## **Rotary International President Jennifer Jone’s Message:**

She wants members to imagine the possibilities in the change they can make to transform the world. Jones, a member of the Rotary Club of Windsor-Roseland, Ontario, Canada, revealed the 2022-23 presidential theme, Imagine Rotary, as she urged people to dream big and harness their connections and the power of Rotary to turn those dreams into reality. “Imagine, a world that deserves our best,” Jones told incoming district governors on January 20, 2022, “where we get up each day knowing that we can make a difference.”.....

Jones, who has made history on July 1, 2022 by becoming Rotary’s first female president, gave a live online address to precede Rotary’s annual training event for district governors from around the world, the International Assembly. The assembly was rescheduled because of the COVID-19 pandemic and will now be held virtually February 7 - 14, 2022.

Jones told the incoming governors about a chance she took when a member asked for assistance in getting a young peace activist out of Afghanistan during the U.S. troop withdrawal last year. At first unsure how she could help, she relied on “that certain Rotary magic” and contacted a former Rotary Peace Fellow she had met a few years earlier. Less than 24 hours later, the activist was on an evacuation list, and soon she was on her way to Europe.

### **Engaging members through meaningful responsibility.**

To better engage members, Rotary needs to “adapt and retool,” Jones said, using her hometown as an example. Windsor was once the automotive hub of Canada. But after plant closings left thousands without work, the city needed to retool, in the same way an auto plant would, preparing for new parts or a new model. Now, Jones said, Windsor is a leader in agribusiness and medical and aerospace technology.

For Rotary, “finding the right ‘part’ to engage each member should be our core function,” Jones said. “It comes down to the comfort and care of our members.”

Engaging members is crucial to retaining members, she said, adding that we need to ask members what they want to get from Rotary and give them meaningful responsibilities.

“It is our offer of hands-on service, personal growth, leadership development, and lifelong friendships that creates purpose and passion,” Jones said.

Embracing change also means embracing new club models, Jones said, as she asked the incoming governors to form at least two new innovative or cause-based clubs during their term. “Let’s make sure we engage our members so they love their clubs and their Rotary experience,” she added.

Jones also announced the appointment of a Rotaract member as a Rotary public image coordinator and said that she has included Rotaractors on several committees and will assign some Rotaractors as president’s representatives.

“We have been entrusted with leadership in our great organization,” Jones said. “Now it is up to us to be brave and intentional in our actions, and let others help us lead.”

Jones noted that Rotary has little time left to achieve the RI Board of Directors’ goal of having women make up 30% of Rotary’s members by 2023. Rotary has achieved this in more than 110 countries, she said, but it has a long way to go. She pointed out that Rotaract has already achieved 50% female members.

To raise Rotary’s profile, Jones plans to hold a global impact tour that will include talking with leaders about working together to address the world’s most pressing challenges. “Rotary opens these doors and we need to harness our connections, to deepen these relationships and create new partnerships,” Jones said. “And the best part is, this can happen at every level of leadership.”

Jones closed her address by saying that although we all have dreams, acting on them is a choice we make. When an organization like Rotary dreams about big things like ending polio and creating peace, she said, it becomes our responsibility to make them happen. “You don’t imagine yesterday,” Jones said, “you imagine tomorrow.”

## MESSAGE FROM DISTRICT GOVERNOR DR. ANAND JHUNJHUNUWALA

Dear Fellow Rotarians,

Imagine life without wheels; wouldn't it be difficult? It would be a world without machines, clocks, or automobiles. Similarly, Rotarians would find it impossible to imagine a world without the Rotary Wheel Of Service. Ever since I was a little boy I have been fortunate to witness the multi-fold impact that Rotary has on the lives of people in the community and for Rotarians on their personal and professional front. I have since visualized ways through which I could contribute more and more through Rotary to make a meaningful difference.

Knowledge's creative element is imagination. The recipe for reaching new heights is a Passionate Imagination, a thorough Grasp of Rotary Knowledge, a Solid Action Plan, and the Backing Of All Stakeholders. I urge every Rotarian to contribute to the various rotary activities and immerse in another year full of service. Rotary is about the journey, not the destination, enjoy every moment of it. The year will pass by it is up to you to determine how to make the most of it. With members from various backgrounds with a wealth of experience, ideas and enthusiasm, we look forward to the innovative ideas in order to make a relevant difference in our communities & around the world.

