## Communiqué

**JULY** EDITION

# Installation Ceremony

# Editor's Message

## Dear Readers,

We all know that our Rotaract Club of SRICT Ankleshwar Sponsored by Rotary E-Club of Ankleshwar Green, has come a long way with the motto of fellowship through service.

Never stopped on executing projects for welfare of our community even in catastrophic covid-19 situation. We have been executing numerous projects in offline world, but being and executing projects ,Online for more than a year has given us enough experience that says us that even if everyone are at home can execute any project they want. Social media is proof of that. The Rotary and Rotaract serving together through the pandemic on the ground level, has proved that being in a community not only helps the community members but also can be a major source of aid for the world.

This Bulletin ahead is Rotary E-Club of Ankleshwar Green and Rotaract Club of SRICT Ankleshwar's first publishing of its monthly projects executed successfully, and we are determined to execute much more projects in the month ahead.

Thank you,

**Rtr. Purusattam Das**  
**Bulletin Editor & Graphic Designer**  
**Rotaract Club of SRICT Ankleshwar**

### Hello Change makers,

Greetings for a Day.

Let me take this opportunity to congratulate Immediate Past President Dr. Nilesh Badgajar and his Board members for a very successful completion of this year with many good projects.

I am also thankful to the management of SRICT for giving me this opportunity to be the important part of the Change maker team which is aimed to serve the society. I am most honoured and humbled to be selected as President of the year 2021-22, and with the help and support of my Board members and fellow Club members, I will do my best to meet the challenge.

This year is going to be the challenging rotary year in last 100 years. No one had thought of this type of Pandemic condition where all technology, science and innovation got failed to save the life of human being. We are the witness of this condition, where people have lost their near and dear ones. Not only it had harmed to life but also the economic condition of the peoples and nation as well. Schools and colleges were closed from last two years and students from the villages and remote area suffered a lot.

Another side of this condition is it has created lots of opportunity to serve the society and community is looking to us for the service and help. We have a good opportunity as change makers to serve the society and community through Rotary ideal of Service above self.

There are many needy people throughout our community and the world, whose only hope will come from Rotary. Let us all decided and be ready to make their lives better in any way that we can. "It's time to give something back to society", I certainly look forward to serve our Club to the best of my ability.

I would like to congratulate each of the newly selected Board members and wish them a very successful and effective year ahead. Once again thank you for given me this opportunity to be the part of change maker to serve the society.

Thank you ,

**Dr.Omprakash Mahadwad**  
**President**  
**Rotary E-Club of ankleswar Green**

### Warm Rotaract Namaskar ,

I am Rtr. Tushar Goswami. I am thankful to the management of SRICT and Rotaract Club of SRICT Ankleshwar for giving me this opportunity to be the important part of the Rotaract team with aim to lead our club with the inevitable motto of fellowship through service.

I am most honoured and humbled to be selected as President of the year 2021-22, and with the help of our Immediate Past President Rtr. Devrajsinh Takoliya's support and the support of my board members and fellow Club members. I will do my best to meet the challenge.

After an year of successfully executing projects online with my team of BOD's and working as Seargent of arms for an Year , I have understood that nothing is impossible as a rotarctor ,because we have been believing in a single phrase i.e, "SHOW MUST GO ON".

Which means whatever happens our club won't stop from serving for our community , strengthening the belief of community in us and putting the blocks of our success as a Rotaract Club.

Thank you,

**Rtr. Tushar Goswami**  
**President**  
**Rotarct Club of SRICT Ankleshwar**

## ROTARY E-Club of ANKLESHWAR GREEN

### "E- Waste Management"

The Department of Environmental Science and Technology along with RECA green organized a virtual industrial visit to the e-waste management facility at SSWML, Himachal Pradesh for the students of EST department on 17/07/2021. The session was coordinated by Mr. Manoj Kumar, Assistant Professor-DEST under guidance of Pratibha Gautam (HOD- DEST).

During the virtual visit students were described about E-waste facility, collection of e-waste, documentation checkup, process flow diagram, dismantling activity, electrical tubes/CFL crushing, cable stripping machine, e-waste shredding machine, material after processing and safety week celebration.

