ROTARY GREETINGS & SEASONS GREETINGS TO ALL OF YOU

Firstly, we are pleased to present this Issue to dedicate all Rotarians who have worked so hard and have made this Rotary Year 2021-22 so much eventful, hence we congratulate each one of you for your hard work and dedication and for being steadfast in keeping in your minds the 4 - way Test Principle during your work for the welfare of the community,

Secondly, this issue will be covering the Conference held on 28th, 29th and 30th of May 2022 in Surat which was so memorable, thanks to DG 3060 Rtn Santosh Pradhan and Team Changemakers for organising this marvellous event. We are sure you all shall enjoy reading as this is a Bulletin having Photo Feature of the Fellowship in Rotary. We admit that after hard work with sincerity and dedication we as a Team RCCRF excelled in getting awarded in 15 major categories.

Thirdly, we congratulate you all members of RCCRF and all the clubs which excelled in different categories and won the awards and also we wish all the clubs a good luck to participate in various projects and make the tasks of awarding judges difficult. Unfortunately, we could not cover the whole event, hence many pictures which deserved the exposure could not make in the final edit. Hence, please excuse us.

Our Club received SIGNATURE AWARD for CANCER DETECTION-ON-WHEELS PROJECT, plus BEST CLUB, BEST PRESIDENT and BEST SECRETARY AWARDS. We would like to inform you that this is an honour to the club which will motivate the prospective president and the team to work even harder.

From our coverage of all the projects and fellowships, we have attempted to celebrate the Club's accomplishments. We respect and appreciate your support and acceptance. Just like you, it has been indeed a very fulfilling year for us, too! It was a big challenge for all of us and thanks to the support and co-operation from DG, IPDG, Clubs, Rotarians individually, NGOs and Many Others, that launching these projects seemed so easy.

Appreciation is the key to human motivation; we all crave for someone's feedback to our work or deed. It's a way of showing respect. It's a way of building trust. This feeling lifts up people - both the giver and the receiver, and charges their energy with positivity. Appreciating the diversity and similarity within a team can reap great rewards in terms of performance and increase the satisfaction of the entire team. It inculcates a gratitude culture. Here we appreciate all those who have supported and prayed for this project and above all we thank the Almighty for success bestowed upon us all!

CHAKRA" is the face of our club and to represent true opinions, feedback from members is essential. We want to 'Engage' every reader and 'Change' the communication for the better. As we are the part of Changemakers! HAPPY READING!

MESSAGE TO DG SANTOSH PRADHAN FROM RCCRF PRESIDENT RTN NARESH PATEL

Respected Sir DG Rtn Santoshbhaiji, Ma'am Sunetrabenji and Team Changemaker family

Heartiest Congratulations to my all-time DG RTN Santosh Pradhanji for this lovely event and thanks also to the organising team. All I can say the Indradhanush Conference event was AWESOME, LOVELY & THE MOST MEMORABLE EVENT EVER for ME & MY TEAM.

RIPR RTN GEETA MANEK & FILM DIRECTOR SUBASH GHAI GIVING US SIGNATURE AWARD FOR CANCER DETECTION ON WHEELS PROJECT

THANK YOU DG and IPDG for making our day with Signature Award from the hands of RIPR Rtn Geeta Manek and Renowned Film Director Rtn Subash Ghai. When they were on the stage, I was praying to the Almighty that please let me have an Award from their hands and you were instrumental and rest is history. INDRADHANUSH- HUM SAATH SAATH HAI CONFERENCE EVENT WAS A HUGE SUCCESS for which we salute you and your organising team.

Thank you again for the 15 awards we received, here I take opportunity to thank and congratulate my team members who worked so hard to make our service projects so successful. We all thank IPDG Prashant Jani for his inspiration and motivations and support for two global grants.

Myself and Secretary Manoj can talk long about you and your dedication and about your dedication and loyalty towards Rotary.

You had chosen an able team namely DS Rtn Parimal Desai, our trouble shooter- all the year, we have troubled him so much..., Rtn Amardeep Singhji, from whom we learnt the art of persuasion and follow-up but being a shy guy I just

could not perfect myself - So sorry I failed but I am still trying..., Rtn Nihirbhai, under whose service project dept, my team did never let him down.... these are few names who inspired me and then Webinar meets which I made sure to be attended regularly. Thank you, Sir, for being so understanding and for your feelings!

For me, you are my lifetime DG just the same way as we all count PDG Rtn Ruchir Jani our first Rotary Guru, our bonding will always be there.

With Salute and Respect and lots of love and a BIG THANK YOU to you and your changemaker team!

The show must go on....

We will try our best to surpass 800 service projects by 30th June 2022 for which myself and my team will work hard with dedication to surpass this milestone for the First Time. Thank you again for recognising our 4-Year Old Club. We appreciate and acknowledge you support.

Long Live Rotary - Rotary Zindabad
With Best Wishes and Deepest Regards
