## INAUGURATION OF UNIT OF REHABILITATION OF CEREBRAL PALSY CHILDREN ON 18.9.2022

Cerebral Palsy, is scourge the word over, in India itself it is estimated about 3 in 1000 live births are afflicted with some kind of Cerebral Disorder. It is only now that we are realizing the enormity of the Challenge. And our Global Grants# 19-80213 of USD 1,07,144 is small step towards meeting this challenge. And yes "We still have miles to go before we rest!"

Our international partner in this project is Rotary Club of Moorpark, District-5291, USA. PP Rtn James Lewis of RC of Moorpark has been our pillar of strength for decades and we have done so so many projects with Moorpark that is would take pages to list them all. We shall remain eternally grateful to PP Rtn James Lewis and the members of RC of Moorpark.

Our lifelong partner MSS, is probably the best organization in India who can handle this challenge and shares our vision of self-less service.

As the first step we inaugurated their basic pilot unit on 18th September, 2022. We are thrilled to report the first few months we have had over 1200 registrations and are already treating 350 kids per month. It is to be noted that the initial equipment was chosen after a Pan India joint search by MSS and RCCM members. Unfortunately, this project was delayed due to COVID for almost two years but we are now ready to spend the balance 75 Lacs on starting a full-fledged unit in Joka where MSS is putting up a world class CP unit for the Rehabilitation of Cerebral Palsy Children.

We hope this unit will be the best in Asia, if not the world, and people will come from far and wide to get treated here. Again, MSS is probably one of the very few organizations who treat patients for free without any Government support. MSS also has probably the lowest expense on overheads - 1.5%, whereas in some organizations the overhead can go up to 30%. This is primarily due to the hours of volunteer work given by all MSS members on a regular basis. This is what makes MSS and ideal partner for RCCM.

As usual, MSS organized the formal inauguration in its usual professional manner.

After a sumptuous breakfast the Unit of Rehabilitation of Cerebral Palsy Children was inaugurated in presence of President Rtn Dr V K Nevatia and members of RCCM and President of MSS Shri Vijay Choraria and their members. As usual the blessings from PP Rtn Sohanraj Singhvi and President Emeritus of MSS-Shri J S Mehta were inspirational for all.

MSS ensured that the said unit was vibrant with beneficiaries and there was a live demonstration of all the equipment's installed. We were all very happy to see smiles on the faces of all beneficiaries and their parents. Finally, they had hope that their child could overcome the disease and become a contributing member of the society.

The highlight of the day when MSS presented one Cerebral Palsy Child, who had come to them when he was unable to speak anything but due to the sincere efforts of MSS, the child was now able to speak fluently. Moreover, he also recited a poem in front of all of us and was so excited that he did not want to give up the mike. This success of this project was visible and encourages us to take on more challenging projects for physically and the mentally challenged.

Both the President of RCCM Rtn Dr V K Nevatia and MSS Shri Vijay Choraria addressed the audience and promised to continue the journey, which we started together and continued since the inception of the both organizations, RCCM and MSS, in the year 1987.

RCCM was represented by 14 members, a record in recent memory at MSS. RCCM was represented by Rotarians, Dr V K Nevatia, Rakesh Kumar Goel, Dr Naresh Goyal, Utpal Chatterjee, Sohanraj Singhvi, Gaurang Jalan, Lalit Beriwal, Roshni Beriwal, Harsh Rungta, Sashi Dhacholia, Runjhun Gupta, Rajshree Jain, Rajiv Tibrewal and Namrata Bengani.

## The Objective of Rotary

The Objective of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

### First

The development of acquaintance as an opportunity to service;

### Second

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

### Third

The application of the ideal of service in each Rotarian's personal, business, and community life;

### Fourth

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## ROTARY CODE OF CONDUCT

### As a Rotarian, I will

1. Exemplify the core value of integrity in all behaviors and activities
2. Use my vocational experience and talents to serve in Rotary
3. Conduct all of my personal, business and professional affairs ethically, encouraging and fostering high ethical standards as an example to others
4. Be fair in all dealings with others and treat them with the respect due to them as fellow human beings
5. Promote recognition and respect for all occupations which are useful to society
6. Offer my vocational talents: to provide opportunities for young people, to work for the relief of the special needs of others, and to improve the quality of life in my community
7. Honor the trust that Rotary and fellow Rotarians provide and not do anything that will bring disfavor or reflect adversely on Rotary or fellow Rotarians
8. Not seek from a fellow Rotarian a privilege or advantage not normally accorded others in a business or professional relationship

## THE 4 WAY TEST

Of the things we think, say, or do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

## DISTRIBUTION OF SPECTACLES AT PLC ON 28.09.2022

We distributed spectacles to those students of PACE Learning Centre, who during the Eye Check-up held on 23.08.2022 were found to be needing power spectacles.

