ROTARY PRESIDENT 2020-21 RTN HOLGER KNAACK MESSAGE – JUNE 2021

In January 2020, when I announced my presidential theme, *Rotary Opens Opportunities*, and spoke of the changes that Rotary needed to embrace, none of us had any idea how quickly change would arrive. But I am a longtime believer in seeing challenges as opportunities. This year, we seized new opportunities to reimagine what Rotary could be. For years, we had discussed ways to make Rotary flexible and adaptable, and we had tried a few experiments. This year, we all experimented — and succeeded! Online meetings are a regular fixture now as clubs invite guests from across the globe.

Susanne and I love to meet members of the family of Rotary around the world, and we've missed seeing you in person over the past year. But for me, it was a new way of experiencing Rotary. We traveled the world virtually. I definitely met thousands more of you than I would have otherwise. I never set foot in my office in Evanston as president, yet we found new ways to get the job done while cutting travel costs.

This is the Rotary we experienced in 2020-21: nimble, adaptable, and creative. The next step is not to go back to the way things were before the pandemic. We must move forward. Let's apply what we have learned in order to offer new experiences and opportunities for our members, such as online attendance as a regular option.

We need a younger, more diverse Rotary at every level to keep our clubs strong. What diversity means is different from region to region, but I encourage you to welcome people from all backgrounds. Another step we can all take is to increase the number of women and amplify their role everywhere.

I am glad that many now see Rotary and Rotaract clubs as equals. Let's keep going in this direction by inviting Rotaract clubs to be a part of everything we do. Let's not squander any opportunity to reach young leaders, but partner with Rotaract and invest in our many new approaches.

I am very proud of the work Rotary is doing to fight COVID-19 by supporting vaccination campaigns through advocating for fair distribution and combating misinformation. But we must also continue to do everything we can to end polio. And we now have opportunities to work in a new area of focus: the environment.

The world is a different place today from when I first announced that *Rotary Opens Opportunities*. We can all be proud of how we updated what Rotary can be this year. Let's continue on this path, always taking care of our clubs and of our friends in those clubs. They are precious, and they keep Rotary alive and thriving.

Susanne and I are thankful for all the opportunities to serve the organization during this special year, a year of finding new meaning in Service Above Self. We see Rotary as a community of people who live their values by putting them into action. In these extraordinary times, there is no doubt that we must place increased emphasis on service. This is our opportunity to show the world what Service Above Self means for Rotarians.

There are so many opportunities waiting for us that will help us change the world. Let's seize them together and get ready to open doors to achieving greater things. And as we open these doors to new ideas, our minds and our hearts also open. Remember that everything we do in Rotary opens another opportunity for someone, somewhere.

MESSAGE FROM RTN SHEKHAR MEHTA – PRESIDENT 2021 – 22

SHEKHAR MEHTA

I wish each of you and your families a great Rotary New Year! Together, let us make it the best year of our lives, by making it a year to grow more and do more. Let this be a year of changemakers, and let us begin with our membership.

That is precisely why the Each One, Bring One initiative is so important. During this year, I urge you to dream of new ways in which Rotary can expand its reach into your community and therefore the world. If each member introduces one person to Rotary, our membership can increase to 1.3 million by July 2022. So, let's just do it!

Imagine the change we, as Rotary members, can make when there are so many more of us! More people to care for others, more people to Serve to Change Lives. Think of the impact we can have through grow more, do more. More members will enable us to embark on bigger and bolder service projects. And each of us can also continue to serve in our own personal ways, responding to needs in our communities.

The beauty of Rotary is that service means different things to different people around the world. One element, however, that we can incorporate into all of our service initiatives is empowering girls. Unfortunately, even in this day and age, girls and young women face disproportionate challenges all over the world. We have the power to lead the charge for gender equality. Empowering girls and young women to have greater access to education, better health care, more employment, and equality in all walks of life should be embedded in every Rotary project we launch. Girls are future leaders, so we must ensure that we help them shape their future.

The biggest gift we are given
Is the power to touch a life,
To change, to make a difference
In the circle of life.
If we can reach out
With our hand, heart, and soul,
The magic will start to happen
As the wheel begins to roll.
Let's turn the wheel together
So all humanity thrives,
We have the power and the magic
To Serve to Change Lives.