Department of Chemical Technology, along with RECA-Green organized Online "Drawing Competition" on "Industrial Safety Awareness" under the banner of Co-Curricular activity on 23<sup>rd</sup> July 2021 from 3.00 pm onwards via Google meet. Total 08 students registered for this event.

The judges of this activity were Mr. Amol Lakare (Manager Process Safety, UPL-Unit-5) and Mr. Govind Patil (Research Scientist - Process Safety Consulting, Gexcon India).

### "Industrial Safety Awareness"

### "Kargil Vijay Diwas"

There is no greater sacrifice known to man than to lay down one's life in the defense of the nation. We salute our martyrs and soldiers on Kargil Vijay Diwas.

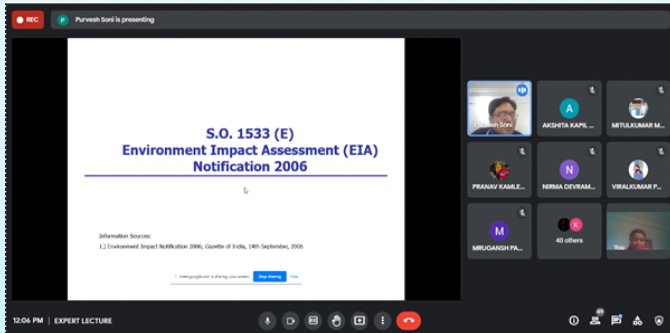

On this auspicious occasion, we have organized an expert talk. We invite all to attend the guest lecture on "MASTERING THE ART OF DYNAMIC LEADERSHIP FROM KARGIL HEROES".

### "REVA Fest-Happy mind"

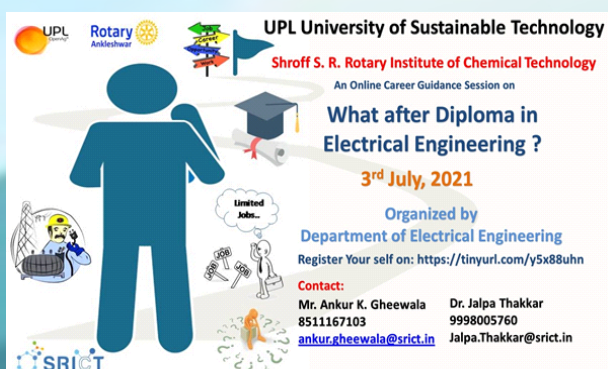

At a time like this when unrest prevails, owing to COVID-19 pandemic, we have risen to the occasion and decided to continue the (online) show on the theme "Happy Minds". Our students have tried their best to put up a small program with limited available resources. We have taken the digital route to broadcast and telecast our annual cultural event (REVA FEST) through local channels and other social media handles.

### "ABHYUTTAN"

On 13th July, 2021, an online, Abhyuttan 2021, was organised to felicitate the 1st & 3rd semester students for their GTU results. Principal, Dr. Shrikant J Wagh stressed on the importance of fulfilling their responsibilities towards themselves and their parents. Vice Principal, Dr. Snehal Lokhandwala congratulated the students and urged them to keep up the enthusiasm and continue with their efforts which will definitely be followed by good luck. Honourable Secretary ARES, Mr. Angiras Shukla congratulated the students for their hard work and diligence.

### "Career Guidance Program"

The Department of Electrical Engineering organized a career guidance program "What after Diploma in Electrical Engineering?" on 3rd July, 2021 at 11:00 am for final year diploma electrical engineering students of Government Polytechnic Vyara, Government Polytechnic Navsari and Government Polytechnic Valsad. More than 30 students had participated in this program executed under the guidance of Head-EED, Dr Jalpa Thakkar.

### "SHARING IS CARING"

As an act of concern for academic institutions, their staff and students, UPL -University faculty members and Retracts visited schools in and around Ankleshwar and Bharuch and distributed several utilities that can be of great help in fighting the crisis of Covid -19. As a gesture of social concern, packets of masks, foot operated sanitizer stands and refillable sanitizer bottle of 5 ltr was distributed to schools. We join hands with other institutes and wish to come out together in this fight against the deadly virus.
