Let's Serve Those Today Who Serve Us Everyday

March 2023 Message of Jennifer Jones RI President 2022-23

Introducing the Rotary Youth Network

How do you take the best from the worst?

None of us will forget how the pandemic altered our world and our lives. Each of us had to traverse this period of uncertainty, and no one had a free pass from the effects.

I personally believe this has created space for a different kind of global leadership — one that is courageous, empathetic, and vulnerable. I met my good friend Anniela Carracedo online in early 2020. She is one such leader, and I'm thrilled to turn this month's column over to her.

— Jennifer Jones

In March 2020, I had a panic attack. I couldn't breathe, and I felt a terrible pain in my chest.

It had been a few days since the World Health Organization declared COVID-19 a global pandemic, and I was in the middle of my year as a Rotary Youth Exchange student in the United States. Think about it: an 18-year-old girl stuck in a different country, with a foreign language, with people she had only met six months before. It was scary.

But I am familiar with uncertainty. I was born and raised in Venezuela, which is going through one of the worst humanitarian and political crises in the Western Hemisphere. But my mom always said, "Challenges are nothing more than needs that require a solution."

I called up my Interact and Youth Exchange friends. Together, we organized an online meeting to share projects and get inspired by what everyone else was doing during the quarantine. In that first meeting, we had 70 people, mainly students, from 17 countries.

From that beginning, we built an online platform for Rotary youths worldwide to share their experiences and inspire others with project ideas during isolation. We looked for mentors and supporters who would help our group connect young people, share cultures, and open new collaborative opportunities for international service projects. We called it Rotary Interactive Quarantine, or RIQ.

Message of Rtn Ashok Kantoor District Governor R.I. District 3011

Dear Presidents and Team Members,

We have had a busy start to the Year at R.I. District 3011 and this was followed by a very successful Conference in the month of February and we are grateful for all of your support in helping us achieve this. The month of March also started with an exciting Cricket Tournament which set the tone for teamwork and several meaningful projects.

We have a number of exiting updates about many important projects that we want to make you aware of. One of the most important ones is our commitment to fight cancer and to help people in getting timely treatment for the dreaded disease. In keeping with our resolution this year to ensure early detection and diagnosis, R.I. District 3011 handed over a Battery Operated, 8 Seater van to IRCH, AIIMS Delhi. The Van will help in providing much needed relief in transportation for patients who have to travel a very long distance to reach the relevant OP. The facility will help facilitate improve collaboration with our Health Partners – AIIMS and will further enhance the mammoth work already being done at IRCH. We are grateful to Rotary Club of Delhi Regency Next and the Cancer Foundation for their dedicated efforts.

Our crusade to save the Environment and to prevent and treat Leprosy also continues and one of the big projects completed in this area was by Rotary Club of Delhi South by Inaugurating an On Grid Solar Power Plant and distributing Tricycles, MCR Footwear and other Appliances to Leprosy Patients.

R.I. District 3011 also gave Vocational Service Awards to a small number of exceptional individuals in recognition of their outstanding contributions in their particular fields, or for their service and impact in our region and communities. They were given awards after a rigorous selection process that ensures our recipients share and embody our Rotary values. We had the pleasure of awarding individuals in many different fields, including academia, medicine, entertainment, judiciary, IT and the public and charitable sector.

Let's Serve Those Today Who Serve Us Everyday

A Note by Editor Rtn Vidushi Lal :

This fortnight has seen a lot of collaborative efforts which brings to mind the quote – success is best when its shared.

It is also with great pride that we congratulate our esteemed club President on receiving two prestigious architectural accolades. As a club, we are honored to have such a talented member whose achievement serves as an inspiration to us all and showcases the potential of individuals to make a significant difference in the world which reflects the core value of the Rotary Organisation itself. We encourage the rest of our Club members to share such achievements and become an inspiration for the rest of us.

Message of RI President Contd..

After only a year, we engaged with more than 5,000 students from 80 countries. Several of our team members became district Interact representatives and district committee members, and some of us even serve on Rotary International councils.

Eventually, quarantine restrictions were being lifted, and the needs of our participants were changing. At our last official meeting as RIQ, Past RI President Barry Rassin inspired us to create even bigger change, so we transformed RIQ into the Rotary Youth Network, or RYN.

A few of our members, including me, were selected to serve on the inaugural Interact Advisory Council, where we presented our vision for youth in Rotary to the RI Board of Directors.

Our presentation to the Board inspired President Jennifer and her team to create a Youth Advisory Council in Rotary International, which I am honored to serve on as a co-chair.

