ROTARY GREETINGS & SEASONS GREETINGS TO ALL OF YOU

Firstly, we are pleased to present this PURASKAR 2020-21 SPECIAL Issue, which we are sure you all shall enjoy reading as this is a Bulletin having Photo Feature of the Fellowship in Rotary. Rotary is about friendship, fellowship, service and dedication. We were amongst our team members to witness this lovely event managed by IPDG Rtn Prashant Jani and Event Chair Rtn Amardip Singh Bunet and Team Members. We felt blessed ones to having witnessed this historic event for the First Time. We admit that after hard work with sincerity and dedication we as a Team RCCRF excelled in getting awarded in major categories.

Secondly, we congratulate you all members of RCCRF and all the clubs which excelled in different categories and won the awards and also we wish all the clubs a good luck to participate in various projects and make the tasks of awarding judges difficult. Unfortunately, we could not cover the whole event, hence many pictures which deserved the exposure could not make in the final edit. Hence, please excuse us.

Our Club received PLATINUM AWARD in BEST CLUB CATEGORY and DIAMOND AWARD in BEST PRESIDENT CATEGORY which is a feather in our cap. We would like to inform you that this is an honour to the club which will make the president and team in future work harder as it is a motivating factor.

We at RC Chikhli River Front, feel humbled and happy to receive such and honour as Team Pinnacle worked so hard in the difficult times of Pandemic and still many projects were successfully performed and hence such award which you shall be seeing in this Special Issue of our CHAKRA Bulletin, From our coverage of all the projects and fellowships, we have attempted to celebrate the Club's accomplishments. We respect and appreciate your support and acceptance. Just like you, it has been indeed a very fulfilling year for us, too! It was a big challenge for all of us and thanks to the support from so many Rotary Clubs, Rotarians individually and NGOs and Many Others, launching this project seemed so successful.

Appreciation is the key to human motivation; we all crave for someone's feedback to our work or deed. It's a way of showing respect. It's a way of building trust. This feeling lifts up people - both the giver and the receiver, and charges their energy with positivity. Appreciating the diversity and similarity within a team can reap great rewards in terms of performance and increase the satisfaction of the entire team. It inculcates a gratitude culture. Here we appreciate all those who have supported and prayed for this project and above all we thank the Almighty for success bestowed upon us all!

“CHAKRA” is the face of our club and to represent true opinions, feedback from members is essential. We want to ‘Engage’ every reader and ‘Change’ the communication for the better. As we are the part of Changemakers!

HAPPY READING!

PRIP Kalyan Banerjee.

Trustee Chair 2016-2017 Rotary Club of Vapi.
Rotary International President 2011-12.
Trustee, The Rotary Foundation, 2001-05.
Director, Rotary International, 1995-97.
Trustee member, The Rotary Foundation 2013-17

He has been marshalling his energies for Rotary since 1972, when he joined the fledgling club in his hometown of Vapi, India. Around the same time, the young chemical engineer was starting up a small company to produce red phosphorous, an essential ingredient in fertilizer. Under Banerjee's leadership, United Phosphorous Limited blossomed into the largest agrochemical manufacturer in India. And Vapi, due in no small part to the work of the local Rotary club, has been transformed from a sleepy village into a major industrial center in Gujarat State.

Over the last four decades, Banerjee has served Rotary as a district governor, president's representative, committee and task force chair, Rotary Foundation trustee, and director. He also has been a member of the International PolioPlus Committee, heading up initiatives that have spurred Rotary's polio eradication efforts in India.

Now, almost to his own amazement, Banerjee is the organization's 101st president and the third from India.

PRIP RTN KALYAN BANERJEE GIVING BEST CLUB AWARD TO US

do service projects and implement it cause your visits taught us that if a man can travel so long braving both the waves of covid which made our lives so difficult, than why not we can do...

You had able team in IT section, which guided me(Rtn Chiragbhai), Shri Amardeep Singhji (a real dedicated Rotarian) I learnt the art of persuasion but being a shy guy just could not perfect myself - So sorry I failed but I am still trying , Rtn Nihirbhai, under your service project dept, I tried and my team did never let you down.... and then Parimal Desai my trouble shooter guy - all the year, I have troubled him so much.....these are few names who inspired me and then Webinar meets ...I am sorry I was absent once only or else you made it sure my Ramzan Fast time and Namaaz Time would not clash.... Thank you, Sir, for being so understanding and for your feelings!

For me, you are my lifetime DG just the same way as I count Rtn Ruchir Jani my first Rotary Guru.

With Salute and Respect and lots of love and a BIG THANK YOU to you and your team!

The show must go on....

We will try our best to surpass 500 projects and this will be possible due to your previous years' motivation.

FEELINGS TO FELLOW ROTARIAN TEAM MEMBERS FROM IPP RTN HASSAN MAYET

MY DEAR ROTARIAN BROTHERS AND SISTERS

Wow! What an amazing achievement by everyone connected to Rotary Club of Chikhli River Front in being awarded no less than 15 Awards including the coveted Platinum Award for the BEST CLUB OF THE YEAR 2020-21 and BEST PRESIDENT OF THE YEAR 2020-21 – DIAMOND AWARD.

I, Hassan Mayet, who was fortunate to be the President of this wonderful club in Chikhli would like to express my sincere thanks to one and all of its members and supporters for their hard work, dedication, commitment and perseverance in executing their duties in what has been one of the extreme challenges that the modern world had to endure...the COVID-19 pandemic.

Not only did our Rotary Club succeed in executing many high profile and worthwhile projects but had to adjust fantastically to deal with some of the crisis caused by the pandemic especially the desperate situations faced by the less fortunate members of the community.

No word can express my sincere thanks and gratitude to all my team members but being recognised by our peers and being honoured with such accolades and these Prestigious Awards will speak much louder than any praises I can give to everyone involved with the Rotary Club of Chikhli River Front. Thank you, PP Rtn Swetal Desai, for his overwhelming support. I also thank Rtn Hitesh Patel, Rtn Naresh Patel, Rtn Shailendra Singh, Rtn Manoj Shah, to name a few who amongst many other team members, who beside me and worked hard during the Chikhli Covid Care Centre Project.
