FOUR-WAY TEST

The Four-Way Test was created in 1932 by who later became the President. The test has been translated into more than 100 languages and is followed by Rotarians in their business and professional lives and is used by organizations and individuals throughout the world. The has never ceased to be relevant and is a simple checklist for ethical behavior.

The Four-Way Test

of the Things We Think, Say, and Do.

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOOD WILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Can be used profitably in checking your relations with others. It is suggested that first you memorize the **FOUR-WAY TEST** and then formulate the habit of checking your thoughts, words and deeds with it.

The **FOUR-WAY TEST** is now being used successfully around the world in business, government and schools as an effective measuring stick of ethics. It is a guide to **RIGHT** thinking. If memorized and constantly applied to relations with others, it will make a definite contribution towards more effective and friendlier relationships with others.

Since to a large degree our thoughts determine our actions, character and destiny, you naturally will be interested in using this simple method of directing your thoughts in the right direction.

The experience of others has shown that if you get into the habit of checking your thoughts, words and deeds against the **FOUR-WAY TEST** it will definitely help you become happier and more successful throughout your life.

ROTARY INTERNATIONAL PRESIDENT 2022-23 RTN JENNIFER JONES

Initiatives Overview

Rotary International President Jennifer Jones imagines a Rotary where members act to make their dreams become reality and make the most of their club experiences. During her year, Jones will focus on four presidential initiatives that Imagine Rotary: advancing our commitment to Diversity, Equity, and Inclusion (DEI); creating a welcoming club experience; empowering girls; and expanding our reach.

Imagine: Diversity, Equity, and Inclusion (DEI)

Diversity is one of Rotary's longstanding core values and greatest strengths. Jones knows there is more to be done to ensure that Rotary's culture exemplifies our values of diversity, equity, and inclusion (DEI). Rotary, with input and guidance from the DEI Task Force, has strengthened our commitment to DEI, resulting in a greater focus on celebrating every individual's contributions, advancing equity, and creating a more welcoming and inclusive culture.

President Jennifer Jones encourages each of us to do our part to ensure Rotary is a welcoming and inclusive community by:

- 1) Learning more about DEI in Rotary, including understanding definitions and how to celebrate and respect our differences.
- 2) Determining why DEI matters to our club and community and how using DEI principles can help our club grow and become stronger.
- 3) Raising awareness of DEI, including creating a DEI committee in your club that reflects the demographics of your community.
- 4) Taking action on DEI in our club and community for instance educating yourself about underrepresented groups in your community in order to become a more knowledgeable and effective advocate for DEI.

Imagine a welcoming club experience: Comfort and Care

Rotary has an important role to play to ensure that the club environment and experience is welcoming, inclusive, and enjoyable for all members and participants. Surveys show that comfort and care is the single greatest driver of satisfaction and our most powerful tool for retention. This begins with listening to and understanding what members and participants want out of their Rotary involvement. We often speak of the importance of "exit interviews" to better understand why former members leave. But why wait for them to leave? Jones urges club leaders to incorporate "entrance interviews" as well to understand the needs and expectations of new members at the outset. And of course, be sure to regularly survey all existing members, to ensure they have an opportunity to share thoughts about their membership experience.

Empowering Girls

Jones will continue past RI President Shekhar Mehta's Girls Empowerment initiative, recognizing that empowered girls become empowered women. Share your Girls Empowerment projects on Showcase.

Imagine Impact: Expanding Rotary's reach media tours

Imagine Expanding Rotary's Reach Throughout the year, Jones will visit eight service projects that represent each of Rotary's areas of focus and polio eradication. The tour will provide examples of how Rotary can make a measurable difference, while introducing Rotary to new audiences and potential partners and influencers.

MESSAGE FROM RCCRF PRESIDENT 2021-22 – IPP RTN NARESH PATEL

ROTARY GREETINGS!

It gives me immense pleasure to inform you that my tenure as a president is over I must admit that myself and team members have tried our best to make this year eventful with service projects we did with dedication and sincerity.

I am pleased to inform you that our OCV was successful and I thank on behalf of all my Club Members to our beloved Governor, First Lady, Assistant Governor and District Secretary for their support and motivations.

During my tenure PROJECT KISAAN was launched, and Farmers were given Free

Tractor Service which saved lot of money, I am pleased to inform you that the Governor himself during his OCV cultivated a farm land with the Tractor under our Project Kisaan which was encouraging and he had visited all our permanent project sites and also We have achieved a new milestone of reaching our service projects to 821 projects, which itself is a major achievement.

Our **Cancer-Detection-on-Wheels** is performing with best results and had organised 211 cancer detection camps where we have checked around 9,132 persons and and Testing worth around Rs 40 Lacs(Four Million INR) had been performed. Our Mobile Cancer Detection Unit Service is fully booked till the 15th August and also the booking of June 2022 camps are being registered.

We are thankful to all the Rotary Clubs and NGOs and the individuals who are taking part in organising these Cancer Detection Camps. For more details about CANCER DETECTION CAMPS, please contact Suhel Shah +91-99794 93698.

