Of the things we think, say or do:

first

EVENTS

BLOOD DONATION CAMP

It is rightly said that, if you're a blood donor, you're a hero to someone somewhere who received your gracious gift of life. Be a blood donor, be a Hero – A real one.

Rotarians are proud to announce that we organized a Blood Donation Camp on 15 th of August 2022. This event was under the guidance of RCF.

We can give someone a second chance at life by donating blood. One day, that person might be a close friend, family member, loved one, or even you.

AASHIYANA

Aashiana, a better place to live, is an initiative by the Rotary Club Faridabad to build up the infrastructure for the birds to build a nest in the houses.

In this project, we will distribute an artificial nest made of natural materials that a bird can use to create its own nest throughout the year as part of any service initiatives we undertake.
