MESSAGE FROM THE EDITORS

Respected Friends,
Season's Greetings

As the month of December 2021 ends, it is our duty to inform how the past six months of the Rotary Year 2021-22 was and how did we perform during this period. This information shall give our team a bit more strength and encouragement to work and serve even more.

With happiness and pride, we would like to inform you that our Rotary Club has appeared in ROTARY INDIA Magazine in the December 2021 issue due to the Mobile Cancer Detection Unit Vehicle Project.

We all at Rotary Club of Chikhli River Front are new to Rotary as we are just 3-Year-old club but thanks to Rtn Ashish Ajmera, Rtn Ruchir Jani, Rtn Pinky Patel, Rtn Anish Shah, Rtn Prashant Jani, Rtn Santosh Pradhan, Rtn Nihir Dave, Rtn Shrikant Indani, Rtn Tushar Shah, Rtn Parimal Desai, Rtn Shamim Rizvi and many many Rotarian Friends, we were well-fed with information but at the same time, it is our duty to inform you all what Rotary is all about and also what activities our Rotary is doing.

Our Mobile Cancer Detection Unit and Free Tractor Service are working well and each day the service is booked, thanks to enormous support and co-operation from everyone. To commemorate Dhamaal Gali, we at RCCRF, organised cricket event where young and old performed and played well and pleased everyone.

Rotary Foundation is involved in most of the countries in the world, doing work for the Mankind and Environment like, Polio Eradication, Disaster Management, District Grants, Health, Hunger and Humanity (3-H) Program, Scholarships, Youth Exchange Programs, Other Educational Programs, Community Programs, Fellowships, Fulfilling the requirements of the Community as per need of the time.

The works are enormous and cannot be covered in few pages. But we have tried our best to make this issue readable and enjoyable with information which will give you details of work we do and have done.

Happy Reading!

With Best Wishes and Good Luck!

Happy 2022!!!

MESSAGE FROM ROTARY INTERNATIONAL PRESIDENT – DECEMBER 2021

Public health is on everyone's mind due to the global pandemic that still threatens the safety of ourselves and our loved ones. In a sense, COVID-19 has made all of us much more aware of the roles and responsibilities of medical professionals than we were before we had to wear masks and maintain social distance. In addition, while moving through this pandemic, we have also learned about the role we can play in keeping others safe.

December is Disease Prevention and Treatment Month in Rotary. The pandemic unfortunately has schooled most people on the toll that disease takes on our communities. But fighting disease is something that Rotarians around the world have been doing for decades. In fact, it is one of Rotary's seven areas of focus.

As Rotarians, we believe that good health and well-being is a human right — even though 400 million people across the globe do not have access to essential health services.

The work we do in establishing clinics, eye hospitals, and blood banks, as well as in building infrastructure for medical facilities in underserved communities, all returns to a central belief that access, prevention, and education are the keys to stopping deadly outbreaks that harm the most vulnerable.

My exposure to health work began with my Rotary club, Calcutta-Mahanagar. There, among other things, I helped pioneer a program called Saving Little Hearts that over the years has provided more than 2,500 free heart surgeries for children from India, Pakistan, Bangladesh, Nepal, and Africa. Before the program went international, it started locally with the goal of performing just six surgeries within our community. Today, our goal is to complete another 20,000 surgeries over the next five years.

The world relies on Rotary to tackle challenges like these and to set an example for others. Over the past decade, medical professionals and government workers have provided free health services to 2.5 million people in 10 countries during Family Health Days, which are organized by Rotarians around the world. Similar health camps in India also provide thousands of surgeries to those in need. Medical missions from India to Africa each year are an excellent example of hands-on service in disease prevention and treatment. Rotary members can also get involved at a local level; clubs in the United States and Mexico, for example, fund a free health clinic in Guerrero, a small town in Mexico.

And of course, our effort to eradicate polio is by far the best story in civil-society health care. This month, think about how your club can focus on preventing and fighting disease. This is the time to take a bigger, better, bolder approach through both club and district projects that can impact more people. Re-evaluate where you are with your goals. Create strategies that can sustain change over years, not months. Everyone deserves a long, healthy life. When you Serve to Change Lives, your actions today can help extend the lives of others.

President
Rtn. Naresh Patel

ROTARY GREETINGS!

A VERY HAPPY AND PROSPEROUS NEW YEAR!

It gives me immense pleasure to inform you that half year of my tenure as your president has been completed. I must admit that myself and team members have tried our best to make this year eventful with number of service projects we did with dedication and sincerity.

I am pleased to inform you that the Month of December shall be the month memorable one for us all as in this month we shall for the First Time cross the 100 service project barrier and I am proud of all those who have contributed so much for making these service projects a huge success.

Our Cancer-Detection-on-Wheels is performing with best results and has organised several camps and is fully booked till the end of the month of January and also the booking of February 2022 camps are being registered.

