ROTARY INTERNATIONAL PRESIDENT MESSAGE FROM ZAMBIA

RI PRESIDENT

RTN. JENNIFER JONES

In President Jennifer Jones' December 2022 Newsletter, she talks about Partners for a Malaria-Free Zambia as Rotary's first Programs of Scale grant recipient, and it is saving lives. She invites us to read in The December 2022 edition of Rotary magazine about Rotary partnerships that create lasting change.....

HOPE FOR FIGHTING A GLOBAL SCOURGE

To Everyone in our Rotary Family,

While sitting with a group of Rotary leaders outside of Lusaka, Zambia, I ask a question: "How many of you have ever had malaria?" Every hand in the room goes up. They even begin to tell me about the first, second, or third time they experienced the disease, one of the main causes of death and sickness in many developing countries.

They are fortunate. They have access to medical treatment and lifesaving medicines. For the people of rural Zambia, their story is very different.

On a wooden bench in a small village, I sit with Timothy and his young son Nathan. With a camera crew capturing our conversation, he tells me of the time Nathan showed signs of malaria. He brought the boy to the nearby home of a community health worker, where Nathan quickly received medicines that in all likelihood saved his life.

Calmly, Timothy tells me about his other son's bout with the disease a few years earlier. He had to race that son to a medical clinic more than 5 miles away. Riding a bike and carrying his child on his back, he tells me, he could feel his son's legs turn cold and then his little body go limp. As he finally entered the clinic, he screamed for help, but it was too late. The camera stops rolling, and we sit in silence. He begins to weep, and I hold him tightly. "I lost my son, I lost my son," he says.

This story is all too familiar for the families we meet over the next few days. And yet there is hope. Partners for a Malaria-Free Zambia is Rotary's first Programs of Scale grant recipient, and it is saving lives. Across two provinces of Zambia, 2,500 volunteer health workers have been selected by their communities. They are trained to bring medical care closer to those who need it, and they are able to diagnose and treat malaria and other ailments. I invite you to read in this issue about Rotary partnerships that create lasting change.

MESSAGE FROM RCCRF PRESIDENT 2022-23 – RTN HITESH PATEL

ROTARY GREETINGS!

It gives me immense pleasure to inform you that half year of my tenure as your president has been completed. I must admit that myself and team members have tried our best to make this year eventful with number of service projects we did with dedication and sincerity.

I am pleased to inform you that this year we have crossed 100+ service project mark for sixth consecutive months which itself is a record in our club history. Within past Six Month, the number of our service projects has been highest ever and hence, I am proud of all those who have contributed so much for making these service projects a huge success.

Our Cancer-Detection-on-Wheels is performing with best results and has organised several camps and is fully booked for the next month also which is

enough to prove that our Cancer Detection Team is performing very well.

We are thankful to all the Rotary Clubs, NGOs and the individuals who are taking part in organising these Cancer Detection Camps. For more details about Cancer Camps please contact Suhel Shah +91-99794 93698.

Our Ambulance service is also a great success with Free Hospital-to-Hospital transfer of patients which have helped everyone in need in a great way.

Also our permanent projects of Watering the trees and maintaining them along the state highway of Khergam to Chikhli is being done regularly.

Manav Jyot- Wall of Humanity shelves are always seen full because of local population and also due to members filling the shelves up to commemorate Birthdays and Anniversaries.

Aksharyaan is another project which is working since past 4 years and have served more than 1000 families till date.

Our Women Empowerment Centre at Golwad, Chikhli is working well and have become an instant success with so many girls enrolled for the training of Tailoring and sewing.

We have just launched Blood Collection-on-Wheels Project where our team along with blood banks shall be going to remotest places to collect blood.

Overall, we have a good track record of our 8 (eight) Permanent Projects which are the part of successes in our project services. CT Scan at Chaparda is our one more permanent project where relief will be given to the poor patients and shall be helpful to the local community. Thank to Rtn Vipin Patel Bawaji for his contributions.

