From the Editor's Desk

Greetings!

We at Rotary Club of Geetanjali Kolkata are primarily Project oriented. Throughout September, we focused on Basic Education & Literacy as the monthly theme, with special emphasis on Ee...Zz...eE School Project. ROTA VISION has been another of our favourite projects under which we will be distributing free spectacles to 150 beneficiaries of Baduriya, North 24 Parganas next month changing their lives with the gift of eye sight!

Other remarkable achievements of this period are, firstly the formation of another new Interact Club increasing the count to 4 and secondly, helping Specially-abled student Master Rakesh Sk of Masidhat B M High School to return back to school by donating him a wheelchair which will be handed over to him next month. Another very successful project was the globally participated webinar on Ovarian Cancer Awareness. It was acclaimed by doctors and patients alike from different corners of the world. We also joined hands with Kolkata Society for Empowering the Differently Abled (KSEDA) to take 11 Special Children to visit important puja pandals of South Kolkata on Panchami day. It was not only a successful project but one that filled our hearts with endless joy seeing the happy and excited faces of the children!

October is Economic & Community Development month. We have supported our RCC SEVA Rehab Centre, Baduriya to make cloth bags as a means of income. We dedicatedly participated in Polio SNID, NID and World Polio Day. On Diwali day, like every year, we visited Seva old age home with sweets and diyas. We lighted lamps in their residence to spread some light, warmth and cheer in their otherwise dark lonely hapless lives.

Two more feathers in our cap: we have grown in membership from 16 to 26! And we are proud winners of the RI Citation 21-22!

Wish you all a Joyous, Peaceful & Harmonious Deepavali!

Warmest regards

Rtn Anjanaa Chattopadhyay
