures, Motherly warmth, Brothers, Sisters and above all Friends. A family who was by your side to laugh with you, to allow you to share your ideas, correct you, guide you and above all ready to accept the path chosen by you. This is why one feels overwhelmed when responsibility is bestowed on you to carry on the mantle of trust created by a legacy of stalwarts. I am honoured to be the Secretary in the year 2022-23 and hope to give 100% to keep the flag of Belur family flying high. My efforts shall always remain to keep Belur as an Inclusive Family to help row our Boat of Service reach unchartered shores. Imagine Believe Achieve --- **Secretary, Anand Agarwal 2022-23**

GREETINGS FOR AMITABH FROM CLUB MEMBERS

There's so much excitement in the club in having Amitabh as the President of Belur. He is the 56th President, resulting in Angel Number 11 - reveals the fact that you are destined for greatness. The slogan starts now onwards... Hum Saath Saath Hai. AM here's our good wishes and tons of happiness to you & family (Includes this extended family too)

-Ann Geeta & PP Rakesh Bhatia (President 18-19).

At the time of my joining club, its membership was hovering around 32, majority of them being past presidents. However, due to their exemplary involvement and activities, our club was held in high esteem in the Dist. Personally for me there have been highs and lows in the club. Overall, I feel proud to be a rotarian; I am enjoying being in rotary. At present our club has gained strength and variety. It is good that younger ones are joining and taking responsibility. Spirit of rotary is effervescent. The dedication of some members e.g. Bubnaji is awe inspiring. Rotary imparts wholesome experience. The more you involve yourself, more you get out of it. Just a year after I joined rotary, it was forced to admit women in rotaty due to order of US Supreme court. The wheel appears to have turned full circle, as we find one women at the helm.

This year the theme is imaginative, everything gets done only after imagination. So many imaginations, which appeared to be wierd or impossible were subsequently materialised. Imagination is like a dream which you dream while awake. Let's imagine and enjoy turning those imagination into realities. I extend my heartfelt congratulations and best wishes to the TEAM BELUR 22-23 led by President Amitabh. **-PP Rtn. Shiv Kumar Lohia**

Dear President Amitabh,

Please accept my warm congratulations and best wishes for your success for taken up the responsibilities and challenges for the high office of club Belur. -PP Rtn. Alope Kr Kanodia,

1. President Amitabh, you are an energetic person with full of positivity.
2. This year will be a great year for RC Belur under your steward leadership
3. You have already started your year with a big bang.
4. March forward with vigour and energy- we all Belurians are at your beck and call.

- PP Rtn Tarun K Pal

My heart goes out to wish my very dear friend Amitabh a very successful Rotary Year. May our Club see the Zenith and Belur's Glory shine with the responsibility bestowed on him. 3 Cheers
