<p><i>From the Editor's Desk</i></p>	<p>Greetings!</p> <p>We have completed the first half of RY 22-23. Some of the dreams we had started our journey of IMAGINE with have been realized, some are yet to be fulfilled.</p> <p>One of the most fulfilling projects was District ROTA VISION through which we distributed free Spectacles to 200 beneficiaries at Baduriya, North 24 Parganas changing lives with the gift of eye sight! Other remarkable achievements of our club during this period are, firstly the formation of another new Interact Club increasing the count to 4 and secondly, donating a wheelchair to Specially-abled student Master Rakesh Sk of Masidhat B M High School under our signature project Jayatu in partnership with US-based organization VOSAP. We also participated in the RCC Multi-District Seminar at Bolpur which gave us the opportunity to develop strong bond with neighboring District 3292 Nepal.</p> <p>Literacy is a subject we give utmost importance to. The 15 Literacy projects held till date speak loud and clear of our sincere commitment and relentless efforts towards 'Education For All'.</p> <p>In January, we will be distributing blankets in association with our RCCs, hold a Multi-specialty Health Camp at Shibpur Police Station, Howrah and Swami Chidrupananda will be our revered Guest Speaker at জাতীয়তাবাদ, a program in observance of Republic Day. There are many other interesting projects In the pipeline including a unique webinar with Celia Mentzel of San Francisco, born in the premises of holocaust, who will share her extraordinary experiences and valuable wisdom on Peace before a global audience.</p> <p>May we keep serving society and light up as many lives as possible. Wishing you all a Joyful, Project-full and Successful 2023!</p> <p>Warmest regards, <i>Rtn Anjanaa Chattopadhyay</i></p>