## SMILE AT LAST

Last year, when we distributed New Clothes before the Durga Puja Festival at two Orphanages i.e. Notun Jiban Shelter Home, Kalighat and Save the Orphans & Old Age, Bansdroni, we had a very pleasant experience. The moment we gave the new clothes particularly to the sex worker's children at Notun Jiban Shelter Home, they, then and there, wore the clothes and the smile and happiness was worth seeing. We were all happy to see the reaction of the children and resolved that every year we will continue with this project and bring the smile and happiness to them.

Taking the cue from last year, we again organized the distribution of New Clothes and shoes before Durga Puja Festival at Notun Jiban Shelter Home, Kalighat and Save the Orphans & Old Age, Bansdroni on 27.9.2022 with our Rotaract Club of Calcutta Metropolitan.

Our Club was represented by President Rtn Dr V K Nevatia, PE Rtn Rakesh Kumar Goel, PN Rtn Sashi Dhacholia and Rtn Runjhun Gupta and Rotaract Club was represented by their PP Rtr Subham Mahanta, Treasurer Rtr Tarun Chawdhury and other members.

### SAVE THE ORPHANS & OLD AGE

We distributed New Clothes to 63 children. This naturally brought smiles and happiness to the children and their joy to have new clothes was highly gratifying. In a very disciplined manner, they collected their clothes. We hope they will enjoy their Puja more happily.

Here our Rotaract Club of Calcutta Metropolitan played a very important role in locating this NGO, which is in dire needs of lot of facilities. Our RCCM team listened to their various problems and we hope we may be able to help them so that inmates staying there can have a more comfortable life and education.

## NOTUN JIBAN SHELTER HOME

After Bansdroni, our next destination was Notun Jiban Shelter Home, Kalighat, where children were waiting anxiously for our arrival. They are all children of sex workers. Happiness was quite visible on all 23 faces when they received new clothes according to their sizes.

The surprise of the day was handing over of shoes to each of them according to their size. They were visibly touched with such gesture from us but then the credit

goes to our Rtn Runjhun Gupta, who floated this idea. Thanks, Rtn Runjhun.

Just to remind that last year we had repaired the entire roof of their building, which earlier used to have serious leakage problem. We were quite happy to know that there was no leakage from the roof despite heavy rains this season as informed by the management of NGO. This will certainly encourage us to do such projects in future helping the needs of people and NGOs.

## DISTRIBUTION OF SANITARY NAPKINS AND INNER WEAR GARMENTS TO THE WOMEN VILLAGERS OF NABADIGANTA ON 25.9.2022

As we all know, the medical fraternity is always concerned about the Hygiene particularly in case of the women folk of villages. In line with this and looking at the condition of women villagers of Nabadiganta, our President Rtn DR V K Nevatia and the First Lady Lata Nevatia, who incidentally is also the Past President of our Inner Wheel club of Calcutta Metropolitan, came to the conclusion that women folk are not maintaining themselves in proper hygienic conditions. The Club decided to distribute 540 Sanitary Napkins and 120 Inner Wear Garments to 60 women villagers of Nabadiganta. This will meet their 3 months requirement and the supply will continue.

We hope, the hygienic conditions of women folk will improve at Nabadiganta. This program will be carried out throughout the Rotary year and as such, it will be a sustainable project.

## IMPORTANCE OF LITERACY TO LAST MILE - A REPORT

We all know that in today's world literacy plays a very important role in our day-to-day life, hence education to all should be mandatory. Unfortunately, though our country is lagging behind presently but we are gradually coming out of it. Some Non-government organizations (NGOs) are playing a very important role in this regard as people are selflessly working on this to uplift the literacy amongst the masses. Our Club is also playing a significant role in this effort of upliftment of literacy, particularly in girls of rural areas. We have our major project named "PACE Learning Centre" (PLC) at Piyali catering free education to 235 girls of very poor background and the results are very encouraging with the resolve to continue improving with relevant ideas.

In this context it is heartening to mention that in our meeting dated 24.9.2022, we had a wonderful and

learned Guest speaker Ms Sujata Sen, who is the CEO of Future Hope, an organization that works with street and slum children of Kolkata.

She dwelt on the topic "Importance of Literacy to the Last Mile" and made a very powerful Power Point Presentation with exhaustive details about how they are running their Future Hope organization.

It's a Charitable organization that provides opportunity through its homes, its medical program, sports, school and skill Centre for some of the most vulnerable children from the streets and slums of Kolkata. The members present listened to her with rapt attention and in a way, it was also a learning experience for us which we can emulate at lot of things at PLC.