The Rotary Youth Network officially launched during a breakout session at the 2022 Rotary International Convention in Houston. Five of us, who had participated in Interact, Youth Exchange, and Rotary Youth Leadership Awards, traveled across continents to launch an organization we had kicked off online two years before. The convention was also the first time we had met in person.

When my friends and I finished our talk, we realized more than 500 people were giving us a standing ovation. Tears filled our eyes, and the feeling of excitement and accomplishment took over.

Who would have thought that a panic attack would lead to this?

Message of Club President Rtn Sunil Kumar Day

This has been a very active fortnight with many Service Projects. Then there was PETS – as we all know, it is President Elects Training Seminar. So our PE Rtn Rakesh Ji was busy with it. Next fortnight it will be SETS – Secretary Elects Training Seminar and we wish our Secretary Elect Rtn Suman Chopra Ji very meaningful interaction. Such seminars are the most important for Club Leaderships – they are the venues for learning and finding friends and future Joint Project Partners.

I on behalf of my Club wish SE Rtn Suman Ji Heartiest & Good Wishes for the SETS.

We are holding many joint projects now a days – to learn from very old clubs. But we are doing this on 50 - 50 basis – both clubs are equal. This fortnight we have done Joint Projects with Midtown, South West and Rajdharni – 3 of the biggest and oldest Rotary Clubs of Delhi. This pleasant experimentation will continue in the future too.

Tell me and I forget. Teach me and I remember. Involve me and I learn.

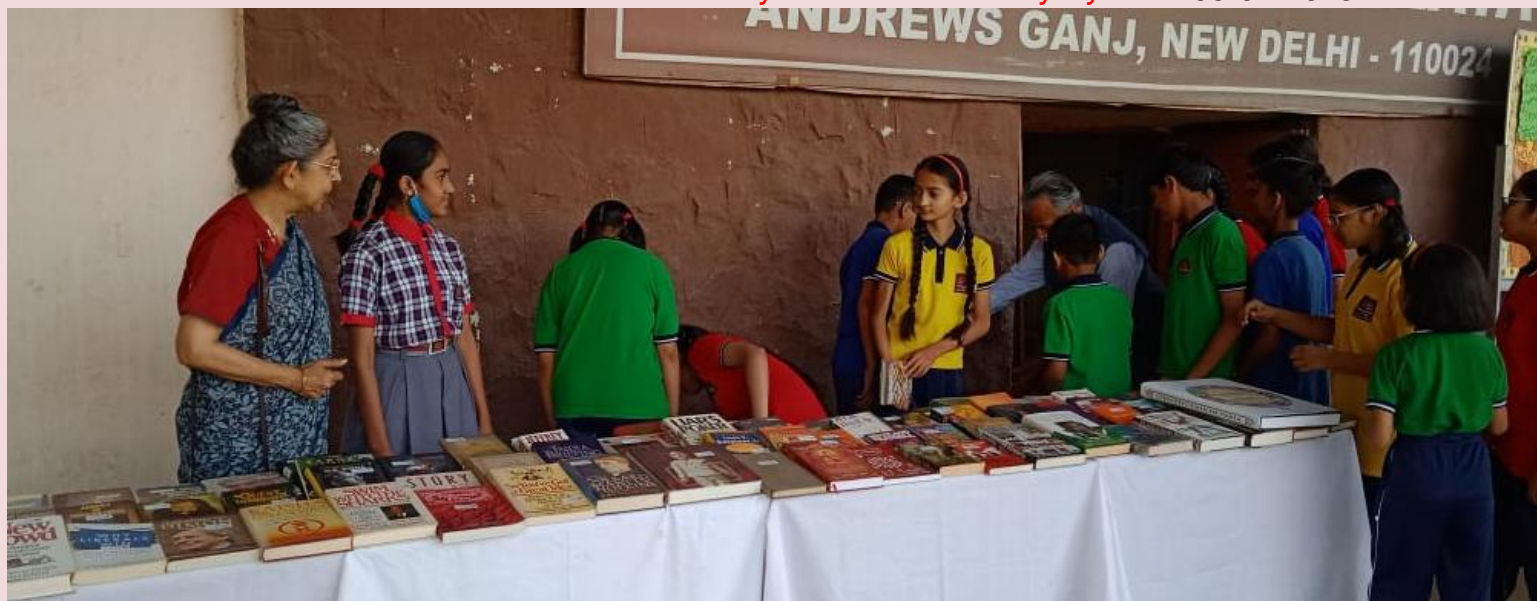

Benjamin Franklin

Message of DG 3011 Contd....

