We are happy that we could complete some meaningful projects post COVID.

Friends and Well-wishers,

As our beloved club, Rotary Club of Calcutta Acropolis steps into fourth year of service, dedicated to weaker section of society, we take this opportunity to invite you to be a part of our endeavor to achieve our goals to provide basic educational infrastructure to the remote villages in Southern part of West Bengal. Together, we aspire to provide classroom education and toilet facilities to girl child, financial support to the teachers and classroom amenities and infrastructure. Towards this objective, we seek your generous contribution for our signature projects namely;

BENCHMARK

A project with a purpose to provide benches in the classrooms for students who are presently seated on floor during class. Through this donation we convert dilapidated schools to happy schools with benches in properly illuminated classrooms and hygienic toilets. The donations are welcome in Rs.5000/- and multiples thereof.

SOW A DREAM SAVE A SMILE

A project for marginalized children deprived of education because of poverty. What we aim at, is refurbishing /rebuilding and reopening the rural schools which are dilapidated or closed, with a mission to transform them into 'A Better Place of Learning'- through a donation of Rs. 12000/- from you. The gratitude you receive is priceless.

GURUDAKSHINA

A project with a purpose to provide financial support to the often deprived rural teachers – the nation builders of rural Bengal. Your kind gesture in the form of a donation of Rs.12000/- should come as a boon to them, the aged and retired teachers in particular.