I am thankful to all our donors, contributors and team members who have been so helpful to make all our projects successful and my tenure so eventful.

How can I forget my three past Presidents Rtn Swetal Desai, Rtn Hassan Mayet and Rtn Naresh Patel who have nurtured the RCCRF projects and have played active role in performing the services with success.

With best wishes during the New Years Eve!

Yours sincerely

Rtn Hitesh Patel

ROTARY FOUNDATION

History of The Rotary Foundation

At the 1917 convention, outgoing RI President Arch C. Klumph proposed to set up an endowment "for the purpose of doing good in the world."

In 1928, it was renamed The Rotary Foundation, and it became a distinct entity within Rotary International.

Growth of the Foundation

In 1929, the Foundation made its first gift of \$500 to the International Society for Crippled Children. The organization, created by Rotarian Edgar F. "Daddy" Allen, later grew into Easter Seals.

When Rotary founder Paul Harris died in 1947, contributions began pouring in to Rotary International, and the Paul Harris Memorial Fund was created to build the Foundation.

Evolution of Foundation Programs

- 1947** The Foundation established its first program, Fellowships for Advance Study, later known as Ambassadorial Scholarships.
- 1965-66** Three programs were launched: Group Study Exchange, Awards for Technical Training, and Grants for Activities in Keeping with the Objective of The Rotary Foundation, which was later called Matching Grants.
- 1978** Rotary introduced the Health, Hunger and Humanity (3-H) Grants. The first 3-H Grant funded a project to immunize 6 million Philippine children against polio.
- 1985** The PolioPlus program was launched to eradicate polio worldwide.
- 1987-88** The first peace forums were held, leading to Rotary Peace Fellowships.
- 2013** Future Vision : New district, global, and packaged grants enable Rotarians around the world to respond to the world's greatest needs.
- 2014** India declared Polio-free
- 2016-17** **100th year of the Rotary foundation**
- 2016-17** Since the first donation of \$26.50 in 1917, the Foundation has received contributions totaling more than \$3 billion.

THE ROTARY FOUNDATION

The Rotary Foundation welcomes a number of opportunities to show its appreciation to individuals and clubs for personal outright contributions supporting its grants and programs.

Individual Recognition Opportunities

ROTARY FOUNDATION SUSTAINING MEMBER

A Rotary Foundation Sustaining Member is an individual who personally contributes US\$100 or more each year to the Annual Programs Fund. These contributions also count toward Paul Harris Fellow, Multiple Paul Harris Fellow, Paul Harris Society, Major Donor, and club recognition. Contact your Rotary club president to obtain the annual Sustaining Member badge sticker.

PAUL HARRIS FELLOW

Paul Harris Fellow recognition is given in appreciation to anyone who contributes, outright or cumulatively (or in whose name is contributed), a gift of US\$1,000 or more to the Annual Programs Fund, PolioPlus, or Rotary Foundation Matching Grants (for nonpilot districts) or Rotary Foundation Global Grants (for pilot districts). The recognition consists of a certificate and a pin.

CERTIFICATE OF APPRECIATION

Occasionally, a donor contributes US\$1,000 and wishes to recognize a business or organization. In these instances, since Paul Harris Fellow recognition can only be presented to individuals, a Certificate of Appreciation is given instead.

Individual districts handle all associated recognition for this program, and inquiries should be directed accordingly. Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves.

DIVERSITY, EQUITY, AND INCLUSION

As a global network that strives to build a world where people unite and take action to create lasting change, Rotary values diversity and celebrates the contributions of people of all backgrounds, regardless of their age, ethnicity, race, colour, abilities, religion, socioeconomic status, culture, sex, sexual orientation, and gender identity.

YOUR TIME, ENERGY, AND A PASSION TO IMPROVE YOUR WORLD ARE ALL YOU NEED TO GET INVOLVED WITH ROTARY.

Become one of Rotary's people of action or explore the many opportunities we have for anyone — whatever your age or interest — who wants to improve lives in communities near and far. Connect with a local Rotary club to find out how you can get involved.