These are challenging times, and I complement each of your efforts in grappling with COVID-19. No challenge is too big for Rotarians. The bigger the challenge, the more passionate the Rotarian. Look at what we can do when we take on a colossal challenge such as eradicating polio. Look at the millions of lives we improve by strengthening access to water, sanitation, and hygiene. Look at what we do every year to promote peace in places where it seems unimaginable. Our basic education and literacy programs have nation-building impact.

This year, let us challenge ourselves to do more such projects and programs that have national reach and impact. This year, let us Serve to Change Lives.

SERVE TO CHANGE LIVES

THANK YOU DG RTN PRASHANT JANI

DEAR DG RTN PRASHANT JANI AND THE FIRST LADY RTN HITABEN JANI and All Our Pinnacle Team Members

We hope and pray that you all are in best of health and feeling a bit relieved after 365 days of hectic schedules and challenging events. It has been wonderful and eventful one year when we all were thinking that during the pandemic waves I and wave II, but each day became a meaningful day and we have worked each day beyond our imagination.

When the DG himself is on the lead and is leading us with so much energy and dedication, what do you expect from us all. We are proud that we worked under you and got motivated and inspired from you and that we achieved Global Grant for Cancer Detection-on-Wheels Project under you and shall work in future involving your good self to work for the betterment. The year ends but the show must go on..... !

Plus, under your leadership, we have applied for a total of Six Dialysis Machines and also have applied for another Global Grant.

The baton will be transferred to my prodigy Rtn Naresh Patel soon, name will change but the work will never have a full stop, we will work with same spirit and same energy and will bring much more service project works as possible.

We shall also increase as much new members in the younger generation so that they will bring innovative ideas and new project works. On the other hand, we would also concentrate on some permanent projects so that we are able to do something good with Rotary Recognition amongst the local public.

It was an eventful year with more than 475+ service projects done and during each projects done you were always remembered by us.

Your frequent presence and visits to see us how we perform gave us extra vitamin and we tried to work with even more vigour.

Lastly a very Big Thank You for being our DG and for Nourishing the Team Pinnacle to reach the Highest Level for which we all, your team members feel Blessed and Thankful to the Almighty.

MESSAGE FROM DS RTN SHAMIM RIZVI

Dear Pinnacle Friends,

As the sunsets on the horizon and curtain are drawn on the eventful year of Rotary Opens Opportunity, we would like to thank each and every one of you who were part of this beautiful journey.

Team Pinnacle you have accomplished every task for the year, that too with resounding success and we did it with compassion, grace and teamwork, under the able guidance of our DG Prashant Jani, DRF PDG Ashish Ajmera and DT PDG Ruchir Jani.

We raised more money than ever before. We contributed more money to charity than ever before. And we did it with compassion, grace and Teamwork. You have made this year an easy task by your generosity and selfless service.

When you come to the end of any experience, there is always mixed emotions - relief that responsibilities are coming to an end and excitement - in what we learned.

It has been an honor and privilege for me to serve as District Secretary of RD 3060 for the year Rotary Opens Opportunity. My sincere gratitude for DG Prashant Jani, DRF PDG Ashish Ajmera and DT PDG Ruchir Jani for their valuable advice, support and guidance, without it, my time as DS wouldn't have been smooth. It's hard to measure the impact you've had on me, but I know it's been significant.

My journey as DS has ended, but my association with Rotary will continue, if the need arises, I will always be available.

In closing, I again want to thank you all for your resounding support and encouragement this year.

Thanks & Regards

MESSAGE FROM THE PRESIDENT

Greetings to All My Dear Rotarian Friends and Family Members,

It gives us immense pleasure to publish this Bulletin which is to commemorate the last day of the Rotary Year and the beginning of the new Rotary year 2021-22.

A popular saying, "If you can dream it, you can do it". But first, you must hold the dream and remain focused on what is desired. Rotary provides many Rotarians the means to accomplish their dreams. Rotarians often find a particular program which becomes a passion.

Rotary is not just a club that you join; it is an invitation to endless opportunities. We believe in creating opportunities for others and for ourselves. We believe that our acts of service, large and small, generate opportunities for people who need our help, and that Rotary opens opportunities for us to live a richer, more meaningful life, with friends around the world, based on our core values.

Today 30th June 2021, being my last day as a President of this glorious Rotary Club of Chikhli River Front. I would like to thank each and every member for their moral and personal support during the difficult times we faced throughout the year.

This full co-operation lead to many achievement which only district governor and team pinnacle will judge but their appreciation verbally suggest that we had performed greatly in performance point of view as we did more than 475+ service projects during the year and as the year ends today I feel proud to inform you that our dynamic President Elect Rtn Naresh Patel who will take over has many specialities and prowess to work for the RCCRF even better and with us all supporting him and his vision we shall achieve much better.