Our Ambulance service is also a great success with Free Hospital to Hospital transfer of patients which have helped everyone in need in a great way. I am thankful to all the contributors that during my installation ceremony I made an announcement for it and within a fortnight the Ambulance was delivered.

Under our Project Kisaan scheme Free Tractor Services were rendered to marginalised and poor Farmers which has become an instant success thanks to our Project Tractor Chairperson Rtn Nikunjibhai Patel(for booking, please contact +91-97235 54116).

Also our permanent projects of Watering the trees and maintaining them along the state highway of Khergam to Chikhli is being done regularly. Manav Jyot- Wall of Humanity shelves are always seen full because of local population and also due to members filling the shelves up to commemorate Birthdays and Anniversaries. Aksharyaan is another project which is working since past 3 years and have served nearly 800 families till date.

Our Women Empowerment Centre at Golwad, Chikhli is working well and have become an instant success with so many girls enrolled for the training of Tailoring and sewing.

DG Rtn Santosh Pradhan also inaugurated 2 Mineral Water Plants at Two Schools in Sadakpore and Pipalgabhan. Overall, we have a good track record of our Permanent Projects which is a part of success in our project services. I am thankful to all our donors, contributors and team members who have been so helpful to make all our projects successful and my tenure so eventful.

During the tenure of Rtn Hassan Mayet, we had applied for Global Grant for CT Scan Project at Jay Ambe Hospital in Chaparda which was approved by Rotary International/Foundation during my tenure but the project will be inaugurated in the tenure of the new president. This will set an example for the budding rotarians to do their duties with dedication and selflessness. Same way 4 dialysis plants will be installed under District Grant Project at Chaparda Junagadh which will be a feather in cap for us to install a total of 6 Dialysis machine in a year.

I wish our new President Rtn Hitesh Patel and Secretary Rtn Jeyur Desai and his new Team Wow a very eventful and memorable year and extend support for all the work the team shall do and be a part of this team which shall reach a new milestone by serving the community with dedication and feelings. I shall always advice the new leadership to launch a new permanent project so that we can have several projects which can be called on-going projects.

How can I forget my two past Presidents Rtn Swetal Desai and Rtn Hassan Mayet who have nurtured the RCCRF projects and have played active role in performing the services with success.

During my tenure if I have inflicted any pain then please forgive me as it may be unintentional and I unconditionally apologise for any of my misdeeds.

I again express my gratitudes to my DG and all the Changemaker Team Members for their support and co-operation and with we have achieved a new height and I take opportunity to wish the new Team WOW a very best and eventful year. With best wishes to you all.....

Yours sincerely

Rtn Naresh Patel

President, RCCRF 2021-22

MESSAGE FROM PRESIDENT 2022-23 - RTN HITESH PATEL

RESPECTED ROTARIANS AND FRIENDS

It is indeed a very great Honour for me to be standing here in front of you as the 5th president of the Rotary Club of Chikhli River Front.

I would like to start off by reminiscing about our club's services which has become a topic of appreciation from all over. About its incredible achievement, about its various community projects. I would like to congratulate IPP Rtn Naresh Patel and Team for the milestone achieved by them by completing 821 service projects.

We started our permanent service project with Aksharyaan – Free Hearse Service which is service the community since past four years and then we never stopped. We had undertaken other permanent projects like Watering plants and trees, Manav Jyot- Wall of Humanity, Women Empowerment Centre, Ambulance Service, Mobile Cancer Detection Unit and Project Kisaan which are all serving well.

I have learnt so much thanks to our past presidents and visiting delegates from RID 3060 for which I feel proud to be a Rotarian. I would like to launch a Permanent Project during my tenure and the project is to acquire Blood Collection Vehicle which will go to the remote villages and collect blood for the Blood Banks in our area. My emphasis would be to work hard to launch new permanent projects for our club to serve the community and motivate youngsters to serve the community.

We will do so by increasing our presence in the community. We will continue to harnessing the power of social media including our website, facebook twitter as well as add other social media as recommended by Rotary International.

As we increase our presence in the community it will help us in increasing our membership. We will do so in a way that continues to foster the incredible fellowship we have in this club. To increase our presence and increase membership.

I must commend the charter members especially Rtn Swetal Desai and Rtn Hassan Mayet who had a **vision** of creating a vibrant club that would act and has acted by Rotary's standards of contributing positively to the society, and ultimately 'do good in the world.'

It's a proud day for me, it really is - this is a great Rotary Club and I follow in the footsteps of my Past Presidents who have laid the strong foundation of our lovely club. I intend to do my best and would like to thank IPP Rtn Naresh Patel and those before him for their hard work and the encouragement that they have shown to me - it's appreciated. To be fair everyone has been encouraging which is perhaps a message in itself – watch out!

I am a Rotarian because I genuinely care about the welfare of people and the community and I see the need and opportunity to make a positive difference. In going down this road, I am fortunate enough to have a strong team of individuals with me. This in my opinion, is one of the main reasons we have a very strong club, a dynamic club and one that has transcended borders to be one of the best in District 3060. Won't you join me in making it even better?

Thank you very much!
With best wishes and love

Rtn Hitesh Patel
