MESSAGE FROM ROTARY PRESIDENT

Jennifer Jones

President 2022-23

September 2022

Recently, Nick and I spent time in Guatemala, where we met wonderful fellow Rotary members and families who unofficially adopted me as “Tía Jennifer.” On the third day, after visiting Patzún in the mountainous western highlands, we set out for Lake Atitlán, which we needed to reach by nightfall. If we took a back road we could get there faster. Locals told us it had just been repaved and assured us, “You’ll have no problem.”

At first, it was a breeze. We wound through misty-green coffee and corn fields covering the hillside like a patchwork quilt. But at a river crossing, we found a bridge washed away. The only way to continue would be to ford the river in our small bus. There were a few tense moments, but we decided to give it a try and, thankfully, we made it across safely.

This adventure reminds me of two important truths in Rotary. One, we rely on local, on-the-ground expertise to do what we do best. And two,

sometimes you have to take uncomfortable chances to reach important goals.

Every day, I am honored to learn from our Rotary family. Every lesson is an opportunity to grow, and each story adds a chapter to our collective Imagine Rotary year.

MESSAGE FROM RC CHIKHLI RIVER FRONT PRESIDENT

ROTARY GREETINGS

A popular saying, "If you can dream it, you can do it". But first, you must hold the dream and remain focused on what is desired. Rotary provides many Rotarians the means to accomplish their dreams.

Rotarians often find a particular program which becomes a passion.

Rotary is not just a club that you join; it is an invitation to endless opportunities. We believe in creating opportunities for others and for ourselves. We believe that our acts of service, large and small, generate opportunities for people who need our help, and that Rotary opens opportunities for us to live a richer, more meaningful life, with friends around the world, based on our core values.

During the month of August, we performed around 85+ service projects and had hosted seminar with RC Kadodara successfully. We are thankful all those who made this event successful.

Four new dialysis machines were installed at Dialysis Department at Jay Ambe Hospital, Chaparda, Junagadh. Thanks to Global Grant, we have also installed CT Scan Machine for Jay Ambe Hospital, Chaparda Junagadh which will be soon inaugurated.

With deepest regards and gratitude to all of you and our generous donors and supporters.

Sincere thanks to all of you !!!

Yours sincerely

RTN HITESH PATEL
