District Governor's Message

Dear Fellow Rotarians,

Imagine life without wheels; wouldn't it be difficult? It would be a world without machines, clocks, or automobiles. Similarly, Rotarians would find it impossible to imagine a world without the Rotary Wheel of Service. Ever since I was a little boy, I have been fortunate to witness the multi-fold impact that Rotary has on the lives of people in the community and for Rotarians on their personal and professional front. I have since visualized ways through which I could contribute more and more through Rotary to make a meaningful difference.

Knowledge's creative element is imagination. The recipe for reaching new heights is a Passionate Imagination, a thorough Grasp of Rotary Knowledge, a Solid Action Plan, and the Backing of All Stakeholders. I urge every Rotarian to contribute to the various rotary activities and immerse in another year full of service.

Rotary is about the journey, not the destination; enjoy every moment of it. The year will pass by it is up to you to determine how to make the most of it. With members from various backgrounds with a wealth of experience, ideas and enthusiasm, we look forward to the innovative ideas in order to make a relevant difference in our communities and around the world.

When I imagine our vision for the district initiatives, I imagine breathing in the fresh air with the echoes of the flora and fauna, I imagine easy access to water for every individual, and I imagine smiles on the faces of farmers. To achieve this, our initiatives would include Tree Plantation, Rainwater Harvesting, Watershed Management & Farmers' welfare along with an every welcoming ear for the ideas & projects from our fellow members. Along with substantial contribution towards the environment, I imagine a community of frequent blood donors. I encourage every member and club to actively participate to contribute towards fulfilling Rotary's objectives while strategically planning for long term goals.

This is the first time in our 115-year history that we have a female Rotary International President, Jennifer E. Jones. This should serve as an example for us to include more women in the clubs. Along with diversity, Women bring grace, dignity and culture to the clubs. To achieve this objective, RI has set a target of having 30% more women in Rotary.

The directory team has put in a lot of time and effort to create this fantastic directory & I am grateful to everyone for their unending support. Thank you for everything you do for our Communities, Rotary & Rest of the World. Let's Imagine & Achieve A Successful Rotary Year 2022-23.

Yours in Rotary

Dr Anand Jhunjunuwala

EDITORIAL – Rtn Rajesh Mantri

My Dear Rotarians,

I am feeling very much excited to present this 1st issue of “Seva-Chakra”, Club Bulletin of Rotary Club of Khamgaon. I am very much thankful to the President Rtn Alok Sakalkale &

Hon. Secretary Rtn Ritesh Kedia for showing faith in me & I would try my best to make it worth.

To the best possible extent, I have decided to publish Club Bulletin every month or at least bi-monthly, so that the members will come to know about the various policies laid down by BOD, the projects completed & the projects to follow in future. They will also come to know about the vast amount of knowledge regarding Rotary spread all over the world. The local recognition, to be followed by regional, national & international recognition should be our aim & with your immense support, I would like to take Rotary Club of Khamgaon to that level. During this journey, I know that I will need help of many other hands but at the same time, I am damn confident about the kind hearted co-operation from my dear Rotarians. Personally, I have decided to enjoy the regime of Rtn Alok bhai & Rtn Riteshbhai to the fullest extent by attending all the Local Programs, Training Seminars, and Conferences etc. Moreover, it's really been a very proud moment for all of us that a person from a small township like Khamgaon will represent the whole District 3030, which comprises of nearly 90 clubs. I am very small person in Rotary who would dare to say that we all should set an example in our respective portfolios to strengthen the hands of District Governor 2022-23 Rtn Dr Anand Jhunjhunuwala.

Solving real problems takes real communication & vision. For more than 117 years, Rotary's people of action have used their passion, energy & intelligence to take action on sustainable projects. From Literacy & Peace to Water & Health, we are always working to better our World and we stay committed to the end.

That's all from my desk right now. Good Bye & have a nice Rotary Year ahead...
JAI ROTARY...!!!

MESSAGE BY PRESIDENT RTN ALOK SAKALKALE

4

Rotary is an International Club/NGO, It is a non-political and non-religious organization, doing for the World's poor and needy since 1904. We are proud to be the part of such organization whose volunteers around the world worked tirelessly. It is a platform to facilitate Community Services, where people from multiple vocations and backgrounds can participate. we are standing on our own legs, it's because of ROTARY... It is the only organization which has been successful in eradicating polio from almost every part of the world.

Every person has some social credit towards the society and Rotary is the big platform to pay back and release social credit, towards the community.

Friends, it is a proud moment for me to have the opportunity to lead this erudite, vibrant and enthusiastic club. Thank you to all Past Presidents and members for taking up the responsibility to lead the club. This year seems to challenges and responsibilities as the DG Dr. Ananad Jhunjhunwala is from our club. We must stand united and strong and keep our wheel of Friendship and service rolling. It is rightly said, "Live each minute as if it will be our last and learn as if it we will be forever..."

Every challenge makes us stronger and better for turning into wonderful people. The positivity we are surrounding ourselves will be surely radiate not only to our families but also to our social circles and make the world positive and wonderful again.

