*Let's Serve Those Today Who Serve Us Everyday*

### Message of Club President Rtn Sunil Kumar Day

Continuing with our projects in line with the Rotary Theme of April Month for Health of Children and Ladies we have done 25 projects in the second fortnight of April 2023. Mainly as per the Theme. Also very happy to mention that we have done 156 projects till 30<sup>th</sup> April 2023. Luckily I had a chance to serve through my vocation that is architecture, when I provided necessary drawings after the study of existing site of Shanti Avedna Sadan – that is a hospice for terminally ill cancer patients. (But not included as a project in the Bulletin.). Additionally we Chartered an Interact Club at KV, Andrews Ganj on 12<sup>th</sup> April 2023 (but we have received the Certificate only in this fortnight).

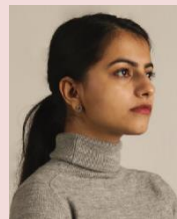

We are still looking forward to our 1<sup>st</sup> Rotaract Club. Also we are still to get any CSR funds – though we are getting some valuable contributions from our friends in their individual capacity. For the first time we had camps at schools where our Rotarian Members are associated – HPS, where Rtn. Youvraj Asnani is involved. And Dr. Radhakrishnan International School where Rtn. Suman Chopra is the Principal. These are very satisfactory experiences that we would like to repeat often.

### A Poem by Vice President Rtn Sunil Kapoor:

Once is enough One Step in right direction is enough to forge ahead and succeed in life One step is enough to help some destitute, struggling to fight inner strife One Step paves way for a thousand miles journey to achieve goal and exult One prayer spoken with compassion from the heart may yield the desired result One emotional hug can lift a sagging , poor , depressed and a hurt soul One positive hope can lift indomitable spirits to achieve one's goal One little candle ,if lit, can remove utter darkness in an isolated room One emotion filled sermon can mellow down a dowry seeking greedy groom One touch and caress can create a loving bond in a married couple One smile can convert anger in a relationship replete with avoidable trouble Once is enough Oh! Dear friend Once is enough to change the trend Once is enough to change the trend.

### A Note by Editor Rtn Vidushi Lal :

Our members have been working tirelessly to serve our community and make a positive impact on the lives of those in need – 156 successfully completed projects act as proof for the same.

Thanks to that we look forward to another successful month of May for Rotary Service.

We encourage all members of our Club to get involved and support our efforts. Together, we can make a more meaningful impact and create a better world for all.

I would also encourage members to share and read about rotary events from around the world - from promoting peace to disaster management, it seems like Rotary members are very proactive and involved and their stories are very interesting. **The link for the same is given below -**

### A Poem by Rtn Kumdini

इंतज़ार का इकरार

आये होंगे तुम

खटखटाया होगा दरवाज़ा

शायद हम सुन नहीं पाए

उम्र के साथ छूट रहा है

बहुत कुछ दिखाई देना सुनाई देना

लेकिन छूटा नहीं जो मेरे पास है

तुम्हारी ना जाने कितनी यादें

तुम्हारे बचपन की छोटी छोटी बातें

पहला कदम लड़खड़ाते हुए तुम

वही सहारा आज टूट रहे हैं हम

आ जाओ दरवाज़े नहीं है अब

इंतज़ार हमारा खत्म होगा कब

तुम्हें बड़ा करने में ज़िंदगी से बहुत लड़े थे हम

देख रही हूँ जहाँ हम थे वहीं खड़े हो तुम

फिर भी फूलों में माली का ऐतबार बाकी है

खिलेंगी कलियाँ इंतज़ार बाकी है।

कुमुदनी

The project started on 15<sup>th</sup> was continued on 17<sup>th</sup> was concluded on 18<sup>th</sup> April 2023 (16<sup>th</sup> was Sunday). This is our Flagship Project. It was a proud moment for our Rotary Club of Delhi Resources, when the 1<sup>st</sup> Lady Rtn. Niti Day and President Rtn. Sunil Kumar Day donated for the second time, over 300 books to 'Book Shop for a Cause', the unique book shop at Lajpat Bhawan, Lajpat Nagar, New Delhi – 110024. From the Book Shop Ms. Manisha received the books. Our Club wants to repeat it as often as possible. Also different ways to assist the 'Book Shop for a Cause' with their different needs at different times / events. They send boxes of books all over India to purchasers to love to gift Preloved Books. Their sale from books allows them to run many activities of Sisters of the People (a wings of Servants of People Society) to benefit underprivileged members of society.

The testing equipment were provided by Rajiv Gandhi Cancer Institute & Research Center (RGICRC), Niti Bagh, New Delhi. This is for the benefit of the staff (both teaching and support) of all age groups. There were about 85 beneficiaries of different age groups consisting of teaching and support staff of the KV.

On 27<sup>th</sup> April 2023 - a Mega Eye Check-up Camp was sponsored by RCD Resources for the students of Rattan Chand Arya Public School, Arya Samaj, Sarojini Nagar, New Delhi – 110023. However the camp was held at a nearby school due to lack of infrastructure available at the school that day. The check-up started at 09:30 am and finished at 1:00 pm. Patients were registered followed by screening and those students who needed specs were taken for final testing. The students were given a chance to select a frame of their choice. The specs are being provided free of cost. The specs; testing equipment and project team is provided by Vision Spring / I Catalysts. The project is recently conceived by RCD South West. In all there are around 120 beneficiaries that were checked. Some 20 students will get free specs due to poor eye sight.

## New resto launches in Noida, offers Indian food with a twist

**R**ecently, Karigari has opened its second outlet at Advant Navis Business Park. The resto's management says, "The brand honours chef Harpal Singh Sokhi's rich culinary legacy throughout India and offers it with a special flair. With the super success of Karigari, we are ready to expand in the coming year. This is the second outlet in the chain, and five to six more outlets are planned."

The team adds, "Our uniquely crafted menu includes dishes from several legacy restaurants across India that are presented with love, refinement and excellence in the chef's own way. Lemon grass chicken is one such unique dish. The restaurant also serves innovative desserts with the chef's personal touch."

The brand's team informs that in an effort to make millets a staple as well as gourmet food, chef Sokhi has curated many dishes keeping Millets as the base ingredient. One such dish is the exotic millet kebabs.

#### DIPLOMACY & FRIENDSHIP

Very pleased to share this pleasant news that our Rotarian H E Daniela Tane, Ambassador of Romania in India has been appointed as the Ambassador for Bhutan also. That is in addition to her current portfolios of India, Nepal and Bangladesh. Congratulations and Best Wishes to her on behalf of our Rotary Club of Delhi RESOURCES.

Rtn Daniela Tane with Ms. Lily Wangchuk who wrote the note on the right

Reconnecting with my good friend from my Foreign Service days in Delhi after 20 years - H.E Daniela Tane, Ambassador of Romania in India who is currently in Bhutan on an official visit as part of the EU Delegation. Heartened to learn from her that Romania will be extending scholarships to Bhutan for MBBS programs in Romania & will also explore other areas of support.

20 years ago while serving our respective Embassies in Delhi, Daniela & I had a big circle of friends from the diplomatic circle. While we worked passionately hard in representing & promoting our countries effectively we also made wonderful friendships and have beautiful memories to cherish!

So glad to see all my friends from diplomatic service days in Delhi have now become Ambassadors for their respective countries effectively serving in different parts of the world!
