In 1932 Rotarian Herbert J. Taylor created the Four-Way Test, a code of ethics adopted by Rotary 11 years later. The test which has been translated into more than 100 languages, asks the following questions:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

2nd August 2021 – Smart Phone Donation

Happy to share that we received a donation of Rs 7000/- for a smart phone from Nanduben Shamji Nandani Charitable Trust.

The beneficiary is a student from a financially weak background. This will help him study online .

Sadly, his father Mr Vinubhai Vankar (Age 48yrs) is a cancer patient and they are facing a bit of a rough patch.

We thank the Nandani family for their generous donation.

5th August 2021 – Speaker Meet: Naam Namak Nishaan by Major Mayank Mathur Jointly held by RC Vadodara ONE and RC Baroda Cosmopolitan

A spellbinding evening with our Guest Speaker Major Mayank Mathur, a Kargil War Hero. Kargil Vijay Diwas is celebrated across India on July 26 every year to honour the fallen soldiers of the Indian Armed Forces who fought valiantly to recapture the heights of Kargil. Local shepherds gave information about the presence of Pakistani infiltrators at Kargil outposts in May 1999. Soon, India launched Operation Vijay that lasted for 60 days and ended on July 26, 1999. Since then, the Prime Minister of India pays homage to the soldiers of the Indian Armed Forces every year on Kargil Vijay Diwas. Major Mathur shared moving stories of ground zero, of many other war heroes, and the way they fight for the motherland at all cost. He also shared how the army is there for the country during calamities like floods, earthquakes, riots, or any such crisis. Everyone, including the young Interactors, was captivated by him. The session went on almost past 10 pm.! No words to express our admiration and gratitude for Major Mathur!

Many thanks to Rtn Alok Desai for inviting him as a Speaker!

BLOOD DONATION CAMP

15th August 2021 – Vaccination Awareness Drive through a Unique Food Treasure Hunt Jointly held by RC Vadodara ONE and RC Baroda Cosmopolitan

An unforgettable program jointly organized by Rotary Baroda Cosmopolitan and Vadodara ONE. More than 125 participants of all age groups participated in this event. We received overwhelming feedback from participants for days after the event, congratulating us for the well organized event and telling us how they enjoyed that day. Posters were put up at the premises of all vendor partners, and on all cars too. All vaccinated participants also were given 'I AM VACIIATED, ARE YOU?' stickers with Rotary logo. It was a memorable mix of service + fellowship + public image.

May we soon achieve Independence from this Covid Virus through vaccination for all!

Activities of RCV ONE Rotaract Anurakti

Anurakti Pathshala and Project Annapurna

Held on all Sundays of August 2021 except 22nd August (Due to Raksha Bandhan)

This recurring project is held every Sunday at Chhani Jakatnaka, where the Rotaract volunteers not just feed a healthy meal on a Sunday morning to the underprivileged children but also teach them basic Maths, Gujarati and English for at least 2 hours. The children have to be literally convinced, but it is well worth the effort. This month it was conducted on 1st, 8th, 15th & 29th of August.

Educational Camp at Dahod

Held on August 8, 2021

Under the Project of Anurakti Pathshala, Rotaractors and some students of Zydus Medical College, Dahod joins hands for the noble cause of teaching fundamental education.

From basic learnings to exploring the power of imagination.

August 15, 2021 -The 75th Independence Day Celebration at Dahod Camp

Kids need to know & get inspired. So Rotaractors decided to play a game called “Mane Odkho (Identify Me)” in which they showed children the photos of our freedom fighters, great scientists & the diamonds of nation & asked them to identify them and say one thing about that person. We also served Balushai (બલુશઈ), a sweet, to all present on the camp on this auspicious day. Thank you Vinodbhai Premjani who is local resident over there & helped us for this yummy sweet!

Paul Harris, The Adventurous Young Man

Rotary's founder Paul Percy Harris was born on April 19, 1868, in Racine, Wisconsin to George and Cornelia Harris. He was the couple's second child. At age three, when his family fell on hard times, Paul was moved with a sibling to Vermont to live with his paternal grandparents, Howard and Pamela Rustin Harris. He was raised by his New England grandparents with values of tolerance toward all.

Paul Harris at age 3

He was a mischievous child. He attended primary school in Wallingford and secondary school in Rutland, where he played pranks and skipped class. He also attended Black River Academy in Ludlow but was expelled after only a few weeks.

After secondary school, he enrolled in the University of Vermont in 1886. He was expelled with three others in December of 1886, because of his involvement in an underground society. Harris spent the spring with a private tutor, and in the fall of 1887, he enrolled at Princeton University. Due to the death of his grandfather in the spring of 1888, he did not return to school the following fall. Harris soon moved to Des Moines, Iowa, where he was apprenticed at a local law firm. After completing his apprenticeship, he studied law at the University of Iowa. He graduated with a Bachelor of Law degree in June, 1891.

In his senior year, a former graduate told his class that they should "go to a small town for five years

make a fool of themselves, then go to the big city!" Harris decided to hit the road for the entire world.

In 1891, he worked as a reporter for the *San Francisco Chronicle*.

In 1892, he worked as a manual laborer on a fruit ranch and then worked in a raisin-packing plant. Harris was also a teacher at the L.A. Business College. Then he moved to Denver, Colorado, where he was an actor in a stock company, a reporter for the *Rocky Mountain News*, a cowboy, and a reporter for *The Republican*. After moving to Jacksonville, Florida, where he worked as a night clerk at the St. James Hotel, a traveling granite/marble salesman.

Paul Harris as a student at the University of Vermont

In 1893, he worked as a reporter on the Washington Star, a cattleman ship going to Europe. While on his first voyage on a cattleman ship, Harris wrote that he first experienced sub-human conditions. He also picked oranges in Florida and moved back to Jacksonville to sell marble granite. His territory included the southern states, Cuba, the Bahamas and Europe.

When he announced that he was going to Chicago to practice law, his employer said, "Whatever the advantages of settling in Chicago may be, I am satisfied you will make more money if you remain with me." Harris replied, "I am sure you are right, but I am not going to Chicago for the purpose of making money; I am going for the purpose of living a life." In 1896, he did go to Chicago to practice law.