The theme given by our RI President Jenifer Jones is IMAGINE Rotary, and we work around the seven area of focus.

This year my humble request to each one to you is Respect Time, Respect Person ! Do not keep this thought only for Rotary Club but in every walk of life. Time just passes and no matter how influential how storing, how rich you are. We cannot bring that moment back.

Similarly the people around us are our support system and we must value them. The respect that we give to other reflects the respect we give ourselves. So let us walk together and work in harmony towards successful tenure.

Go ahead and win the heart of one and all with your work. Let us all come together and with our service and friendship make difference in lives around us.

Have a great year ahead.

Thank you

Rtn Alok Sakalkale
President 2022-23

ROTARY 4-WAY TEST

- ✓ Is it The **TRUTH**...???
- ✓ Will it build **GOODWILL & better FRIENDSHIPS**...???
- ✓ Is it **FAIR** to all concerned...???
- ✓ Will it be **BENEFICIAL** to all concerned...???

Mission Statement - We provide service to others; promote integrity, and advance world understanding, goodwill & peace through our fellowship of business, professional & community leaders.

Vision Statement - Together, we see a world where people unite and take action to create lasting change; across the globe, in our communities & in ourselves.

It was chartered on 20th Jan 1959. It started with strength of 20 members & the founder President was Rtn Ramlalji Agrawal. Today it has a strength of 116 members. Club's weekly meeting is scheduled on every Friday at 09.00 pm at Rotary Hall, Smt S.R.Mohta Mahila Vidyalaya, Khamgaon & monthly meeting is a Family Get-together with good fellowship.

RC Khamgaon bears its own land of 1.5 Acres at MIDC near Ghatpuri & constructed its permanent project Rotary English School, where education to the children of deprived people is given at very nominal rates and that too without any sort of donation. Just we have constructed few rooms and a hall at the site. Another milestone is Rotary Matimand Vidyalaya, which is a non-granted school for mentally challenged students. Rotary has also built 02 Jal-Mandirs at Court & Sub-Registrar's office & 01 Jal-Nikumbh at Smt S.R.Mohta Mahavidyalaya for providing the good quality of water to the people round the clock. Rotary organizes Kavi-Sammelan every year on 19th Feb, as a fund raising program, inviting world fame poets to perform.

Under two matching grant projects, Rotary has set up two Computer Laboratories at Shri A K National High School and J V Mehta Navyug Vidyalaya. Thousands of needy students are taking benefit of the same. Under global grant project of Rotary International, Computer Lab & Toilets were constructed at Tilak Rashtriya Vidyalaya. Also RO Water facility, School Desks, Benches & Bunk Beds at the hostel were provided under the same head. This project costed almost 23 lacs of rupees.

Recently, first time in the history of RC Khamgaon, two children were deputed to France & USA for a period of one year under Rotary Youth Exchange Program. Since 15 years, RC Khamgaon arranges RYLA program of 03 days as a Personality Development Camp of Students at some remote place. It also arranges IOL camp in which 150 plus eye surgeries are done every year at just Rs 200. Mega Tree Plantation & Mega Blood Donation Camps are other attractions of RC Khamgaon. Every year, on the occasion of Installation ceremony, RC Khamgaon gives donations to Rashtrabhasha Prachar Samiti Vachanalay & Tilak Rashtriya Vidyalaya. Also felicitates the common man of the society, who did uncommon work but was not recognised on any platform. RC Khamgaon has an interaction with another service groups like Lions Club, Giants Group, Jaycees Club etc & plays a friendly cricket match with them. Last year, RC Khamgaon took an active involvement in excavation of an old water supply tank namely Januna, funds of nearly 40 Lacs being raised through the donations by the people & the fruits can be seen that this year, there is no scarcity of water in Khamgaon. RC Khamgaon also organized 03 Rotary Utsav in a row as a fund raising program. RC Khamgaon also organizes Marathon Event every year to bring the awareness regarding fitness in the people & proudly to say that International runners like Mr Pradeep Jaiswal & Mr Amit Updeo also took part in that. "I-Clean Khamgaon" is our another TRP raiser activity wherein the walls of the public places were decorated by "Tribal Warli Paintings."

At the district level, RC Khamgaon has been equally active. We have hosted many district events, mainly AGTS at Chikhaldara & District Assembly of over 700 delegates at SSGMCE Shegaon, and many ICFs. It has contributed a large in District & has provided 11 Assistant Governors, Conference Co-chairman, District RYLA Chairman, District Secretary & Joint Secretary and many more. In 2016, RC Khamgaon sponsored Rotary Club of Shegaon, which is proudly performing well & is conducting many mega events even. Cherry on the cake is that RC Khamgaon is going to have one of the biggest leaderships from Khamgaon. Rtn Dr Anand Jhunjhunuwala is going to be our next District Governor for the year 2022-23. We are going to host a Mega Event Rotary Conference "Anandotsav" at Shegaon & Khamgaon on 7th & 8th Jan 2023, which will definitely put a crown on the head of RC Khamgaon.