Our Chikhli Covid Care Centre served 812 patients with 100% result which is a major achievement. All the services this year were done without any charge taken meaning free of cost to everyone and also without any appeal to contribute from any members this year,,,, thanks to the generosity of our donors. Had we needed you to contribute then i am sure each member would have happily come forward to do so.

Upcoming mobile cancer detection unit service has delayed in erection stage due to industrial lockdown but the project will be soon in near future ready to serve the people.

Two new dialysis machines will also be coming soon which will be serving the community at Alipore Hospital and four more dialysis machines at Junagadh, Plus RCCRF is sponsoring a global grant soon which will be for CT Scan Machine at Jay Ambe Hospital Junagadh. Hence ...the show must go on.

Lastly, my apologies to all of you if i have knowingly or unknowingly have inflicted pain on anyone of you, I with humbleness ask to forgive me and my team members who were in action.

With deepest regards and gratitude to all of you and our generous donors and supporters

And with full co-operation and support to our President 2021-22 Rtn Naresh Patel and Secretary Rtn Manoj Jain.

May God bless you all and may Almighty bless us all with many more successes in future and may we all achieve much more goals and the goals which were not even set...let ua all reach to a new horizon by working hard for the welfare of the community and mankind

We shall need continued co-operation of all the Rotarians and Clubs to make this Project a very big success and try our best to save lives. Sincere thanks to all of you

KEEP DISTANCE, STAY FIT, STAY HEALTHY!

Yours sincerely

આ પ્રોજેક્ટના ચેરમન સ્વેતલ દેસાઈ ઉર્ફે સેતુભાઈ વિચલેખાને કહે છે કે નાનકડા શહેરમાં ટીમવર્કને કરવો આ સફળ આયોજન કરી શક્યા. ખાસ તો અમેરિકા અને હાંનમાં સ્થાયી થયેલા લેડવા પાટીદાર સમાજના દાનવીરો તરફથી સહકાર મળ્યો. અમેરિકાના ફ્લોરિડાવાસી પાથ વેડુ પ્રોએસ ટ્રસ્ટના જયેશભાઈ અને કિશોરા પટેલ નામના બ્યારીઓએ દાન મોકલવાયું. એ જ પ્રમાણે એટલાન્ટાના જયેશભાઈ પટેલે પણ મોટો આર્થિક સહયોગ આપ્યો. સૌરાષ્ટ્ર કડવા પાટીદાર સમાજે સેન્ટર બનાવવા એમના વિશાળ ભવનની જગ્યા ફાળવી.

નવસારી ક્વારી એસોસિએશનના પ્રતિનિધિ શૈલેન્દ્રસિંહ રાજપૂત વિચલેખાને કહે છે કે અમે ચીખલી આસપાસનાં ગામમાં રહેતા અમુક રોટરીરિત સભ્યોને ત્યાં જ ઓકિસિજન કોન્સેન્ટ્રેટર રાખ્યાં છે. ગામના લોકોને જરૂર પે ત્યારે આ મશીન મહત્તમ ઉપયોગ માટે લઈ જઈ શકે છે. દૈનિક મહિનાની કામગીરી દરમિયાન અમને ધણું શીખવા અને જાણવા મળ્યું. ન કરે નારાખણ ને કદાચ ગોજી લહેર આવે તો અમે હાલ કરતાં વધુ સારી વ્યવસ્થા કરી શકીશું.

કોરોના સામેની લડતમાં ચીખલીમાં થયેલી કામગીરી વિશે જાણી લેડવા પાટીદાર સમાજ-અમેરિકાના પ્રમુખ નેન્સી પટેલ તરફથી ઓકિસિજન પ્લાન્ટ બેટમાં મળ્યો છે. ચીખલીની આલીપોર હોસ્પિટલમાં આ ઓકિસિજન પ્લાન્ટ ફિટ કરવામાં આવ્યો છે. રોટરી ક્લબ ઓફ રીવરફ્રન્ટ-ચીખલીના પ્રમુખ અને આલીપોર હોસ્પિટલના કાર્યાલય હસ્ત મેળવેલ કહે છે કે અમારા કોવિડ સેન્ટરની સફળતા પાછળ અહીંના તબીબો, નર્સિંગ સ્ટાફ અને કાર્યકરોનો મોટો ફાળો છે.