We are thankful to all the Rotary Clubs and NGOs and the individuals who are taking part in organising these Cancer Detection Camps. For more details about Cancer Camps please contact Suhel Shah +91-99794 93698.

Our Ambulance service is also a great success with Free Hospital to Hospital transfer of patients which have helped everyone in need in a great way.

Rotary Club of Chikhli River Front also have started Free Tractor Services to marginalised and poor Farmers which has become an instant success.

Also our permanent projects of Watering the trees and maintaining them along the state highway of Khergam to Chikhli is being done regularly.

Manav Jyot- Wall of Humanity shelves are always seen full because of local population and also due to members filling the shelves up to commemorate Birthdays and Anniversaries.

Aksharyaan is another project which is working since past 3 years and have served more than 750 families till date.

Our Women Empowerment Centre at Golwad, Chikhli is working well and have become an instant success with so many girls enrolled for the training of Tailoring and sewing.

Overall, we have a good track record of our Permanent Projects which is a part of success in our project services.

I am thankful to all our donors, contributors and team members who have been so helpful to make all our projects successful and my tenure so eventful.

How can I forget my two past Presidents Rtn Swetal Desai and Rtn Hassan Mayet who have nurtured the RCCRF projects and have played active role in performing the services with success.

With best wishes during the New Years Eve!

Yours sincerely

WHEEL CHAIR GIVEN TO A PARALYTIC BENEFICIARY IN MAJIGAM CHIKHLI

AUGUST 3, 2021
Today, Rotary Club of Chikhli River Front donated a Wheel-Chair with Commode to Physically-Challenged Paralytic Beneficiary Ilyasbhai F Khalifa of Majigam through Rtn. Kalpeshbhai Desai of Hond Village.

Many physically disabled persons don't have the resources to buy the wheelchair that is appropriate for their needs. There are a number of ways you can help those who have a need for wheelchairs. Our purpose is to give hope, freedom, and renewed dignity through the gift of a wheelchair and to provide the transforming gift of mobility to people with disabilities.

PROUD MOMENTS

Rtn Nareshbhai Patel has been working hard in his constituency and during the Covid 19 Pandemic, he played a pivotal role in helping Hospitals acquiring Oxygen and Life-Saving Medicines which became scarce. He initiated Centres for Covid Affected Patients in various Health Centres and also worked with NGOs. He was the frequent visitor at Rotary Club of Chikhli River Front's Chikhli Corona Care Centre where he extended his full co-operation and support. Rtn. Nareshbhai led front the front during both the waves in the pandemic and has helped number of patients get timely and proper treatment which has won the hearts of the masses.

ROTARY CLUB OF CHIKHLI RIVER FRONT APPEARED IN ROTARY INDIA MAGAZINE – DECEMBER 2021

We are proud to inform you that our Rotary Club of Chikhli River Front appeared for the FIRST time in ROTARY INDIA MAGAZINE, December 2021. This is one of the major achievements to get recognition from the Rotary Nationwide.

Cancer detection van in Alipore

Rotarians, along with PDG Prashant Jani, at the launch of the cancer screening van.

RC Chikli Riverfront, RID 3060, under a global grant and in association with 29 other Rotary clubs, and NGOs, recently dedicated a cancer detection van to the Alipore Social Welfare Trust Hospital to

help in screening people for cancer. Rtn Harshad Patel and Indiraben from the US were the major contributors. The vehicle has a unique feature of expanding its space to six feet in length.

WHAT IS ROTARY?

Rotary is a global network of 1.4 million neighbours, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

Solving real problems takes real commitment and vision. For more than 110 years, Rotary's people of action have used their passion, energy, and intelligence to take action on sustainable projects. From literacy and peace to water and health, we are always working to better our world, and we stay committed to the end.

WHAT WE DO

Rotary members believe that we have a shared responsibility to take action on our world's most persistent issues. Our 46,000+ clubs work together to:

- Promote peace
- Fight disease
- Provide clean water, sanitation, and hygiene
- Save mothers and children
- Support education
- Grow local economies
- Protect the environment

OUR MISSION

We provide service to others, promote integrity, and advance world understanding, goodwill, and peace through our fellowship of business, professional, and community leaders.

VISION STATEMENT

Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves.

DIVERSITY, EQUITY, AND INCLUSION

As a global network that strives to build a world where people unite and take action to create lasting change, Rotary values diversity and celebrates the contributions of people of all backgrounds, regardless of their age, ethnicity, race, colour, abilities, religion, socioeconomic status, culture, sex, sexual orientation, and gender identity.

YOUR TIME, ENERGY, AND A PASSION TO IMPROVE YOUR WORLD ARE ALL YOU NEED TO GET INVOLVED WITH ROTARY.

Become one of Rotary's people of action or explore the many opportunities we have for anyone — whatever your age or interest — who wants to improve lives in communities near and far. Connect with a local Rotary club to find out how you can get involved.
