Dear President Sunil K Day

Rotary Greetings!

Congratulations to you for accepting the leadership position as a Club President in the RY 2022-23. This little step has opened up your wings to fly to soaring heights and take society to a more meaningful, humble, accomplished, and peaceful stratum through the magical world of Rotary. Believe me, your positive thinking, hardworking attitude, and determination of doing something unique for the community will create history for you as well as give you immense satisfaction. This is what I have experienced in the last 25 years of my Rotary Journey.

Rotary's motto is service above self and we will have to continue our fight against illiteracy, hunger, poverty, water scarcity, disease, pollution & so on.

Rotary will stay relevant as long as we are sensitive to the needs of our communities and give our time, talent and resources to make a difference in the lives of the less privileged.

My compliments to you and your team for Publishing the first issue of newsletter SAMPDA of your Club, The Rotary Club of Delhi Resources.

Alka & myself wish that may you all raise the glory of Rotary even better. Wishing you all a successful and blissful Rotary journey.

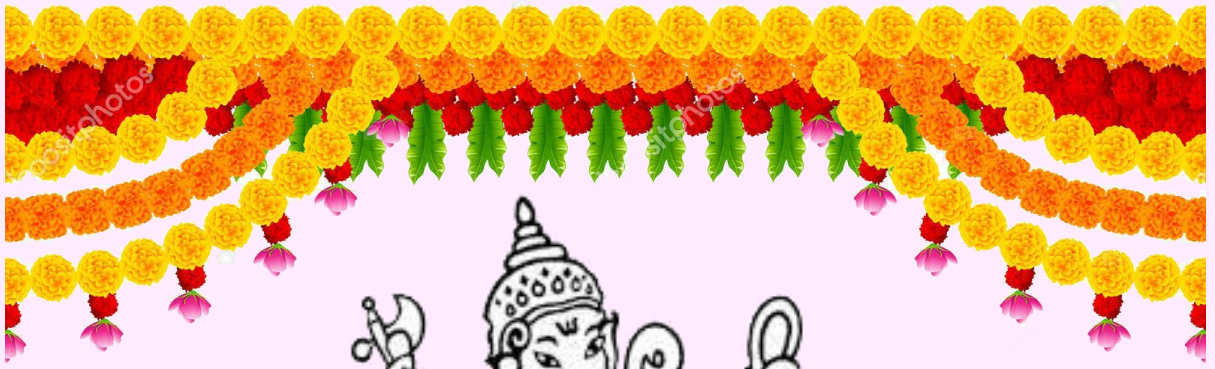

All the best & let's IMAGINE ROTARY together for achieving significant Rotary objectives.

Message of the Club President

Our Club was born on August 19, 2022, in the 1st week of 76th year of independence – in Azadi ka Amrit Mahotsav. This is a very proud moment for our Club that our very first bulletin Sampada, is in front of us. This bulletin is a forum where all members are to contribute. This is also a forum for records of the events, fond memories and for members (and their families) to share their talents and visions for the Club. In this very first issue we are covering our events, projects, etc. up to August end. From now onwards we plan to publish our bulletin within first ten days of the month.

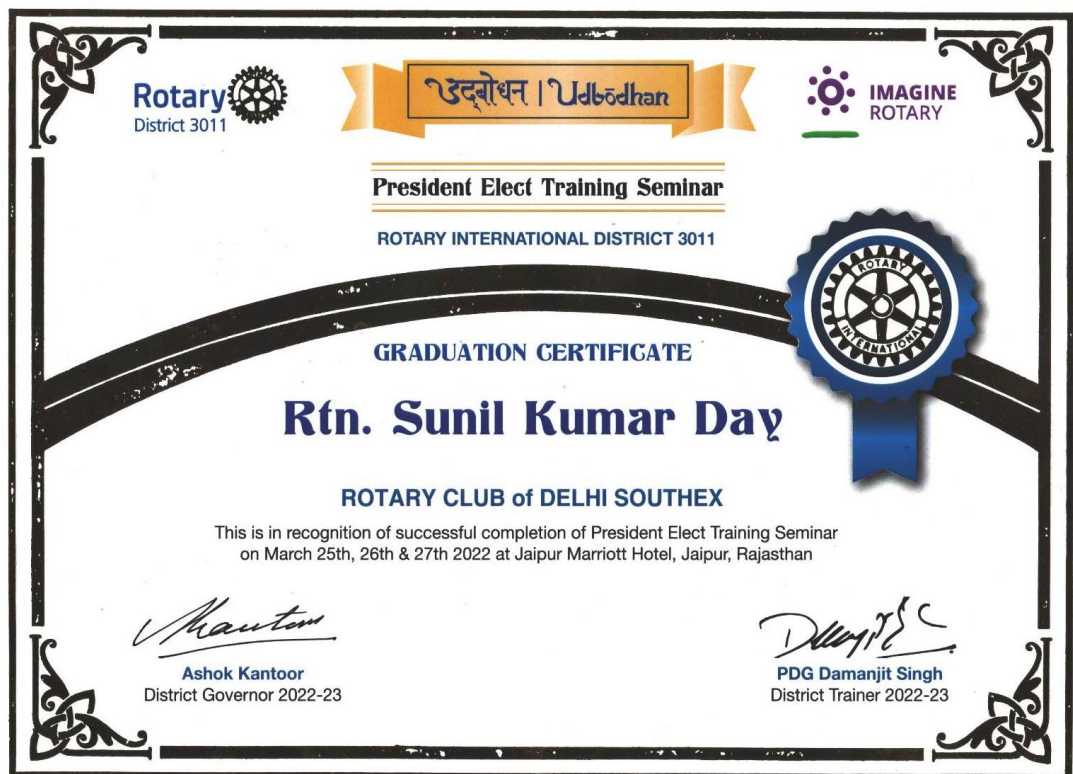

This is also an opportunity for me to extend my warm wishes to all the Charter Members for establishing such a club that is unique in many ways. Our Club believes in serving the society. Our Club also believes in utilizing the immense collection of resources that our District 3011 has to offer. Then there are many other clubs with whom we can do joint projects and fellowships as well as speaker meetings.

The opportunities available to us are countless – but we have to be selective and choose according to our potential to implement successfully.

We also upload our Service Projects on Rotary International website- www.my.rotary.org. All our members have access to that site to view a lot more details as our bulletin will be providing indicative information. Moreover for Board Meetings, Fellowships and other meetings / information our members can access www.rotaryindia.org.

I would like to present my sincere thanks to all members who are sharing the common vision of the Club of Delhi Resources, of which I am a proud member, to serve the society in every which ways
Rtn. Sunil Kumar Day

#3 Free Mammography Camp at ATS One Hamlet, Noida on 30th August 2022

Tuesday, 30th August 2022 - Our club organized a free Mammography Camp at ATS One Hamlet, Sector – 104, Noida - 201304. The testing facilities are provided by the Mobile Mammography van, that is a project of Rotary club Gurgaon, and it is equipped with a state-of-the-art mammography unit, chamber for PAP'S smear, and a 100MA X-Ray unit. It was taken up as a Global Grant Project in the year 2014 – 2015 during the tenure of Rtn Dr Pushpa Sethi, President.

As we know breast cancer incidence is so much on the rise that it is fast competing with cervical cancer as the major killer. In order to give the patient a fair chance of survival it is mandatory that the cancer be detected in the early stage. For this all ladies above 40yrs should undergo preventive mammography screening once in a year. In a day 20 ladies can be checked. The role of Project Chari Rtn. Alok Sahdev was critical in the success of the project. Rtn. Nilu Sahdev conducted the project in a professional way and it was highly appreciated and acknowledged