It has been yet another very satisfying month and we continued with our sustained efforts in all the areas that we had committed ourselves to, at the start of the Year. Thank you for participating in the Annual Fund Challenge and contributing towards a Fund that saves millions of lives across the world. We will continue with our commendable efforts and carry on Serving Humanity to the best of our ability.

With Warm Regards,
Yours Sincerely

Rtn Ashok Kantoor
District Governor 2022-23

Our Flagship Project- Let's Promote Reading. Library #14 was established today with reading from the Constitution of India by two students that was the Highlight at KV, Andrews Ganj. This Project has been conceived by our President & 1st Lady - to be at multiple locations. There are books of Fiction & General Knowledge mainly for the all ages of students in Hindi & English. This event was made part of the school morning assembly starting at 7 AM. It was attended by all students & teachers as well as Principal Dr. Raj Kumar Sharma & Vice Principal Mrs. Ritu Shrama. Highlight was donation of the Constitution of India, as published by Govt. of India. This was the 2nd occasion to give such a book to a School. The children & teachers were very excited & pleased & it was decided that students will be encouraged to read this Constitution of India at their library.

A Free Mammography Camp was held at SSB (Sashastra Seema Bal, Ghitorini), New Delhi under the guidance of Mission Mammography Chair Rtn. Niti Day. There were 12 beneficiaries. Our President Sunil Day & 1st Lady Niti Day were present. This special occasion was graced by Rtn Arun Roongta (AG Zone 12); Rtn. Rajeev Bhansali President RCD Midtown; Rtn. Bijay Sundaram, Secretary RCD Midtown. As usual 1st Lady Niti Day addressed the beneficiaries about the breast cancer testing and self-care. The camp was very well organized by SSB Wives Welfare Association 'SANDIKSHA'. This camp was jointly done with RCD Midtown.

Fellowship at SSB Camp – very hospitable SSB Wives Welfare Association 'SANDIKSHA', led by Mrs. Mini Bhuvna (wife of the SSB Commander). There was opportunity to address the gathering about the Service Projects Rotary does. It was the very first time that SSB had dealt with any Rotary Club. It was also the very first time that such large scale camp was held at their door step. Very memorable time for all.

A Mega Eye Check-up Camp was sponsored by RCD Resources at SKV (Sarvodaya Kanya Vidyalaya), Andrews Ganj, New Delhi – 110049. This is for the benefit of the Students of all age groups. It started at sharp 9:30 am and continued till 01:00 pm. Patients were registered followed by screening and those students who needed specs were taken for final testing. The students were given a chance to select a frame of their choice. The specs are being provided free of cost. The specs; testing equipment and project team is provided by Vision Spring / I Catalysts. The project is recently conceived by RCD South West. In all there are total 389 beneficiaries (185 + 204) that were checked in the 2 days. Total 59 (28 + 31) students get free specs – this is staggering 15% students with bad eye sight.

Our Club President was bestowed with Two Prestigious accolades – Best Cultural Heritage Project of India – the Phulkari Gardens (India's own Garden Form, that he is experimenting with for the first time) at Attari / Wagah on India Pakistan border.

And the second was Professional Awards for his infrastructure of sports projects. These accolades can also inspire future generations of architects to push the boundaries of design and strive for excellence.

As per our practice the students of Ratan Chand Arya Public School, Sarojini Nagar, New Delhi, were treated breakfast before starting the gallery walks. This time also the students picked McDonald's (Janpath). This was the time for fellowship with the students (and their teachers). Students were also given small food packets of chips and cookies for the bus journey which were sponsored by Shampa Sircar Das, the Artist of Solo Show.

Our club organized an Art Appreciation Trip #5 at Triveni Kala Sangam, Mandi House, New Delhi - 110001. For 1st Lady Rtn. Niti Day as well as 22 students of class 6 & 7 & 4 teachers of R C Arya Public School, Sarojini Nagar, it was a great opportunity to appreciate Art with the artist herself Ms. Shampa Sircar Das who was holding her solo show at Shridharni Art Gallery. They had their 1st time experience of meeting the artist at a gallery who explained to them the themes and concepts behind the displayed works. This Signature Project #2 of our Club is the brainchild of the 1st Lady Rtn. Niti Day. She is also the Chair for Art and Heritage of our RCD Resources. Project was jointly done with RCD Rajdhani. The artist also provide goodies to all the kids. Our club had provided paper and the management of Shridharni Art Gallery (Mr. Amar Shridharan) provided tables in the courtyard for the kids to sit and draw their impressions after the show.
