Rotary  PEOPLE OF ACTION

Greetings!

Two eventful months have passed by in a flash! We have tasted success in our endeavors, learnt through our failures and recently been shattered by the loss of our dearest Sponsor and a strong pillar of support, Rtn Sukhendy Banerjee. Our heartfelt condolences for the bereaved family.

Our biggest success in the past 2 months is our membership growth which has increased from 16 to 26, and is still growing! We have welcomed 10 new members out of which 3 are NRI and 8 women, and our member classification ranges from Doctor, Lawyer, Teacher, Service holder, Journalist & Author, School owner, Theosophical studies graduate, Science and medical Researcher and home-maker!

We will help cleft-lip patients to get free surgery in the coming months and hold Awareness camps for Project Jayatu in a big way. We will be observing September as Literacy Month starting with Teacher's Day celebrations with a multiple-projects program schedule in a school in Usti, South 24 Parganas. We plan to take Special children for Puja Parikrama to spread some cheer in their life. We are getting stronger each day and are inspired to do amazing projects to serve our community better. We can call ourselves a true example of PRIP Shekhar Mehta's slogan GROW MORE, DO MORE!

Wish you all Success, Peace & Harmony!

Warmest regards,

Anjanaa Chattopadhyay

CONDOLENCES

Our dearest Sponsor and a strong pillar of support Rtn Sukhendu Banerjee (Rotary Club of Calcutta North West), left us suddenly for his heavenly abode on 26th August. He was active till the end and all who knew him are still reeling under the unexpected shock. We mourn his irreplaceable loss and will always miss his soft-spoken presence and kind, encouraging words. We are sure he is dwelling in the happiest heaven.

May you rest in eternal peace, Sukhendu da!
