GOVERNOR'S MONTHLY LETTER

ISSUE - 1

“ Confidence unlocks
every opportunity in life ”

“ If Rotary is to realize its proper destiny,
it must be evolutionary at times,
revolutionary on occasions.

-Paul Harris (1935)

ROTARY CLUB OF NARASARAOPET

Jennifer Jones
President 2022-23

We've all taken our own path to become a member of Rotary. Some of you joined because your father was a Rotarian. Some of us signed up because an employer tapped us on the shoulder and asked us to attend a meeting. Others became members only after a U.S. Supreme Court ruling made it possible. Yet each of us entered through one mechanism — an invitation.

An invitation that unlocks our imaginations and allows us to know that everything and anything is possible. Each one of us has that same opportunity — the honor to extend an invitation.

It is awe-inspiring to imagine how we can look out across our communities and identify our future leaders. It's often tempting to attract people who are exactly like us. It's a special form of ingenuity to consider how people who are seemingly very different can, in fact, share our values and have some of those same talents, just waiting to be unleashed.

It's time for Rotary to take our next step in advancing Diversity, Equity, and Inclusion (DEI) across our organization.

Embracing an experience where people feel included is more than just making our membership numbers more diverse. It's about making our meetings and events places where we can speak openly and honestly with each other, where our members feel welcome and safe. This means removing barriers for entry and opening doors for inclusion. Our values remain our strength — and our commitment to excellence requires us to maintain high standards for our members as well.

I believe we are all committed and determined to advancing DEI across Rotary. This is rooted in the deepest traditions of our organization, and it will ensure that we remain vibrant and relevant for decades to come.

A few years ago, our Rotary Board set the ambitious goal of increasing the share of female members to 30 percent by 2023. We have less than a year to go, but I believe we can meet and exceed this target.

We need Rotary leaders to rise from every continent, culture, and creed. We need young members and young thinkers to take on larger roles and responsibilities. We need to listen to new Rotary members just as keenly, and with as much respect, as those with many years of membership.

During our recent convention in Houston, we heard from astronauts about their journeys into space. We reflected upon a time in the 1960s when U.S. President John F. Kennedy urged the world to dream, with his declaration that we would “go to the moon [and do] other things, not because they are easy, but because they are hard.”

Fully committing Rotary to DEI and meeting our ambitious membership targets may seem as unlikely as a moon shot. But I know that when people of action are committed to a big goal, we make it worth every ounce of our energy.

T. Rajashekar Reddy
District Governor 2022-23

Dear Rotarians,

Greetings to you,

Hope you're all busy with installation ceremonies this month and getting prepared with a plan for service activities which you'll be implementing further during your tenure. Hope you reach your goal by involving more Rotarians, with your inspiration. Hope that everything will be implemented and benefit the needy.

The month of August is for membership development, we need more hands to perform more activities and improve the fellowship. This is the time where you can invite new friends and turn them into Rotarians.

Following that, 2022 is a Diamond jubilee year for India which we commence with 75 years of independence. For this special occasion the Indian government is celebrating Azadi ka Amrut mahotsav. It should be our prime responsibility to be part of this program. Our district has announced a project of *Janani Jayahe* which involves activities such as essay writing, singing

competition, fancy dress competition and so on for school and college students.

August 15 is also the designated day for tree plantation to protect the environment, I request every one to come together and make this event successful.

Thanking you,

Raja Sekhar Reddy Talla
District Governor 2022-23

It is difficult to believe that one month is already over in the new Rotary year. It is as if it was just a few days ago that we brought out the Installation Issue of Snehalatha, on the installation of our dear District Governor Rtn. Rajasekhar Reddy. And here we are bringing you the details of installation of the Presidents and new Boards of various clubs in our district and other activities carried out in July in this issue of Snehalatha.

The month flew past with many activities by the clubs in our district, in addition to the colourful installation ceremonies. And what a hectic month it was - definitely setting pace for the remainder of this Rotary year. I am sure all of you are also eagerly waiting to read about all this and more. We will not stand in your way to satisfy your curiosity.

But, before we go into the inner pages of your favourite District Mirror, Snehalatha, we would like to remind all the Presidents and Secretaries of the

following for good coverage of their activities in Snehalatha:

- post the pictures of the activities undertaken by their clubs on the Presidents & Secretaries WhatsApp group
 - ensure that in the pictures, the name of their club is seen prominently in the pictures
 - ensure that the beneficiaries are covered in the pictures
 - if there is any big activity done by your club, send a small write up on the activity to whatsapp on 7032811208.
- This will also help us connect with each other better.

Thank you.

Happy reading!
