The First GOV of Newly Chartered Club

A Note by President Rtn Sunil Kumar Day

This special issue is to capture the historic GOV, the very first for our newly chartered Club, that was held on Saturday 17th December 2022 at USI, Shankar Vihar, Delhi Cantt. We also used this occasion to showcase our Flagship Project of Rotary Library by RCD Resources. We were chartered on 19th August 2022 and that makes it 120 days old on our very first GOV. I like this opportunity to thank our members Rtn Sunil Kapoor & Rtn Sudhir Kapoor who made the extra ordinary arrangements at USI within 72 hours for this historic GOV. I also reproduce below my two address at the GOV.

Vision of President

Every Rotary Club President has to share his vision with DG and with the Club. In short it is the following:

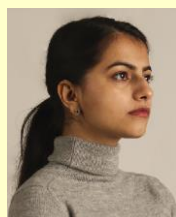

1. Club to be run on International lines.
2. To welcome participating members and not absentees.
3. To spend 75% of time on Service Projects and the rest 25% on Fellowships.
4. We want to do our best in Cancer Awareness and Treatment for all classes.
5. Health and Education of EWS children is another thrust area by working with Unaided Schools.
6. Having our Flagship Projects – Rotary Library is one of them. More are in pipeline.
7. Utilizing CSR Funds for Solar Panels; School Furniture; Smart Boards, Rain Water Harvesting.
8. Doing Projects with District Grant regularly.
9. Doing Regular evaluation of Projects we do.
10. Forming Trust for long-term plan for eventually doing Global Grant Projects.

Lastly, as an architect I can say with some authority that no foundation is ever visible. In fact the reliable foundation should not be visible but always felt. A strong deep purposeful foundation of any nature be it a home or nation or a club provides all time comforts to the society/family.

This is my job as Charter President to build a strong club on reliable footwork and we have to do it collectively in real team spirit.

Welcome Address by President.

GOV is the most important meeting in the one year tenure of any Club President. But for us it is doubly important being the 1st GOV Meeting of our newly Chartered Club. With our DG a club president can approach him any time on phone or email or visit him to discuss any matter of club presidency- and I am stating from multiple personal experiences. But GOV is the only time when a Rotary District Governor joins a Club meeting for discussions with the Board first and then with all members. The hierarchy in Rotary is there to smoothly implement the purposes of Rotary. It is same in any country. To show our respect and appreciation of district governor Ashok Kantoor we have gathered here. The journey for DG by Ashok Ji started 2 and half years ago and has half an year to complete!!!! And I wish to utilize this time in the best possible ways.

Editor's Note

I was glad to be a part of our clubs first historic GOV meeting. It was enlightening and interesting to hear about the inner workings of Rotary from the DG himself. There was a productive exchange of ideas and new possibilities in terms of which projects are suitable and feasible for our club to undertake. We also got to know about the DGs own journey and his experience with rotary which was very impressive and illustrious.
