Jennifer Jones, Rotary International's first female president, is the perfect leader to spread the word about the good Rotary does in the world, and inspire its members to keep going.

### Message from RI President:

Greetings my friends. It is my great honor to send you goodwill and good wishes from Rotary leadership and all across the family of Rotary. Rotary's core values, our traditions and our heritage, these are powerful things we hold true and yet build upon as we imagine how we can be so much more. When an organization like ours dreams big things like ending polio and creating peace, it becomes our responsibility to make these dreams a reality. We imagine a world that deserves our best, where we get up each day knowing that we can make a difference by telling our story and aspiring to do more each day we imagine rotary. Thank you for playing an important role in this effort .together, there is no limit to what we can achieve
