Vol. 01 No. 01 ■ Saturday 18th March, 2023

*Dear Members,
Beginning this March issue—designed and imagined—we will learn from one another what a newsletter is, and what it can be, in our always changing Rotary world. To start, TheBUZZ, our club's official newsletter which all the enthusiasts, who are obsessed with flipping through the pages of newsletters, magazines, be absorbed in the images and stories would love it. I really believe that no matter whether a newsletter is delivered to your doorstep or to your computer, printed on glossy stock or on tabloid paper, appearing on your iPad or your cell-phone screen, it is still and foremost the work of an editorial team for a discerning audience, a beautiful and meaningful—we hope—package of ideas, words and images that our members will prepare for its readers. Happy reading.*

Shailja Mehta, President

Welcome
PDG Angsuman Bandyopadhyay

District Governor's Visit

DG Ajoy Kumar Law accompanied by First Lady and other members of his Secretariat visited our club on 26th February, 2023 at International Club.

Sujatha Kanthan was just one-and-a-half years old when she came down with a fever. It lasted two hours but sadly caused an attack of polio, which left her disabled for life. Now, 42 years old, Sujatha akka (as she is fondly known) is a disability rights champion and advocate, changing the lives of hundreds of disabled people in and around Tamil Nadu. She's also the founder of the Development Forum for Women with Disability, a trust that works for the rights of disabled women.