When I imagine our vision for the district initiatives, I imagine breathing in the fresh air with the echoes of the flora and fauna, I imagine easy access to water for every individual, and I imagine smiles on the faces of farmers. To achieve this, our initiatives would include tree plantation, Rainwater Harvesting, Watershed Management, and Farmers' welfare along with an every welcoming ear for the ideas & projects from our fellow members. Along with substantial contribution towards the environment I imagine a community of frequent blood donors. I encourage every member and club to actively participate to contribute towards fulfilling Rotary's objectives while strategically planning for long term goals.

This is the first time in our 115-year history that we have a female Rotary International President, Jennifer E. Jones. This should serve as an example for us to include more women in the clubs. Along with diversity, Women bring grace, dignity and culture to the clubs. To achieve this objective RI has set a target of having 30% more women in Rotary.

The directory team has put in a lot of time and effort to create this fantastic directory, and I am grateful to everyone for their unending support. Thank you for everything you do for our communities, Rotary, and the rest of the world.

Let's Imagine and Achieve a Successful Rotary Year!

Yours in Rotary,  
DR ANAND JHUNJHUNUWALA

***ACCEPTANCE SPEECH OF THE PRESIDENT:***

Good Evening & welcome to all!

I, stand here, as the new 72<sup>nd</sup> President, humbled by the confidence that has been invested in me to lead the amazing Rotary Club of Bhusawal!

Grounded by the oath that I take, anchored in the Rotary values of integrity, leadership, fellowship, service, and diversity; and guided by Past Presidents that have faithfully and successfully served before me, I promise members to give my very best.

When I joined Rotary some years ago, never in my wildest dreams did I think I would be standing here today as your President, to be honest I didn't really know anything about Rotary at that time and I thank PP Dr Ravindra Shukla for encouraging me to join this Club and the great organization that Rotary is!

I will ensure that the work of building a vibrant club that fosters belonging, compassion and fun in service is continued, so that we can realize our collective vision to create lasting change-in

our communities, and in ourselves.

In commencing my Presidency, I recognize that Rotary Club Bhusawal, is built on a firm foundation of strong leadership, and I am fortunate and proud to inherit the rich legacy of 71 Past Presidents who have dedicatedly grown our club bringing it to where it is today.

To each of the new Board members, committee chairs and members, congratulations! Our fellow club members have shown their confidence in you and in me by electing us to our respective positions; I have already seen the energy, enthusiasm, and commitment that you bring to the table. I am grateful for your support and I look forward to an exciting year of service with all of you.

My fellow Rotarians, the theme for this year is “Imagine Rotary”. Rotary International President Jennifer Jones wants members to imagine the possibilities in the change they can make to transform the world.

Our primary focus for the year will include attention to the following:

1. Improved Membership Engagement and Retention.
2. To support and strengthen my club.
3. To enhance Rotary’s public image and awareness
4. Bigger and more impactful projects
5. Stress on DEI statement

Fellow Rotarians, with this honor, comes great responsibility – our responsibility as Rotary Club of Bhusawal.

We have set ambitious, important and life changing goals including

1. Planting of trees,
2. Water Harvesting
3. Encouraging Farmers
4. Gifting of educational materials to deserving children,
5. Helping the handicapped and the less privileged,
6. Free medical checkup camps for girls and women,
7. Eye camps for senior citizen,
- 8 Awareness camp on NCD, and many more

The Rotary Club of Bhusawal will support me, all the way to ensure we can achieve those targets.

Last and certainly not least, I am delighted because our Club sponsored the Club of Khamgaon, the home club of current District Governor, Rtn Dr Anand Jhunjunwala. What a remarkable contribution of our club to District 3030!

I would like to recognize and thank my family and close friends, those here with us, Thank you so much for your continued support.

Fellow Rotarians and Guests, I would like to make mention of a famous quote by Winston Churchill who said “*We make a living by what we get, but we make a life by what we give*”. We must always remember the fact that life in abundance, comes as a result of giving ourselves to others. And remember, our theme for this year is “Imagine Rotary. With those remarks, fellow Rotarians and guests I, humbly accept the post of President of the Rotary Club of Bhusawal.

Thank you!
