Dear President Anoop Garg Ji

Rotary Greetings!

Congratulations to you for accepting the leadership position as a Club President in the RY 2022-23. This little step has opened up your wings to fly to soaring heights and take society to a more meaningful, humble, accomplished, and peaceful stratum through the magical world of Rotary. Believe me, your positive thinking, hardworking attitude, and determination of doing something unique for the community will create history for you as well as give you immense satisfaction. This is what I have experienced in the last 25 years of my Rotary Journey.

Rotary's motto is service above self and we will have to continue our fight against illiteracy, hunger, poverty, water scarcity, disease, pollution & so on.

Rotary will stay relevant as long as we are sensitive to the needs of our communities and give our time, talent and resources to make a difference in the lives of the less privileged.

My compliments to you and your team for Publishing Club bulletin of your Club, the Rotary Club of Faridabad Heritage.

Alka & myself wish that may you all raise the glory of Rotary even better. Wishing you all a successful and blissful Rotary journey.

All the best & let's IMAGINE ROTARY together for achieving significant Rotary objectives.

Rotary Regards  
Ashok Kantoor  
District Governor 2022-23

I am proud to be a Rotarian!

I am most honored and humbled to be elected as the President of our Rotary Club of Faridabad Heritage, and with the help and support of my Board members and fellow members of the Club I will do my best to meet this challenge.

Our club has been built on a strong leadership foundation, and I am fortunate to have a membership that is fully committed to the Rotary ideal of Service Above Self, and continues to go the extra mile in building the club, and carrying out many worthwhile projects that we undertake for the benefit of our community.

During this year, I will be depending upon all the members, especially IPP Rtn. Shiv Gupta Ji for their continued support throughout the year. I heard someone say at the District Conference that the best mentors for any president are the Past Presidents.

Together we will Imagine Rotary and Implement Rotary.....
