Message by Incoming President Rtn. Swati Tushar Chavan

Rotary has been a platform for contribution; a hand of care for anyone in need in the society in which we coexist. It's a free-spirited group which believes in giving. Every rotarian has believed in it, hence it grows till date and years ahead.

Such is our club with great individuals willing to do it for a cause. Rotary is vast in its dimensions. I cherish the opportunity to have made great friends from few of the many rotarians I have come across. Changing those life's or just giving a slight push to the challenged community has been so heartfelt. Such are the blessings of rotary and its fellowship.

We are happy to have young spirited board of directors. We all together look forward for good bonding of the club internally as well as with other clubs for joint projects or fellowship. I wish our new inducting members for a great long lasting journey, and thank our dear members who have encouraged me. We are proud of our members to support in good cause during the pandemic. Hope every member follows a good attendance and volunteers for amazing projects yet again. Wishing you a safe health.

Message by Outgoing President Rtn. Aparna Marawar

I am thankful for all the opportunities to serve the organization during this special year, a year of finding new meaning in Service Above Self. We see Rotary as a community of people who live their values by putting them into action. In these extraordinary times, there is no doubt that we must place increased emphasis on service. This is our opportunity to show the world what Service Above Self means for Rotarian.

I considered it as my goal, my finish line, and the point at which I have to hand on the baton to new leadership.

This has changed my life I am sure it changed yours.

I have so many people to thank, all the committee chairs, the Board of Directors that put up with me all year long, and all of you Rotarians that did the work.

Dear Rotarians this year , I have changed my life, and I am forever grateful to you and to Rotary for giving me this opportunity. Thank you.

My Dear Fellow Rotarians,

It is indeed an honor to be selected as Club Secretary of the most prominent and happening Club of District 3030. I am really thankful to all the beloved members of the club for giving me the opportunity to serve as Secretary of the club.

As we are starting with the new Rotary Year, I promise to do the best I can in trying to make this another very eventful and successful year. I am also sure that I will get all the guidance and help at the required time of the year from all of you. I am sure that with all your prior experience in Rotary will help me to learn more and more things about life and about Rotary. I also think that every member of our club have joined Rotary either for fellowship or to engage yourself in community service. Whatever reasons you had at the time of joining Rotary, Each Rotarian shares in a deep commitment to "Service Above Self".

Rotary is an exceptional organization whose members do extra ordinary things every day but we should let society be informed about that and acknowledge that. We should keep talking about Rotary in our social circle and encourage establishment of our club as brand in the society. Let's get started and welcome the Rotary New Year with full enthusiasm and energy. This is the time to deliver! This is the place to commit! Working together, our club can leave a meaningful mark this Rotary Year.

Rtn. Adv. Brijmohan R Longani
Secretary (2021-22)

Message by Secretary Rtn. DG Ramesh Meher

My Dear brothers and sisters in Rotary
Greetings,

Congratulations for having accepted the responsibilities in the new year.

We are entering into a new era. As the spread of the dreaded Covid-19 pandemic is easing a bit, it has given us a new hope, a new way of life – JEEVAN.

The year which went by was socially very slow but virtually rich, yet all of us did our best in getting involved in all Rotary activities in the world. In this year, a year of the New Normal where physical activities have been difficult, we need to get back. Congratulations once again.

As Indians, this year is very relevant to us. We have a dynamic leader from India in Shekhar Mehta at the helm of affairs. This gives us a big reason to elevate our commitment levels. Let's boost our efforts to make it a memorable year and make a name for our country and the leadership.

This year our main area of focus would be on two major thrust areas, Medical projects and welfare for the farmer. Medical projects should include implementation of Dialysis equipment's, Neonatal ICU's and Human milk banks. We also should design projects where our farmers should get benefitted. Projects like Micro Finance and Vocational Training for the weaker sections of the society can be worked upon. Recognition for certain professions in which women are silent workers are also important. Medical Projects related to improving the Health and Hygiene of women, Sanitation projects in rural sector, can also be undertaken. We also would like to give special emphasis to teaching self-defense to girls.

Please remember that whatever projects that we all collectively do in the community will directly translate into the Public Image of our organization. This public image will help us build our organization through greater membership as our clubs become a brand.

The theme for the year is SERVE TO CHANGE LIVES. When we all joined Rotary, our lives changed. The basic motto of Service through Friendship and Fellowship is embedded in our hearts, mind and soul. So, let's take this up as a challenge to change the Lives of all those who are in need through. Let's bring a smile on these faces and make the world a better place to live in. Let's use all our resources and make it happen. Let's decide that nothing is impossible and I am sure you will. After all, Life - JEEVAN matters

Sharda and Me wish you all an eventful, fruitful and successful Rotary year.
ALL THE BEST in all your endeavors. "Live life give life"

The Four - Way Test

THE FOUR-WAY TEST of the things we think, say or do

- 1) Is it the TRUTH?
- 2) Is it FAIR to all concerned ?
- 3) Will it build GOODWILL and BETTER FRIENDSHIPS?
- 4) Will it be BENEFICIAL to all concerned ?
