# Rotary PEOPLE OF ACTION

In 1932 Rotarian Herbert J. Taylor created the Four-Way Test, a code of ethics adopted by Rotary 11 years later. The test which has been translated into more than 100 languages, asks the following questions:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

### 12th November Inauguration of Manikarnika Van

A forest being developed jointly by RC Vadodara ONE, Gujarat Forest Department and Gangadiya Village Gram Panchayat, at the hands of DG Santoshji & Sunetraji and Conservator of Forest Rajyaguruji. Under the leadership of Project Chair Sunil Joshi & Range Officer Kinjalben and with help of RCC and Gangadiya Gram Panchayat, an area of 3.5 acres around the crematorium was leveled for plantation and the fence installed too. 1200 of 1400 trees planted already based on species suggested by Dr Jitendra Gawli- Director Community Science Centre. A unique lay-out based on NavGraha is designed by Rtn Mitesh Punjani of Consortium D2E. This is just the beginning. We have a long way to go to achieve our vision for Manikarnika and RCV ONE will work towards it.

## 12-13th November Official Club Visit (O.C.V.)

RCV ONE is grateful to DG Santoshji Pradhan and Sunetraji for a lovely and pleasantly different OCV for 2021-22. Spread over 2 days (12th & 13th Nov), it was filled with many elements, starting with inauguration of Manikarnika Van on 12th Nov, followed by visit to our members' (Rtns Hemant Malhotra & Sukesh Lakudkar) workplace then an inflight lunch! Next day, apart from the customary meetings, we also had a visit to our Permanent Project AtmaNirbhar- A centre for Skill Development for the underprivileged. All club members had a wonderful time interacting with the unassuming DG and First Lady and once again we are thankful to them for this wonderfully memorable OCV
